**ANNEXURE - 20A.12 (Amended as per MAN/224B)
CPWD-6 FOR e-TENDERING**

1. The Executive Engineer, Agartala Division, Brahmaputra Board, Agartala, Tripura on behalf of the Brahmaputra Board invites online item rate bids from Central / State Public Sector Undertaking (PSU), Specialized Agencies or Institutions (including Government / Semi-Government / Non-Government agencies, Universities and Professional Institutions) fulfilling eligibility and qualification requirements specified in the Bidding document in **2 (two) bid system** for the work ***“Preparation of DPR for “Desilting of Baguwa Cherra from Satero Miar Howur to Manu River of Birchandra Nagar GP under Chandipur RD Block & Construction of Sluice Gate for regulating water flow from Satero Miar Howur to Manu River”.***

1.1 The work is Estimated to Cost **Rs. 13,44,110.00** (Rupees Thirteen lakh Forty-Four thousand One Hundred & Ten) only. This estimate, however, is given merely as a rough guide.

1.2 Intending bidder is eligible to submit the bid provided he has definite proof from the appropriate authority which shall be to the satisfaction of the competent authority of having satisfactory completed works of magnitude as specified below:

- i) **3 (Three)** similar works each cost not less than **40%** of the estimated cost put to Tender (i.e. Rs. 5,37,644/-) or **2 (two)** similar works each cost not less than **60%** of the estimated cost put to tender (i.e. Rs. 8,06,466/-) or **1 (one)** similar work costing not less than **80 %** of the estimated cost put to tender (i.e. Rs.10,75,288/-) (all figures rounded to nearest Rs.) in last **7 (seven)** years ending **31stMarch, 2025**. Similar nature of work means - *“Similar nature of work means - “Preparation of Detailed Project Report (DPR) by conducting field survey and hydro-meteorological data collection, analysis complete for Drainage Development Scheme or Pond Development Scheme including design of drainage channel, sluice gate, bank revetment works, preparation of working estimate and drawings or other relevant works etc.”*

An officer not below the rank of Executive Engineer / Project Manager or equivalent should issue the certificate for successful completion of work.

2. Agreement shall be drawn with the successful bidder on prescribed **Form No. CPWD 7/8** or other standard Form as mentioned which is available as a Govt. of India Publication and also

available on website www.cpwd.gov.in. Bidders shall quote his rates as per various terms and conditions of the said form which will form part of the agreement. The entire bidding document and all the relevant correspondences/ corrigendum issued will also be the part of the Agreement.

3. The time allowed for carrying out the work will be **180 (one hundred & eighty) days** which will be reckoned **from 10th day** from the Date of Issue of Letter of Acceptance.
4. The works are to be executed as per drawings attached and as per direction of Engineer-in-Charge. However, location and quantity of work may vary depending upon the site condition at the time of execution.
5. The tender document consisting of plans, specifications, the schedule of quantities of various class of work to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents except “Standard General Condition of Contract Form” can be seen & downloaded from website <http://eprocure.gov.in> free of cost.
6. Interested bidders who wish to participate in the bid have to also make the following payments within the due date:
 - i) **Earnest Money of Rs. 26,882.00** (Rupees Twenty-Six Thousand Eight Hundred & Eighty-Two) only in the form of Demand Draft / Fixed Deposit Receipt of a scheduled bank drawn in favour of in favour of Executive Engineer, Agartala Division, Brahmaputra Board, Agartala-02, Tripura payable at Agartala shall be scanned and uploaded to the e-Tendering website within the due date and time. The original EMD should be deposited by the bidders within the due date and time to the Executive Engineer, Agartala Division, Brahmaputra Board, Ramnagar Road No. 7, Agartala, Tripura, PIN-799002, India.
7. Copy of certificate of work experience and other documents as specified in the tender document for eligibility shall be scanned and uploaded to the e-tendering website within the period of tender submission. However, certified copy of all the scanned and uploaded documents as specified in tender document shall have to be submitted by the bidder physically in the office of tender opening authority within specified time as mentioned in Para 16 of Annexure 20A.13.2.

8. Online bid documents submitted by intending bidders shall be opened only of those bidders who's Earnest Money Deposit, and other documents are found in order. The Price bid submitted shall be opened in respect of eligible bidders fulfilling the eligibility criteria. The bid submitted may be treated invalid if-
- i) The bidder is found ineligible.
 - ii) The bidder does not upload all the documents as stipulated in the bid document.
 - iii) If any discrepancy is noticed between the documents as uploaded at the time of submission of bid and hard copies as submitted physically by the bidder in the office of tender opening authority.
9. GST on material, Royalty on forest produce, Purchase Tax, Turnover Tax, or any other tax and duty on materials/ work, as applicable, shall be paid by the contractor himself. The contractor shall quote his rates considering all such taxes. Payment towards EPF for continuation of Employee's Provident Fund etc. shall have to be borne by the Agency.
10. The bidder, whose tender is accepted, will be required to furnish "**PERFORMANCE GUARANTEE**" of **3% (Three Percent)** of the tendered amount / **5% (Five Percent)** of the tendered amount in case of claiming EMD relaxation within the period specified in the bid document. This guarantee shall be in the form of cash (in case guarantee amount is less than Rs. 10,000/-) or Demand Draft of any scheduled bank/ Pay order of any Scheduled Bank (in case guarantee amount is less than Rs. 1, 00, 000/-) or Government Securities or Fixed Deposit Receipts or Guarantee Bonds of any Scheduled Bank or the State Bank of India in accordance with the prescribed form. In case the contractor fails to deposit the said performance guarantee within the period as indicated in **Schedule 'F'**, including the extended period if any, the Earnest Money deposited by the bidder shall be forfeited automatically without serving any notice to the contractor. (Copy of Bank Guarantee Bond is enclosed).
11. Intending bidders are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their bids as to the nature of the water source, ground and sub- soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all

necessary information as to risks, contingencies and other circumstances which may influence or affect their bid. **The Brahmaputra Board must be informed prior to the visit to assist and provide understanding about the site and project.** The bidder shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a bid by a bidder implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plant, etc. will be issued to him by the Government and local conditions and other factors having a bearing on the execution of the work.

