5 **Security Deposit (Performance Security):-**

(i) To ensure due performance of the contract, Performance Security is to be obtained from the successful bidder awarded the contract. Performance Security is to be obtained from every successful bidder irrespective of its registration status etc. The contractor shall submit an irrevocable performance guaranty of **5% (Five Percent)** of the tendered amount. Performance Security may be furnished in the form of an Account payee Demand Draft, Fixed Deposit Receipt, Bank Guarantee from a recognised bank in an acceptable form safeguarding the purchasers interest in all respect. Performance Security shall be 5% of value of Contract.

(ii) Performance Security should remain valid for a period of sixty days beyond the date of completion of all contractual obligations of the contractor including warranty obligations and five percent security for defect liability period.

(iii) Bid security should be refunded to the successful bidder on receipt of Performance Security.

(iv) Firms submitting Security Deposit through Bank Guarantee are required to ensure authenticity of the same through digitally signed secured e-mail from issuing banks to official e-mail ID of DIG Assam Rifles, **HQ 27 Sect** (sector.27ar@gmail.com).

6. Documents pertaining to the work (Signed for the purpose of identification by the Accepting Officer or his accredited representative) and samples of materials and works to be supplied by the contractor will be opened for inspection by the tenderer at the office of Accepting Officer concerned during working hours.

7. The tenderers are advised to visit site by making prior appointment with the Accepting Officer concerned in sufficient time.

8. A Tenderer shall be deemed to have full knowledge of all relevant documents, samples, site etc whether he has inspected them or not.

9. Any tender which proposed any alteration to any of the condition laid down or which proposes any other condition or description, what so ever, is liable to be rejected.

10. The submission of tender by a tenderer implies that he has read this Notice and Conditions of Contract and has made himself aware of the scope and specifications of the work to be done and of the condition and rates of works, tools and plants etc. that will be issued to him and local conditions and other factors bearing on the execution of the work.

11. **Compensation for delay (Liquidated Damages).**

(a) If the contractor fails to maintain the required progress as per contract agreement or to complete the work and clear the site on or before contract completion or extended date of completion, he shall, without prejudice to any other right or remedy available under the law be liable to the Government on account of such breach and pay as agreed compensation, the amount calculated at the rates stipulated below, duly approved by CFA (whose decision in writing shall be final and binding) who may decide on the amount of tendered value of the work for every completed day/month (as applicable) that the progress remains below that specified in Contract Agreement.

(b) This will also apply to items or group of items for which actual period of completion has been specified.

(c) **Compensation for delay of work:** With max rate @ 1% (one percent) per month for delay to be computed on per day basis based on quantum of damage suffered due to stated delay on the part of Contractor. Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% (ten percent) of the accepted Tendered Value of work or of the accepted Tendered Value.

(d) The amount of compensation may be adjusted or set-off against any sum payable to the contractor under this or any other contract with the Government. In case, the contractor does not achieve a particular milestone mentioned as per Contract Agreement, or the re-scheduled milestone(s), the amount shown against that PDC shall be withheld, to be adjusted against the compensation levied at the final grant of Extension of Time. With-holding of this amount on failure to achieve a PDC, shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone, the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s), amount mentioned against each milestone missed subsequently also shall be withheld. However, no interest, whatsoever, shall be payable on such withheld amount.

12. Time and Extension for Delay

(a) The time allowed for execution of the works as specified in the Contract Agreement/work order or the extended time in accordance with these conditions shall be the essence of the Contract. The execution of the works shall commence from such time period as mentioned in work order or from the date of handing over of the site whichever is later. If the contractor commits default in commencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money & performance guarantee absolutely alongwith cancellation of work for retendering.

(b) As soon as possible, after the Contract is let or any substantial works order is placed and before work under it is begun, the SO1 (Engineer)/Contract operating authority and the Contractor shall agree upon a time and progress chart. The Chart shall be prepared in direct relation to the time stated in the contract documents or the work order for completion of the individual items thereof and/or the Contract or work order as a whole. It shall indicate the forecast of the dates for commencement and completion of the various trade processes or sections of the work and shall be amended as may be required by agreement between the SO1 (Engineer)/Contract operating authority and the Contractor within limitation of time imposed in the contract documents or work order. If the works be delayed :-

- (i) By force majeure, or
- (ii) By reason of abnormally bad weather, or
- (iii) By reason of serious loss or damage by fire, or
- (iv) By reason of civil commotion, local commotion of workmen, strike or lockout, affecting any of the trades employed on the work, or

