

Notice Inviting Tender

The Election Commission of India (ECI) is a permanent Constitutional Body. The Constitution of India has vested in the Election Commission of India the superintendence, direction and control of the entire process for conduct of elections to Parliament and Legislature of every State and to the offices of President and Vice-President of India. (<https://www.eci.gov.in/>)

In the era of digital transformation, the Election Commission of India is increasingly relying on secure and resilient information technology and cloud-based infrastructure to support electoral operations, voter services, and data management, while maintaining the highest standards of cyber and information security, confidentiality, and availability. Hence a tender is invited for **Selection of Meity Empaneled PSU Cloud Service Provider for Migration, Hosting & Operations for ECI.**