12. The competent authority on behalf of the Brahmaputra Board does not bind itself to accept the lowest or any other bid and reserves to itself the authority to reject any or all the tenders received without the assignment of any reason. All bids in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the bidder shall be summarily rejected.
13. Canvassing whether directly or indirectly, in connection with bidders is strictly prohibited and the bids submitted by the bidders who resort to canvassing will be liable for rejection.
14. The competent authority of Brahmaputra Board reserves the right to himself to accept the whole or any part of the bid and the bidder shall be bound to perform the same at the rate quoted.
15. The contractor shall not be permitted to bid for works in the Brahmaputra Board if his near relative is posted as a Divisional Accountant or as an officer in any capacity between the grades of General Manager and Junior Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any Gazetted Officer in the Brahmaputra Board or in the Ministry of Jal Shakti, DoWR, RD & GR, Government of India. Any breach of these conditions by the contractor would render ineligible for award of work / continuing with the work.
16. No Engineer of Gazetted rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of 1(one) year after his retirement from Government service, without the prior permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be

such a person who had not obtained the permission of the Government of India as previously mentioned before submission of the bid or engagement in the contractor's service.

17. The bid for the works shall remain open for acceptance for a period of **120 (one hundred & twenty)** days from the date of opening of Technical bids and **90 (ninety)** days from the date of opening of Financial Bid in case bids are invited on 2 bid system. If any bidder withdraws his bid before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the bid which are not acceptable to the department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said earnest money as aforesaid. Further the bidder shall not be allowed to participate in the re-bidding process of the work.
18. This notice-inviting bid shall form a part of the contract document. The successful bidder/ contractor, on acceptance of his bid by the Accepting Authority shall within 10 days from the stipulated date of start of the work, sign the contract consisting of:-
- a) The Notice Inviting bid, all the documents including additional conditions, specifications and drawings, if any, forming part of the bid as uploaded at the time of invitation of bid and the rates quoted online at the time of submission of the bid and acceptance thereof together with any correspondence leading thereto.
- b) Standard C.P.W.D. Form 7/8 and General Conditions of Contract and other standard forms mentioned which is part of uploaded tender document.

Item Rate Tender & Contract for Works

Tender for the work ***“Preparation of DPR for “Desilting of Baguwa Cherra from Satero Miar Howur to Manu River of Birchandra Nagar GP under Chandipur RD Block & Construction of Sluice Gate for regulating water flow from Satero Miar Howur to Manu River”.***

Bids to be submitted online by 1600 hours on 30-May-2026 at website <http://eprocure.gov.in>.

(i) **Technical Bid** will be opened in presence of the Executive Engineer, Agartala Division, Brahmaputra Board, Agartala online at 1630 hours on 02-June-2026 by authorized officers of Brahmaputra Board.

(ii) Summary of important dates is given in Sl. No. 16 of Annexure-20 A.13.2 under “Information and instructions for bidders for e-tendering forming part of bid document and to be posted on website.

TENDER

I/We have read and examined the Notice Inviting Tender, **Schedule A, B, C, D, E & F.** Specifications applicable, General Rules and Directions, Conditions of Contract, Clauses of Contract, Special Conditions, Schedule of Rate & other documents and Rules referred to in the conditions of contract and all other contents in the tender document for the work.

I/We hereby tender for the execution of the work specified for the Chairman, Brahmaputra Board within the time specified in **Schedule ‘F’**, viz., schedule of quantities and in accordance in all respects with the specifications and instructions in writing referred to in Rule-1 of General Rules and Directions and in Clause 11 of the Conditions of Contract and with such

materials as are provided for, by, and in respects in accordance with, such conditions so far as applicable.

I/We agree to keep the tender open for **90 (Ninety)** days from the due date of its opening of **Financial Bid** and not to make any modifications in its terms & conditions.

A sum of **Rs. 26,882.00** (Rupees Twenty-Six Thousand Eight Hundred & Eighty-Two) only is hereby deposited in the form of Demand draft/ Banker's Cheque / Fixed Deposit Receipt issued by a scheduled bank as Earnest Money Deposit (EMD). I / We agree that if I/We fail to furnish the prescribed "**PERFORMANCE GUARANTEE**" within the prescribed period, I agree that the Chairman, Brahmaputra Board or his successors in office, shall without prejudice to any other right or remedy, be at liberty to forfeit the said Earnest Money absolutely. Further, if I/ We fail to commence work as specified, I/We agree that Chairman, Brahmaputra Board or his successors in office shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the said **Earnest Money** and **Performance Guarantee** absolutely, otherwise the said **Earnest Money** shall be retained by him towards **Security Deposit** to execute all the works referred to in the tender documents upon the terms & conditions contained or referred to therein and to carry out such deviations as may be ordered, up to maximum of the percentage mentioned in schedule 'F' and those in excess of that limit at the rates to be determined in accordance with the provision contained in Clause 12.2 and 12.3 of the Standard CPWD contract Form. Further, I/ We agree that in case of forfeiture of **Earnest Money** or both **Earnest Money & Performance Guarantee** as previously mentioned, I/ We shall be debarred for participation in the re-tendering process of the work.

I/We undertake and confirm that eligible similar works(s) has/have not been got executed through another contractor on back-to-back basis. Further that, if such a violation comes to the notice of Department, then I/We shall be debarred for tendering in Brahmaputra Board in future forever. Also, if such a violation comes to the notice of Department before start of work, the Engineer-in- Charge shall be free to forfeit entire amount of **Earnest money Deposited/ Performance Guarantee**.

I/We hereby declare that I/We shall treat the tender documents, drawings and other records connected with the work as secret/confidential documents and shall not communicate information / derived there from to any person other than a person to whom I/We, am/are

authorized to communicate the same or use the information in any manner prejudicial to the safety of the state.