(v) By reasons of delay on part of nominated sub-contractors, or nominated contractor, which the Contractor has in the opinion of SO1(Engineer)/Contract operating authority, taken all practicable steps to avoid or reduce, or

(vi) By reason of delay on the part of Contractors or tradesmen engaged by Government in executing works not forming part of the contract, or

(vii) By reason of any other cause, which in the absolute discretion of the Accepting Officer is beyond the Contractor's control

(c) Then, in such case the Accepting Officer may make fair and reasonable extension in the completion dates of individual items or groups of items of work for which Octarate periods of completion are mentioned in the contract documents or work order as applicable.

(d) Upon the happening any such event causing delay, the Contractor shall immediately, but not later than 14 days of the happening of the event, give notice thereof in writing to the SO1(Engineer)/Contract operating authority but shall nevertheless use constantly his best endeavor to prevent or make good the delay and shall do all that may reasonably be required to the satisfaction of the SO1 (Engineer)/Contract operating authority to proceed with the works for which SO1 will monitor details on record. Extension of time shall be approved by the CFA.

(e) In case the Contractor fails to notify the SO1 (Engineer)/Contract operating authority of happening of an event(s) causing delay within the period of 30 days stipulated above, he shall forfeit his right to claim extension of time for the delay caused due to such event(s).

(f) If the work is delayed by reason of non-availability of Government stores shown in Schedule 'B', then, in any such event notwithstanding the herein fore contained, the CFA may in his discretion grant such extension of time as may appear reasonable to him and the same shall be communicated to the Contractor by the SO1 (Engineer)/Contract operating authority in writing. The decision so communicated shall be final and binding and the Contractor shall be bound to complete the works within such extended time.

(g) No claim in respect of compensation or otherwise, howsoever arising, as a result of extensions granted under conditions above shall be admitted.

13. **Cancellation, Foreclosure and Termination of Contract:** - If the contractor:-

(a) Makes default in commencing the works within a reasonable time from the date of the handing over the site and continues in that state after a reasonable notice from SO2/SO1 (Engineer)/contract operating authority).

or

(b) In the opinion of the SO2/SO1 (Engineer)/Contract operating authority at any time, whether before or after the date or extended date for completion, makes default in proceeding with the works, with due diligence and continues in that state after a reasonable notice from SO2/SO1 (Engineer)/Contract operating authority.

(c) Fails to comply with any of the terms and conditions of the Contract, or after reasonable notice in writing with orders properly issued there under,

or

(d) Fails to complete the works, work order and items of works, with individual dates for completion, and clear the site on or, before the date of completion.

13.1. The Deputy Inspector General Assam Rifles as the CFA may, without prejudice to any other right or remedy which shall have accrued or shall occurred thereafter to Govt, cancel the contract as a whole or only such work order (s) or items of work in default from the contract: whenever the Deputy Inspector General Assam Rifles as the CFA exercises his authority to cancel the contact as a whole or in part under this condition he may complete the work by any means at contractors risk and cost.

14. The Deputy Inspector General Assam Rifles as the CFA does not bind himself to accept the lowest or any tender or to give any reasons for not doing so.

15. The Deputy Inspector General Assam Rifles as the CFA reserves his right to accept a tender submitted by a Public Sector Under taking giving a price preference over other tender which may be lower or as admissible under the Govt. Policy. No claim for any compensation or otherwise will be admissible from such tenderers whose tenders may be rejected on account of the said policy.

16. Handing/Taking over of work site will be completed within maximum of two weeks after approval of CST and should be provided complete in all respect while forwarding the 1st RAR.

17. The change of site will not be accepted after administrative approval. In case of unavoidable circumstances the concurrence of the Deputy Inspector General Assam Rifles as the CFA is essential before commencement of work.

18. The completion report will be address to the Accepting Officer. The contractor will make sure that work will be completed in all respect as per Schedule's, drawings and specification.

19. The work order duly completed in all aspect will be issued within a week after approval of works by Deputy Inspector General Assam Rifles as the CFA.

