Clarification of the point raised by the bidders during the Pre-bid meeting held on 19th May, 2026 at 12.00 PM in the office of the Ambarnath Municipal Council by the bidders.

Sr. No.	Name of contractor	Point raised	Clarification
01	M/s. Jha P & Company Ulhasnagar	As per Tender Document, Envelope No.1 (Documents), Point No-7 F) The Asphalt Batch Mix Plant with Mastic attachment should be within 15 Km area from AMC. For above mentioned point, We would like to request you to please consider the Asphalt Plant to be within 10 Km Area from the AMC.	It is hereby considered that the Asphalt Batch Mix Plant with Mastic Attachment shall be located within a 10 km radius from AMC in place of the earlier 15 km criteria for quality purpose.
02	M/s. Jai Bharat Construction, Ulhasnagar	It should be made mandatory to include a minimum Three Owned Mastic Cookers within the machinery required for Mastic Asphalt work, this will ensure that the work is executed smoothly, to a high standard of quality and within the stipulated timeframe Furthermore, under the tender's clause regarding "Similar Work," the definition should be expanded to include works involving Mastic Asphalt such as trench filling, utility cut restoration, reinstatement works, as well as repair works executed using Mastic and other bituminous materials. Since the heating process, temperature control, specialized machinery, skilled manpower, and laying methodology involved in these specific works are fundamentally similar in nature, it would be technically appropriate and equitable to accept experience in such works as qualifying under the category of "similar nature work."	As per the tender conditions, the requirement of minimum One (1) Owned Mastic Cooker has already been stipulated considering the scope and nature of the work. Further, if your firm possesses Three (3) Owned Mastic Cookers, the same shall be an added advantage for execution of the work. Hence, no amendment in the existing tender condition is required. According to सार्वजनिक बांधकाम विभाग महाराष्ट्र शासन परिपत्रक क्र. संकीर्ण-2019/प्र.क्र. 47/इमारती-2 दि. 25/10/2019 Government Resolution, the work of similar nature has been considered and taken into reference.

Sr. No.	Name of contractor	Point raised	Clarification
02	M/s. Jai Bharat Construction, Ulhasnagar	Furthermore, the tender document should explicitly specify-through a clear condition or clause the minimum quantity of work required to have been completed under the category of "Similar Work Experience." This will ensure clarity in the eligibility criteria and provide equal opportunities to all bidders.	Already Specified in NIT.

Minutes of this pre-bid meeting are the part and parcel of the tender documents. This minutes should be uploaded by the bidder in envelope no. 1 (Technical Bid) duly signed.