PERFORMA OF SCHEDULES

SCHEDULE 'A'

Schedule of quantities
As given in schedule of work/ BoQ (Part II)

SCHEDULE - 'B'

Schedule of materials to be issued to the contractor:

Sl. No	Description of item	Quantity	Rates in figures & words at which the material will be charged to the contractor	Place of issue
1	2	3	4	5
	NIL	NIL	NIL	NIL

SCHEDULE 'C'

Tools and plants to be hired to the contractor:

Sl. No.	Description	Hire charges per day	Place of issue
1	2	4	5
	NIL	NIL	NIL

SCHEDULE 'D'

TERMS OF REFERENCE

BROAD SCOPE OF WORK

The broad scope of the work involves:

- ❖ *Submission of "INCEPTION REPORT" consisting of A. Introduction (background, objectives, scope of Work, structure of Report etc.), B. Site Visit & Data Collection (Reconnaissance Survey, collection and review of available data, Schedule of Field Survey & Investigation etc.) C. Approach & Methodology (Preparation of Survey Report & Drawings, Compilation of Data / information, way to Hydrological Study, assessment of the problems, determination of measures, design of structures, cost estimation etc.) D. Activity Schedule & Deliverables (Schedule of works to be done with individual time lines, engagement of manpower etc.)*
- ❖ *Establishment of 1 (one) Musto type Bench Mark and 5 (five) Temporary Bench Marks at suitable locations covering the entire project area.*

- ❖ *Connection of established Bench Marks (both Musto & Temp BM) with the nearby GTS Bench Mark.*
- ❖ *Carrying out longitudinal river survey along the Baguwa Cherra from its origin at Satero Miar Howur to confluence with River Manu complete as directed.*
- ❖ *Taking Cross-Sections of Baguwa Cherra at regular intervals of 200 m. C/C along the entire length (approx. 5.0 Km.) from origin to confluence to get a clear idea of profile of the water way, proposed location of water regulating structure etc. complete as directed.*
- ❖ *Hydro Graphic Survey to depict the bed profile of the entire Sateo Miar Howur area (approx. 8.0 Sq.km.) to have a clear idea of area of water accumulation and its extent, height of accumulation etc. complete as directed.*
- ❖ *Preparation of Survey Report & Drawings using latest version of computer applications like GIS Tools /AutoCAD etc. as per CWC'S guidelines.*
- ❖ *Soil Survey & Investigation (including direct shear test, mechanical analysis for grain size of soil etc. complete) at 2 (two) locations near the proposed location of water regulators / sluice gate for regulating the water flow from Satero Miar Howur to River Manu.*
- ❖ *Data / information collection from different agencies and compiling, computing and analyzing the same for hydrological analysis, design purposes and ultimately on the basis of the findings of the above mentioned Survey & Investigation a Detailed Project Report (DPR) is to be prepared. The Detailed Project Report (DPR) should have specific and actionable recommendations for mitigating the problem of drainage congestion of Satero Miar Howur by increasing water carrying capacity of Baguwa Cherra, proposing water regulators to regulate the flow from Bawuwa Cherra to river Manu, Bank protection works in U/Stream & D/Stream of proposed Regulator etc. along with design, drawings, working estimate etc. in complete so that it can be directly picked up and submitted to the Government or any other Agency for its implementation thereof.*

A. Site information

Brief Description of the Project Area

Satero Miar Howur is situated in the northern part of Tripura State. It is located in the Left side of river Manu of Birchandra Nagar G.P. under Chandipur R.D. Block within Unakoti District of Tripura.

Satero Miar Howur is a low-lying vast land / water body which gets inundated in every monsoon season being within in flood prone area. There is only one natural outlet namely Baguwa Cherra which discharges the flood water from the howur to River Manu. The distance from the origin of Baguwa Cherra to its confluence with River Manu is almost 5.0 Km.

Due to the heavy siltation presently the water carrying capacity of Baguwa Cherra decreased significantly and cannot discharge the flood water from the howur to Manu river properly. Resulting a stagnation of flood water in Howur area during the monsoon season affecting the livelihood and agricultural land within the vicinity of Satero Miar Howur.

Location Information:

Approach to site :

I. Accessibility:- Entire Project Area is lying within Unakoti District of Tripura and within 1 hour journey from the District Headquarter Kaisashahar.lghati. Theproject sites are easily accessible through motor able roads.

II. Camping area:- As the Project area lies within an hour journey from Kailashahar Town, District Headquarter of Unakoti District of Tripura, hence, camping should not be an issue during execution of the work.

III. Climatic condition:- The Engineer-in-charge may order the contractor to suspend any work that may be subject to damage by climatic condition.

B. Precautions-

1. Survey data:- At the bank lines RLs may be required to be picked up at closer intervals. Base line is also required to be marked at ground.
2. Levels:- All levels should be connected to GTS Bench Mark.

C. Methodology:-

1. Vertical control: - Level should be transferred from nearest GTS BM of Survey of India and have a minimum accuracy of 5 mm.
2. Reports and Maps: - All drawings and maps etc. should be prepared using GIS tools /in Auto CAD following the CWC's Guidelines. Scale should be mentioned in separate box.
3. Both **Soft** and **Hard** copies {in 15 (fifteen) sets} of completed Detailed Project Report (DPR) comprising of all field survey drawings / maps, collected data & its analysis, Working Estimate of each locations along with design and drawings complete are to be submitted to the Board.
4. Reference points and BM should be marked in the survey map with respect to their ground position.

- (v) Department Brahmaputra Board
- (vi) Standard CPWD contract Form CPWD form 7/8 as modified & corrected up to latest amendments.

Clause 1

- i) Time allowed for completion of all the formalities like submission of Performance Guarantee/Bank Guarantee then signing of Contract Agreement (after getting Letter of Award) from the date of issue of **letter of acceptance**, in days : 15 (Fifteen) days
- ii) Maximum allowable extension beyond the period provided in (i) above in days : 07 (Seven) days

Clause 2

Authority for fixing compensation under clause -2 : Deputy Chief Engineer, Regional Office-Tripura, Brahmaputra Board, Ramnagar-7, Agartala-799002, Tripura

Clause 2A

Whether Clause 2A shall be applicable : No

Clause 5

Number of days from the date of issue of **Letter of Acceptance (LOA)** for reckoning "Date of Commencement" :10 (ten) days

Mile stone(s) as per table given below:
Table of Mile Stone(s)

Sl. No.	Description of Mile Stone (Physical)	Time Allowed in days (from date of start)	Amount to be withheld in case of non achievement of milestone
1	Submission of "INCEPTION REPORT" by the Consultant to Brahmaputra Board	10 days	
2	Compliance of Comments (if any) for its subsequent Acceptance by Brahmaputra Board	10 days	

Sl. No.	Description of Mile Stone (Physical)	Time Allowed in days (from date of start)	Amount to be withheld in case of non achievement of milestone
3	Establishment & Connection of Permanent and Temporary BM to the GTS BM and Carrying out of Field Survey (longitudinal, C/Sections & Hydro graphic survey) including Preparation & Submission of "SURVEY REPORT and DRAWINGS to Brahmaputra Board"	25 days	1% of the tendered value of work will be withheld for failure of each milestone
4	Compliance of Comments (if any) for its subsequent Acceptance by Brahmaputra Board	10 days	
5	Completion of Soil Survey and Investigation & Submission of Reports to Brahmaputra Board	10 days	
6	Data Collection, Compilation, Hydrological Study, Cost Estimation & Submission of Final DPR to Brahmaputra Board	45 days	
7	Compliance of Comments / observations (if any) for its Acceptance by Brahmaputra Board for its onward submission to CWC for according Techno-Economic Appraisal.	25 days	
8	Compliance of Comments / observations (if any) raised by CWC for According Techno-Economic Appraisal.	45 days	
	Total	180 days	