20. This NOTICE OF TENDER INCLUDING APPENDIX 'A' shall form part of the tender documents.

SCHEDULE 'A' NOTES**LIST OF WORKS AND PRICES**

Name of Work: - Repair & Maint of JCO Club and JCO Dining Room for HQ 27 Sector Assam Rifles

(A) NOTES : (GENERAL) – APPLICABLE TO ALL PARTSs

1. This schedule is divided into 01 (one) part as detailed below:-

(a)	PART- I	:	Repair & Maint of JCO Club and JCO Dining Room for HQ 27 Sector Assam Rifles
-----	---------	---	---

2. The description of building works and services given in various parts of Schedule 'A' are in brief. These are deemed to be amplified and read in conjunction with special conditions, particular specifications, drawing (including notes thereon), specifications for materials and workmanship given in CPWD specification 2012 Volume I and II and amendments thereafter.
3. Entire work under this contract shall be completed within the period of "**06 Months**" after the date of handing over the site as indicated in the first work order as under.
4. Pre-priced rates inserted under column "Unit rate" of schedule 'A' Part I to X are deemed to be at par with the rates contained in the Delhi Schedule Rates or analogous rates there to. Contractor's attention is invited to condition of clauses 13.2.8 & 13.2.9 of CPWD wherein the lump sum price shall be worked out by him independently of the prices or rates inserted by Assam Rifles in the tender and irrespective of any errors or inaccuracies therein. The percentage to be inserted by tenderer against a particular part of schedule 'A' shall be derived by him from the amount tendered by him against the particulars part of schedule 'A' as compared to the amount inserted by Assam Rifles against each part of schedule 'A'.
5. In case, details in respect of items shown on main drawings are not given in the drawings referred to in the main drawings, then the same shall be followed from any other drawing included in the list of drawings. Any drawings mentioned in the contract/contract drawings but inadvertently not included in the list of drawings shall also be deemed to form part of the contract.
6. Probable distribution of various items of internal/external services are indicated on drawing. These are tentative and may be varied as per site requirement, where necessary at the discretion of the Engineer-in-Charge. The effect of such changes/variations in quantities due to realignment or re-siting shall be deemed to be included in the rates quoted and no price adjustment on this account shall be allowed.
7. Layout of buildings indicated in the site plan are tentative and no price adjustment shall be made on account of any change in final approved layout within the site of work.
8. The tenderer are advised to visit the work site after taking prior appointment with Engineer-in-charge before submission of tender. The tenderer shall have no claim what-so ever on this account at a later stage whether he has actually inspected the work site or not.
9. The lump sum quoted by the tenderer shall be deemed to include for all minor details of construction which are not specifically shown on drawing or specified in particular specification but which are essential for execution or work /services in workman like manner and sound construction. In case of differences in opinion of the contractor and the Engineer-in-charge as to whether or not a certain item of work constitutes minor details of construction, the decision of Accepting Officer shall be final, conclusive and binding.
10. Cost of testing including transportation of materials or equipments or items, provision of all facilities for testing in accordance with specifications and / or IS shall be borne by the contractor unless otherwise mentioned.
11. The materials used for construction should be of best quality duly approved by user. TMT bars used for construction should be from Primary manufactures. In case due to short supply of steel by primary manufactures, the contractor is permitted to use TMT bars produced from Secondary manufactures, and difference of cost should be deducted from contractor's claim. Specific deviation in each case to be forwarded to HQ 27 Sect AR for approval. Irrespective of whatever shown on drawings or specified elsewhere in the tender documents duly approved by Engr In-Charge.
12. Unit rates quoted shall be deemed to be inclusive of all taxes and levies of Govt. So applicable such as GST, EPF, ESIC & LWC on works contract, excise duty, toll tax, entry tax, income tax etc and nothing extra shall be paid on this account. Necessary deduction at source shall be made by the Accepting Officer as applicable as per the mandatory statutory requirement of Central and State Government.

B. SCHEDULE 'A' PART-I

13. The lump sum quoted against all items of schedule 'A' Part-I shall be deemed to include for all items of works complete as specified in particular specifications and shown on drawings, notes thereon for completion of work and all minor details though not specifically shown on drawings or specified in particular specification except works covered under schedule 'A' part-II to Part-XI or unless specifically stated elsewhere in the tender documents.

14. Cutting and forming chases in masonry/concrete work etc. including cutting and or leaving holes/recesses, sinking etc. where required and as directed by the Engineer-in charge shall be done as far as possible while the work is in progress. The cost of materials and labour for cutting and/or forming chases, cutting or leaving hole/recesses, sinking and making good in cement mortar (1:3) for filling up to 20 mm and in PCC (1:2:4) type B-1 concrete for filling more than 20 mm shall deemed to be included in the lump sump quoted by the contractor. In addition cutting or forming chases, cutting or leaving hole/recesses, sinking and making good in cement mortar 1:3/PCC 1:2:4 type B-1 in connection with the work required in plumbing, internal water supply, internal electrification etc shall deemed to be included in the unit rates of respective building works in Schedule 'A' Part –I. However, no price adjustment shall be made for any variation in the items/quantities of chases/holes/recesses etc. consequent upon changes in quantities of plumbing, internal water supply, internal electrification works etc.

