The signing of agreement of any contract work will be sole responsibility of technical authority i.e EE/AE, however the clauses 7 &9 of the General Condition of Contract (GCC)-2014 will be the absolute responsibility of respective DDOs (i.e. NCDDOs) after receiving the pass order from the concerned Executive Engineer of BSF. Thereafter the necessary action will be taken by the NCDDO (DDO) for the release of payment of payments to the contractor through the CDDO (PAD). PAD is the payment authority for releasing of payment authority for releasing of the payment.
  - b. Engineer-in-charge (Executive Engineer) must properly prepare and defend the arbitration cases before Arbitration as per clause 5.21.2.
  - c. In BSF, the Cheque Drawing and disbursing officer (CDDO) for the contract works is only PAD BSF New Delhi. All other establishment officers exercising the duties of DDO are Non-Cheque DDOs for contracts works (NCDDO). In this regard it can be said that NCDDO are attached with CDDO (PAD) BSF New Delhi. As such from the establishment side, DDO should keep the update position of all the bills submitted to PAD so that contractor queries regarding payment of bills can be replied through the admin Officer of establishment.
  - d. The contractor regarding payment queries of the bill has to contact the Admin Officer of the establishment. The contractor should not contact with the Engineering Branch as well as with the DDO. He should raise his query with the Admin Officer only. Admin Officer of the establishment should take the details regarding payment from the DDO of the concerned establishment and reply the query of the contractor on the basis of the details submitted by the DDO. This clause should be inserted in agreement / contract or endorse separately.
  - e. As per the clause 5.21.3 regarding Acceptance / Challenge of award should be lying with the concerned establishment. As per CPWD manual the DG/SDG/CE in CPWD (not the Executive Engineer who is signing the contract) have delegated powers for acceptance / challenge for arbitration awards is given in the financial power compendium of CPWD. Chief Engineer of CPWD as per rank protocol is equivalent to IG BSF. Hence the clause 5.21.3 may be taken as a reference as DG / SDG / IG.
  - f. Signing of the control (work) will be the sole responsibility of technical Authority i.e. EE/ AE as per the present procedure.