TERMS OF PAYMENT

Sl. No.	Achievement of Mile Stone (Physical Progress)	Payment to be made
1	Submission of "INCEPTION REPORT" by the Consultant to Brahmaputra Board	40 % OF WORK ORDER VALUE
2	Compliance of Comments (if any) for its subsequent Acceptance by Brahmaputra Board	
3	Establishment & Connection of Permanent and Temporary BM to the GTS BM and Carrying out of Field Survey (longitudinal, C/Sections & Hydro graphic survey) including Preparation & Submission of "SURVEY REPORT and DRAWINGS to Brahmaputra Board"	
4	Compliance of Comments (if any) for its subsequent Acceptance by Brahmaputra Board	
5	Completion of Soil Survey and Investigation & Submission of Reports to Brahmaputra Board	
6	Data Collection, Compilation, Hydrological Study, Cost Estimation & Submission of Final DPR to Brahmaputra Board	
7	Compliance of Comments / observations (if any) for its Acceptance by Brahmaputra Board for its onward submission to CWC for according Techno-Economic Appraisal.	

8	Compliance of Comments / observations (if any) raised by CWC for According Techno-Economic Appraisal.	60 % OF WORK ORDER VALUE
	Total	100 % OF WORK ORDER VALUE

Time allowed for execution of work : 180 (One hundred & eighty) days.

Authority to give fair & reasonable extension of time for completion of work : Dy. Chief Engineer, Regional Office Tripura, Brahmaputra Board, Ramnagar-7, Agartala-799002, Tripura

Clause 7

Gross work to be done together with net payment/ adjustment of advances for material collected, if any, since the last such payment for being eligible to interim payment : Half the average monthly value of contract i.e. Contract Value divided by stipulated period in months.

Clause 10 B (ii)

Whether Clause 10 B (ii) shall be applicable : No

Clause 10 C A : Stands deleted

Materials covered under this clause	Nearest material for which All India Wholesale Price Index is to be followed
1.
2.
3.

Clause 10 CC : Stands deleted

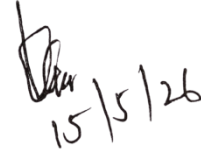

Clause 10 CC to be applicable in contracts with stipulated period of completion exceeding the period shown in next column : months

Clause 11

Specifications to be followed for execution of work : As per PWD (Water Resources), Government of Tripura.

Clause 12

12.2 & 12.3 Deviation Limit beyond which clauses 12.2
& 12.3 shall apply for the work : 100%

Handwritten signature and date: 15/5/26

SECTION - IV

BRIEF PARTICULARS OF THE WORK

1. Salient details of work for which bids are invited are as under

Sl. No	Name of work	Location	Estimated Value in Rs.	Earnest Money in Rs.	Cost of Tender Paper in Rs.	Time of Completion (Days)
1	2	3	4	5	6	7
1.	“Preparation of DPR for “Desilting of Baguwa Cherra from Satero Miar Howur to Manu River of Birchandra Nagar GP under Chandipur RD Block & Construction of Sluice Gate for regulating water flow from Satero Miar Howur to Manu River”.	Within Birchandra Nagar G.P. under Chandipur R.D. Block of Unakoti District of	13,44,110.00	26,882.00	0.00	180 (One hundred & eighty) days

- The work site lies within Birchandra Nagar GP under Chandipur R.D. Block of Unakoti District of Tripura.
- General features and major components of the work are as under
 - Establishment of Musto Type BM & Temporary BM and its connection to GTS BM
 - Detailed Field Survey and Investigations including Longitudinal River Survey, River Cross Section Survey Of Baguwa Cherra & Hydro Graphic Survey of Satero Miar Howur.
 - Submission of Survey Report & Drawing using GIS Tools / Auto CAD with updated software applications.
 - Preparation & Submission of Detailed Project Report (DPR).
 - Both **Soft** and **Hard** copies {in 15 (fifteen) sets} of completed Detailed Project Report (DPR)
- The Detailed Project Report (DPR) should be prepared following the latest CWC’s “Guidelines”.
- Work shall be executed according to General Conditions of Contract for CPWD Works

SPECIFICATION OF WORKS AND MODE OF PAYMENTS

SECTION-VII

SPECIAL CONDITONS FOR SURVEY WORK

1. The details of "Terms of Payment" is shown in SCHEDULE - F above.
2. Contractor or his authorized agent will have to remain present during recording of initial and final measurement and shall have to sign the same in the M.B./S.M.B. as a token of his acceptance of the levels / measurements. No survey work should be done before recording of the initial measurement.
3. If the contractor fails to attend measurement in spite of written notice issued to him by the Asstt. Ex. Engineer or Executive Engineer, measurement will be recorded in his absence and the contractor shall have no complain whatsoever on it.
4. Any work executed by the contractor before signing of the formal tender agreement and before recording of initial measurement, shall be declared as unauthorized and no payment will be entertained by the Department for such works.
5. The contractor should aware of line of survey work and it should be obstruction-free for at least 50m.
6. Local people should be engaged in the work as far as possible.
7. The contractor has to arrange the tents or houses for the survey works.
8. Necessary arrangements for bamboo pegs, jute string, coir string etc. required for profiles will be made by the contractor at his own cost.
9. The survey works to be done by Total Station/ GPS/ GDPS and echo-sounder etc.
10. The GST charges and escalation charges may be added by the contractor, provided overall cost of the works is not exceeded.
11. Necessary compensations made by the contractor with other works in progress at the time of survey works with the Department should not be included in the bill for reimbursement.
12. Any maintenance required in hired buildings/rented house will be borne by the contractor.
13. The contractor should keep the Bench Marks (BM) in well-defined permanent structures (Musto type & Temporary Bench Mark) in consultation with the AEE concerned.
14. All items in Schedule of quantity are consolidated items of works inclusive of all consumable materials cost, labours, tools and tackles etc. All rate quoted by the contractor will be inclusive of labour, all consumable materials cost, tools and tackles, including all taxes etc.
15. If situation demands, the printed challans in a book form with numbering will be arranged by the contractor for transport of materials necessary for the work from the stacking yard to actual place of utilization as per direction of the Engineer-in-Charge (EIC).
16. There is likelihood that some other works may also be under execution simultaneously by other agencies in the adjoining area. The contractor shall execute the works without causing any hindrance/ disruption to such works.
17. The contractor shall intimate the EIC about the number of labourers engaged daily for execution of the work. A register will be maintained by him for this purpose. He shall

arrange the labourers in such a way so as to complete the works within the stipulated time.