15. The buildings under this contract have been designed for SBC of soil as indicated in structural drawings. Variation in SBC of soil, if found at site and required redesigning of the foundation, the same shall be regularised through proper deviation order, for which Approval in Principle will be taken before execution is commenced

16. Lump sump quoted by the contractor for the building works under Schedule 'A' Part-I shall be deemed to include for the following also:-

- (i) Anti-termite treatment only for item Nos. 1 and 2 of Schedule 'A' Part-I.
- (ii) Nahani trap, Gully trap, soil pipe, waste pipe, drain pipe upto and including first manhole and Gully trap where bath, WC, Toilet are occurring. The average distance of gully trap if not shown on drawing shall be considered 30 cm from the outer face of external wall of the buildings. The average distance of first manhole if not shown on drawing shall be considered as 300 cm from the outer face of external wall of the buildings.
- (iii) Flushing cistern, WC, urinal, readymade PVC connecting pipes to flushing cistern, WHB with mirror including 32 mm dia PVC waste pipe. PVC connecting pipes shall be of 16 mm outer diameter of low density coloured polythene pipe, 450 mm long conforming to relevant IS with and including brass unions with nuts on both sides complete.
- (iv) Fitting and fixture, fitments, built in cupboard, other furniture articles as shown on drawing.
- (v) Fan hook with CI box where RCC slab is shown on drawing and suitable arrangement for fixing fan as directed by the Engineer-in-charge where truss is coming.
- (vi) Roof treatment as specified.
- (vii) Plinth protection as shown on drawing.
- (viii) Surface dressing and levelling of the premises around 3.00 mtrs perimeter of the building from external wall.
- (ix) Steps.
- (x) Staircase.
- (xi) Railings.
- (xii) Platform.
- (xiii) HDPE Tanks.

SCHEDULE 'B'**ISSUE OF WORKS, ETC. TO THE CONTRACTOR**
(SEE CONDITION 26.1 OF CPWD)

Ser No	Particulars	Rate at which materials will be issued to the contractor		Place of issue (by name)	Remarks
		Unit	Qty		
		- Nil -			

NOTES: (To be filled as applicable or scored out)

1. This Schedule consists of **Nil** items only.
2. It will be the responsibility of the contractor to submit in writing his demand for materials SEVEN DAYS in advance of his requirement.
3. Material listed above shall be issued solely for the purpose of incorporation in the work.
4. Recovery will be made for the gross quantity issued and not for the measured quantity of finished work.
5. If the contractor requires store listed above issued to him for making good any loss or damage to work arising from any cause what-so-ever other than the accepted risk and the Govt. issues the same to him, the rates of issue for such items of works shall be the Assam Rifles all stock book rate or market rate on the date of issue of works or Schedule 'B' rate whichever is higher.
6. Store listed in Schedule 'B' when issued to contractor for rectification of defects notified to him under conditions of clauses 26.1 of CPWD during the defect liability period shall be charged at the rates shown in Schedule 'B'.
7. The items issued FREE FOR FIXING shall be tested at the time of issue in the presence of contractor or contractor's accredited representative and if they are not working after fixing, the contractor shall replace the same at no extra cost to the Government.
8. If the works issued "FREE FOR FIXING" are lost or damaged while in the custody of the contractor, the Govt shall recover the cost thereof at double the market rate as prevailing on the detection of such loss or damage. The decision of Engineer-in-charge with regards to damage to the works issued and relevant market rate shall be final and binding on the contractor.
9. If on completion of work, the contractor fails to return surplus materials out of those supplied by Govt. then in addition to any other liability which the contractor would have incurred, the Engineer-in-Charge may by a written notice to the contractor, require him to pay within a fortnight of receipt of the notice for such un-returned and surplus materials at double the prevailing market rate as decided by the Engineer-in-charge. If however, the contractor is not satisfied with the decision of the same with regard to market rate he shall be entitled to represent the matter to CFA within Seven Days of receipt of Engineer-in-charge's decision and the decision of the CFA, thereon shall be final and binding.