18. The contractor is sole responsible for watch and ward of the materials necessary for the work till completion and handing over of the site to the Department. For any loss, theft or damage of survey or other instruments under custody during execution of the work, The contractor is liable to make up for such loss as deemed fit by the Department.
19. Engineer- in- Charge or his authorised representative shall check the works from time to time. Observations regarding defects communicated by him, if any, will be removed/ rectified by the contractor for which no extra claim shall be entertaining any shape.
20. In case situation demands, the EIC has the right to review the situation as regards to possibility of execution of works or otherwise. In case it is not possible to execute the works, necessary instructions will be issued by the Department to temporarily/ permanently close the works, which will be binding on the contractor and no claim whatsoever for sudden suspension/ closure of works will be admissible.
21. The Department shall deduct Security Deposit @10% (2% EMD + 3% BG + 5% SD) of Running Account bill value, Income Tax, /GST and Labour Welfare Cess or any other prevailing tax at the time of releasing payment of interim bills/ final bill in accordance with prevailing Government rules.

22. Accidents

- (i) It shall be the responsibility of the contractor to protect against accidents on the works and the workers engaged by him in the works. He shall indemnify the Department against any claim for damage or for any injury to persons or property resulting from and in the course of works and also under the provision of the Workman's Compensation Act.
- (ii) On the occurrence of an accident arising out of the work which results in death or which is so serious as to be likely to result in death, the contractor shall within 24(twenty four) hours of such accident, report in writing to the Engineer-in-charge and District Labour Officer stating the facts clearly and in sufficient the circumstances of sketch accident and the subsequent action. All other accidents on the works involving injuries to persons or damage to property other than that of contractor shall be promptly reported to the Engineer-in-charge and the District Labour Officer stating clearly and in sufficient details the facts and circumstances of the accidents and the action taken.
- (iii) In all cases, the contractor shall indemnify the Department against the contractor's failure to report in the matter aforesaid. This includes penalties or fines, if any, payable by the Government because of failure to give notice under the Workmen's Compensation Act or failure to conform to the provisions of the said Act in regard to such accidents. In the event of an accident in respect of which compensation may become payable under the Workman's Compensation Act-VIII of 1923 including all modifications thereof whether such compensation may become payable by the contractor, the Engineer-in charge may retain payment due to the contractor such sum or sums of moneys as may in the opinion of the Engineer-in-charge be sufficient to meet such liabilities. On receipt of award from the Labour commissioner in respect of quantum of compensation, the difference of amount be adjusted.

23. Supervision of Works

The contractor either shall himself supervise the execution of the works or shall appoint the competent Engineer approved by the Engineer-in-charge to Act on his behalf. If in the opinion of the EIC the contractor has himself no sufficient knowledge and experience of receiving instructions, cannot give full attention to the works, or fails to appoint a suitable qualified engineer, the EIC will suspend the work till a suitable agent/ engineer is appointed and the contractor will not get any compensation for this.

24. Inspection of Works

The contractor shall inform the Engineer-in charge in writing when any portion of the work is ready for inspection giving him sufficient notice to enable to inspect the same without affecting the further progress of the work. The work shall not be considered to have been completed in accordance with the terms of contract until the Engineer-in-charge shall have certified in writing to that effect.

25. Mode of Payment

The part payment may be released as per the timely Physical Progress of the work as shown in the "**Table of Milestone(s)**". The Brahmaputra Board reserves the rights to release the **Final Payment** as well as **Security Deposit** after the approval of Detailed Project Report (DPR) by the Appraisal Authority of Brahmaputra Board.

26. Compensation for Delay

If the Central / State Public Sector Undertaking (PSU), Specialized Agencies or Institutions (including Government / Semi-Government /Non-Government agencies, Universities and Professional Institutions fails to render services on or before the specified deadline (As mutually agreed by both parties) and such delay is solely attributable to the Central / State Public Sector Undertaking (PSU), Specialized Agencies or Institutions(including Government / Semi-Government /Non-Government agencies, Universities and Professional Institutions, without prejudice to any other right or remedy of Brahmaputra Board on account of such delay, Central / State Public Sector Undertaking (PSU), Specialized Agencies or Institutions(including Government / Semi-Government /Non-Government agencies, Universities and Professional Institutions shall pay compensation at the rate of 2% (two percent) per month or part thereof of total fees for that specified activities. Provided always that total amount of such compensation shall not exceed 10% (ten percent) of Contract Price including any additions & / or deletions thereto.

15/5/26

Executive Engineer
Agartala Division, Brahmaputra Board
Ramnagar – 7, Agartala, Tripura

e-mail id :agartaladivisionbb@gmail.com

ADDITIONAL TERMS & CONDITIONS:

- 1) All items in schedule of quantity are consolidated items of works inclusive of all consumable material cost, labours, tools, software, hardware & equipments etc. All rate quoted by the contractor will be inclusive of labour, all consumable material cost, tools & equipments, accommodation including all taxes etc.
- 2) If situation demands, the printed challans in a book form with numbering will be arranged by the contractor for transport of materials necessary for the work from the stack yard to the actual place of utilization as per direction of the Engineer-in-Charge.
- 3) There is likelihood that some other works may also be under execution simultaneously by other agencies in the adjoining area. The contractor shall carry out the works without causing any hindrance/ disruption to such works.
- 4) (a) The contractor shall intimate the Engineer-In-Charge (EIC) about the number of labourer and number & type of equipments engaged daily for execution of the work. Two registers will be maintained by him for this purpose. He shall arrange the labourers in such a way so as to complete the works within the stipulated time.
(b) As the work will be executed in different locations, the contractor shall submit detailed intimation to the Engineer-in-Charge before starting the work at a new location furnishing the date from which he wants to start the work at that location. The work at the new location will be taken up with the consent of EIC.
- 5) The contractor is solely responsible for watch and ward of the machineries/equipments etc. necessary for the work till completion. For any loss, theft or damage of machineries/equipments under custody during the course of execution of the work, the contractor will be fully responsible.
- 6) The contractor shall draw the materials from the departmental store / stack yard being fully satisfied regarding the specifications and quantity of materials failing which no claim in any shape shall be entertained. Departmental materials shall be issued to the contractor depending upon the availability in the Departmental store. The contractor shall remain responsible for the proper storage and safe custody of such materials received from the department.
- 7) Engineer-in-charge or his authorized representative shall check the quality of the works from time to time. Observations regarding defects communicated by him, if any, will be rectified by the contractor for which no extra claim shall be entertained in any shape.
- 8) In case situation demands, the EIC has the right to review the situation. In case it is not possible to execute the works, necessary instructions will be issued by the Department to temporarily/ permanently close the works, which will be binding on the contractor and no claim whatsoever for sudden suspension/ closure of works will be admissible.
- 9) The nature of the work warrants that the work may need to be executed in parts extending over a period beyond the stipulated time frame. Accordingly, the work may be awarded in parts as per necessity and the bidder has to execute it accordingly. The bidder is advised to keep this factor in mind while quoting rates for the work.

- 10) All materials brought to the site must be subject to approval of the Engineer-in-Charge or his authorized representative. Rejected materials must be removed by the contractor at his own cost from the site within 24 hours of the issue of order to that effect. In case of non-compliance with such orders, the Engineer in Charge (EIC) shall have the authority to cause such removal at the cost and expenses of the contractor and the contractor shall not be entitled to any loss or damage on this account.
- 11) The Department shall deduct **Security Deposit @10%** (2% EMD + 3% BG + 5% SD) of Running Account Bill value, **Income Tax @ 2%** and **GST @ 2%** and or any other prevailing tax as per norms at the time of releasing payment of interim bills/ final bill.
- 12) **Leviable Charges :** The following charges, where leviable are payable by the contractor :
- a. Forest Department Road toll for materials transported through forest department road.
 - b. Forest Royalty / Monopoly on all forest produce used like earth, soil, coarse aggregate, sand, etc. It is the contractor's responsibility to arrange for permit of earth, soil, coarse aggregate, sand and other required materials and make payment for royalties for those. Brahmaputra Board may however help in arranging the permit if it is a government quarry / government land, but contractor will have to pay the royalties as required.
 - c. Demurrages of whatever, if so levied due to contractor's fault.
 - d. Compensation for damage, use or appropriation of private property. Such charges, if any, will be recovered by Brahmaputra Board from the contractor and will be paid to the department concerned.
 - e. Any changes in rates of Forest Royalty / Monopoly, GST etc. during the tenure of the work will be borne by the contractor.
- 13) **Accident :**
- (i) It shall be the responsibility of the contractor to protect against accidents on the works and the workmen engaged by him in the works. He shall indemnify the Department against any claim for damage or for any injury to persons or property resulting from and in the course of works and also under the provision of the Workman's Compensation Act.
 - (ii) On the occurrence of an accident arising out of the work which results in death or which is so serious as to be likely to result in death, the contractor shall within 24 (twenty four) hours of such accident, report in writing, to the Engineer-in-Charge and District Labour Officer stating the facts clearly and in sufficient the circumstances of such accident and the subsequent action. All other accidents on the works involving injuries to persons or damage to property other than that of contractor shall be promptly reported to the Engineer-in-Charge and the District Labour Officer stating clearly and in sufficient details the facts and circumstances of the accidents and the action taken.

- (iii) In all cases, the contractor shall indemnify the Department against the contractor's failure to report in the matter aforesaid. This includes penalties or fines, if any, payable by the Govt. as a consequence of failure to give notice under the Workmen's Compensation Act or failure to conform to the provisions of the said Act in regard to such accidents. In the event of an accident in respect of which compensation may become payable under the Workman's Compensation Act-VIII of 1923 including all modifications thereof whether such compensation may become payable by the contractor, the Engineer-in-Charge may retain payment due to the contractor such sum or sums of moneys as may in the opinion of the Engineer-in-Charge be sufficient to meet such liabilities. On receipt of award from the Labour Commissioner in respect of quantum of compensation, the difference of amount shall be adjusted.

D-3 SUPERVISION, INSPECTION OF WORKS AND QUALITY CONTROL

The contractor shall either himself supervise the execution of the works or shall appoint the competent Engineer approved by the EIC, to act on his behalf. If in the opinion of the EIC, the contractor has himself no sufficient knowledge and experience to receive instructions or cannot give full attention to the works or fails to appoint a suitable qualified Engineer, the EIC will suspend the work till a suitable agent/Engineer is appointed and contractor will not get any compensation for this.

Inspection of works

The contractor shall inform the EIC in writing when any portion of the work is ready for inspection giving him sufficient notice to enable him to inspect the same without effecting the further progress of the work. The work shall not be considered to have been completed in accordance to the terms of the contract until the EIC have certified in writing to that effect. Approval of materials of workmanship or approval of part of the work during the progress of execution shall not bind the EIC or in any way affect him even to reject the work which is alleged to be completed and suspend the issue of his certificate of completion until such alterations and modifications or reconstruction's have been affected the cost of the contractor as shall enable him to certify that the work has been completed to his satisfactions. The contractor shall provide at his own cost necessary ladder/ boat and such arrangement as to provide necessary facilities and assistance for proper inspection of all parts of the works at his own cost.

Quality assurance

All materials to be used on the work shall be got approved in advance from the EIC and shall pass the test or analysis required by him which will be:

- a) As specified in the specification for the items.
- b) ISI specification for the items.
- c) Such recognized specification acceptable to EIC as equivalent thereto or in absence of such authorized specification such requirement test and /or analysis may be specified by the EIC in order of precedence given above.

- d) The contractor shall at his risk and cost make all arrangement/ or shall provide for all such facilities as the EIC may require for collecting, preparing required number of samples for test or analysis at such time and to such places as may be directed by EIC and their all such charges. Such samples shall also be deposited with the EIC.
- e) The contractor shall, if any when required, submit at his cost the samples of the materials to be tested or analyzed or if so directed, shall not make use of incorporate in the works any material to be represented by the samples until the required test/ analysis have been made and the materials finally accepted by the EIC.
- f) The contractor shall not be eligible for any claim or compensation either arising out any delay in the work or due to any corrective measure required to be taken on account of and as a result of testing of the materials.
- g) In case of materials procured by the contractor, testing as required by the codes and specification shall be arranged by him at his own cost. Testing shall be done in presence of authorized representative of EIC at the nearest approved laboratory.

INTEGRITY PACT

To,

The Executive Engineer,
Agartala Division, Brahmaputra Board
Ramnagar-7, Agartala, Tripura, PIN-799002.

Sub: Submission of Tender for the Work ***“Preparation of DPR for Desilting of Baguwa Cherra from Satero Miar Howur to Manu River of Birchandra Nagar GP under Chandipur RD Block & Construction of Sluice Gate for regulating water flow from Satero Miar Howur to Manu River.”***

Dear Sir,

I/We acknowledge that Brahmaputra Board is committed to follow the principles thereof as enumerated in the Integrity Agreement enclosed with the tender/bid document.

I/We agree that the Notice Inviting Tender (NIT) is an invitation to offer made on the condition that I/We will sign the enclosed Integrity Agreement, which is an integral part of tender documents, failing which I/We will stand disqualified from the tendering process. I/We acknowledge that **THE MAKING OF THE BID SHALL BE REGARDED AS AN UNCONDITIONAL AND ABSOLUTE ACCEPTANCE** of this condition of the NIT.

I/We confirm acceptance and compliance with the Integrity Agreement in letter and spirit and further agree that execution of the said Integrity Agreement shall be separate and distinct from the main contract, which will come into existence when tender/bid is finally accepted by. I/We acknowledge and accept the duration of the Integrity Agreement, which shall be in the line with Article 1 of the enclosed Integrity Agreement.

I/We acknowledge that in the event of my/our failure to sign and accept the Integrity Agreement, while submitting the tender/bid, Brahmaputra Board shall have unqualified, absolute and unfettered right to disqualify the tenderer/bidder and reject the tender/bid in accordance with terms and conditions of the tender/bid.

Yours faithfully,

(Duly authorized signatory of the Bidder)

To,

The Executive Engineer,
Agartala Division,
Brahmaputra Board,
Agartala-799002, Tripura.

To be signed by the bidder and same signatory competent / authorized to sign the relevant contract on behalf of Brahmaputra Board

INTEGRITY AGREEMENT

This Integrity Agreement is made at _____ on this _____ day of 2026.....

BETWEEN

Chairman, Brahmaputra Board represented through the Executive Engineer, Agartala Division, Brahmaputra Board, Agartala-799002 (Hereinafter referred as the '**Principal/Owner**', which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns).

AND

(Name and Address of the Individual/firm/Company)

Through _____ (details of duly authorized signatory) (Hereinafter referred to as the "**Bidder/Contractor**" and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns) **Preamble**

WHEREAS the Principal / Owner has floated the Tender (**NIT No. BB/EE/AD/T-61/2025-26/01 Dt. 15/05/2026**) (hereinafter referred to as "**Tender/Bid**") and intends to award, under laid down organizational procedure contract for "**Preparation of DPR for Desilting of Baguwa Cherra from Satero Miar Howur to Manu River of Birchandra Nagar GP under Chandipur RD Block & Construction of Sluice Gate for regulating water flow from Satero Miar Howur to Manu River**" here in after referred to as the "**Contract**"

AND WHEREAS the Principal/Owner values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Contractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as "**Integrity Pact**" or "**Pact**"), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:

Article 1: Commitment of the Principal/Owner

- 1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:
 - (a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
 - (b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process,

provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.

- (c) The Principal/Owner shall endeavor to exclude from the Tender process any person, whose conduct in the past has been of biased nature.
- 2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Contractor(s)

- 1) It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the Government / Department all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.
- 2) The Bidder(s)/Contractor(s) commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution.
 - a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract/
 - b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
 - c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
 - d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly Bidder(s)/ Contractor(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.
 - e) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose (with each tender as per format enclosed) any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.

- 3) The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- 4) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the Government interests.
- 5) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/ her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the Bidder/ Contractor accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

- 1) If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.
- 2) **Forfeiture of EMD/Performance Guarantee/Security Deposit:**
If the Principal/Owner has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/ determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/ Contractor.
- 3) **Criminal Liability:**
If the Principal/Owner obtains knowledge of conduct of a Bidder or Contractor, or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of Indian Penal code (IPC)/Prevention of Corruption Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

- 1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with

Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.

- 2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Contractor as deemed fit by the Principal/ Owner.
- 3) If the Bidder/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors

- 1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Subcontractors/sub-vendors.
- 2) The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Contractors.
- 3) The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the Principal/Owner and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6- Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires for the Contractor/Vendor 12 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded. If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, Brahmputra Board.

Article 7- Other Provisions

- 1) This Pact is subject to Indian Law, place of performance and jurisdiction is the Head quarters of the Division of the Principal/Owner, who has floated the Tender.
- 2) Changes and supplements need to be made in writing. Side agreements have not been made.
- 3) If the Contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
- 4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- 5) It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

Article 8- LEGAL AND PRIOR RIGHTS

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.

IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first above mentioned in the presence of following witnesses:

.....
(For and on behalf of **Principal/Owner**)

.....
(For and on behalf of **Bidder/Contractor**)

FORM OF PERFORMANCE GUARANTEE/ BANK GUARANTEE BOND

[Refer para 7 of NIT-CPWD-6]

In consideration of the president of India (hereinafter called "The Government") having offered to accept the terms and conditions of the proposed agreement between and (hereinafter..... the said contractor(s)" for the work (hereinafter called "the said contractor(s)" for the work.....(hereinafter called "the said agreement" having agreed to production of an irrevocable Bank Guarantee for `..... (Rupeesonly) as a security / guarantee from the contractor(s) for compliance of his obligations in accordance with the terms and conditions in the said agreement.

1. We (Hereinafter referred to as the "Bank") hereby undertake to (indicate the name of the Bank). Pay to the Government an amount not exceeding **Rs.....**(Rupees.....only) on demand by the Government.
2. Wedo hereby undertake to pay the amounts due and payable (indicate the name of the Bank) under this Guarantee without any demur, merely on a demand from the Government stating that the amount claimed is required to meet the recoveries due or likely to be due from the said contractor(s). Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this Guarantee. However, our liability under this Guarantee shall be restricted to an amount not exceeding Rs.....(Rupees.....only).
3. We, the said Bank, further undertake to pay to the Government any money so demanded notwithstanding any dispute or disputes raised by the contractor(s) in any suit or proceeding pending before any Court or Tribunal relating thereto, our liability under this present being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment there under, and the contractor(s) shall have no claim against us for making such payment.
4. We further agree that the Guarantee herein contained shall (indicate the name of the Bank) remain in full force and effect during the period that would be taken for the performance of the said agreement, and it shall continue to be enforceable till all the dues of the Government under or by virtue of the said agreement have been fully paid, and its claims satisfied or discharged, or till the Engineer-in-Charge on behalf of the Government, certifies that the terms and conditions of the said agreement have been full and properly carried out by the said contractor(s), and accordingly discharges this guarantee.

5. We further agree with the Government that the Government (indicate the name of the Bank) shall have the fullest liberty without our consent, and without effecting in any manner our obligations hereunder, to vary any of the terms and conditions of the said agreement or to extend time to time of performance by the said contractor(s) from time to time or to postpone for any time or from to time any of the powers exercisable by the Government against the said contractor(s), and to forbear or enforce any of the terms and conditions relating to the said agreement, and we shall not be relieved from our liability by reason of any such variation or extension being granted to the said contractor(s) or for any forbearance, act of omission on the part of the Government or any indulgence by the Government to the said contractor(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

6. The Guarantee will not be discharged due to the change in the constitution of the Bank or the contractor(s).

7. We lastly undertake not to revoke this Guarantee except with (indicate the name of the Bank) the previous consent of the Government in writing.

8. This Guarantee shall be valid up to unless extended on demand by the Government. Notwithstanding anything mentioned above, our liability against this Guarantee is restricted to Rs. (Rupeesonly), and unless a claim in writing is lodged with us within six months of the date of expiry or extended date of expiry of this Guarantee all our liabilities under this Guarantee shall stand discharged.

9. Dated theday of for.....

SPECIAL CONDITIONS OF CONTRACT

(1) Start of work to be notified:

The contractor will notify the Engineer-in-charge in writing about his intention to start any item of work. The item of work will be taken up with the consent of the Engineer-in-Charge who will verify whether there is enough stock of materials and other inputs/ machineries required for the item of work.

(2) Use of Construction facilities:

It is possible that other works at or in the vicinity of the site will be performed by the department or by other contractor during the period of time allowed for the performance of the work under these specifications. The contractor shall permit full use, (without charge thereof) by the department and or other contractors, of roads, bridges, foot bridges, lighting and such other facilities constructed by the contractor for use in the performance of the contract without direct additional cost to the contract.

(3) Climatic conditions:

The Engineer-in-charge may order the contractor to suspend any work that may be subject to damage by climatic condition.

(4) Right of way:

The site for the installation of machinery or the right of way for the works to be constructed under this contract and for necessary stacking site, borrow pits, channels, spoil banks, ditches, roads etc, will be arranged by the contractor after consultations with the department.

(5) Date to be furnished by the contractor:-

The contractor shall submit the following information to the Engineer-in-charge(Executive Engineer), Agartala Division, Brahmaputra Board, Agartala, Tripura within the period specified in each case.

The proposed work program and time schedule showing sequence of operations within 10 days after the date of receipt of notice to proceed with the work (formal work order).

(6) Leviable charges: Charges leviable will be as per Central Government financial Rules applicable under the contract.

- (7) Unless otherwise specified, all tender item rates are inclusive of the supply of materials and all handling and transport charges to work.
- (8) When the Engineer-in-Charge accepts a power of attorney executed by a contractor as conferring authority on a bank to receive payment on his behalf, all payment under the contract may be made direct to the bank. On contractor's own acceptance of the correctness of the amount made out as being due to him by the Department, but in case of dispute between the contractor and the bank all dues to the contractor will be kept in deposit till the contractor and the bank (through an authorized agent) arrive at an amicable settlement or either party established its claim by recourse of law.
- (9) Measurements:
Measurements of the work are as described in Broad Scope of work under Schedule-D of the NIT.
- (10)
- (a) The contractor shall construct suitable go-down, stacking site at the site of work for storing the equipment /materials safe against damage of sun, rain, dampness, fire, theft etc, at his own cost.
- (b) The contractor shall also employ necessary watch and ward establishment for the purpose at his own cost.
- (11) Supply of machinery: The Department for the execution of the work will normally supply no tools and plants/machineries. In case any T&P is available and is given to the contractor, necessary hire charges will be recovered from the running bills as per rates fixed by the Department.
- (12) The contractor must not sublet the work or any part of the work without the permission of the Competent Authority of Brahmaputra Board.
- (13) No labourer under 18(eighteen) years of age shall be employed for the work and all labourers employed shall be paid at rates not less than generally paid for similar work in the neighbourhood and as per minimum wage circular of the labour concerned state laour Department, Labour license shall be obtained by the contractor from the competent authority.
- (14) Labourer engaged by the contractor for unskilled/semi skilled should invariably be local people, wherever such people are available.
- (15) All works shall have to be carried out as per specification in schedules of rates, relevant IS specification and technical specification covered in the tender. In case of

any variation or contradiction between specifications referred to above, the decision of the Chairman, Brahmaputra Board shall be applicable.

- (16) The contractor shall provide for necessary insurance as per workman compensation Act and also provide for 3rd party insurance risks.
- (17) The water and electricity required for their own purpose shall be arranged by the contractor.
- (18) Price variation:
The accepted tender rate/L.S. price shall remain firm for the entire period of construction and no price variation will be allowed even if there is change in labour wages, P.O.L. and cost of living index during entire period.
- (19) Any work executed by the Contractor before signing formal tender agreement, shall be declared as unauthorized and the Department for such works will entertain no payment.
- (20) The Contractor should aware of area and scope of work and should be made the area of interest obstruction free.
- (21) Local flood effected people should be engaged appropriately as far as possible.
- (22) The Contractor has to arrange necessary tents/ house for staying of the field staffs.
- (23) Necessary arrangement for pegs, demarcation pillars and other implements required for the work has to be arranged by the Contractor.
- (24) Any maintenance required in hiring buildings/ rented house will be borne by the Contractor.
- (25) Necessary compensations made by the contractor with other works in progress at the time of execution of the works with the Department should not be included in the bill for reimbursement.
- (26) Necessary Forest Royalty, levies etc. should be borne by the Contractor.
- (27) If disputes arise, the dispute redressed procedure will be as per Clause 25 of CPWD form 7/8 as modified and enclosed in the tender document.
