Installation/ स्थापना

The Supplier shall deploy an Implementation Team with demonstrable skills and experience in order to achieve the requested quality of Installation.

The work plan proposed by the Bidder for the implementation of the equipment needs to justify that it will be suitable for achieving the installation of the Scope of SITC.

The work is to be completed within stipulated time from the date of award of contract by way of Letter of Acceptance, as mentioned in the milestones appearing above.

Bidder is required to submit a detailed timing plan that shall include all phases of design, manufacture, installation and commissioning for ICAT.

The Bidder is also required to deliver, together with its Offer, a detailed implementation layout indicating the placement of their equipment along with the existing set-up in the testing area. This layout shall be according to the existing lab Layout.

The Bidder for this tender is responsible for integration of the equipment's if applicable in this tender with the existing System at ICAT. The bidder shall discuss their interfacing requirements with respective OEMs directly. Please Note, ICAT will not be part of any discussion or will not be

Tender No. ICAT-T-PE-C2-SITC of Exhaust Systems-2026-27-24

responsible for any integration issues, and the sole responsibility of integration lies with the bidder itself. ICAT can only help in coordinating if requested by bidder.

The Bidder shall be required to work out details of interfaces and submit the detailed project stating all requirements at the time of bid submission.

1. Warranty/Guarantee: 1 Year.

The Bidder shall be required to provide a comprehensive warranty of one (1) Year from date of final acceptance, for equipment supplied under this tender, including the following:

- The Bidder shall commit cumulative down time not exceeding 300 natural hours a year including the time required for preventive maintenance and irrespective of the working hours.
- Any repair for breakdown shall be carried out by the Bidder at his own cost. No charge on this account (including cost of calibration, spare parts, wear parts, consumables to be changed during maintenance, travel and accommodation expenses, etc.) will be borne by ICAT.
- The preventive maintenance will be carried out by manufacturer's personnel, at a frequency specified by the Bidder at time of Technical Bid Submission.
- Every 12th month, the manufacturer's representative will be required to inspect the equipment and submit a report on overall health & maintenance status of the equipment at least till the warranty period.

As required in the conditions above, the Bidder shall include under the Warranty conditions both preventive and corrective maintenance during the Warranty period. This includes all scheduled preventive maintenance, as well as assistance in case of breakdown, not limited to the scheduled visits, but committing to the 24 hours response time after breakdown is reported, independently from the cause of the breakdown. Both spare parts and labour shall be covered by these conditions in case of breakdown happening due to normal use of the facilities, and in no case ICAT shall not be charged for labour costs associated to any kind of breakdown during this Warranty period.

Other Technical Conditions:

अध्याय – 3

अन्य तकनीकी शर्तें:

- 1. Clarifications, Deviations, and Conditional Bids:** Bidders are strictly advised to submit their bids in full compliance with all terms, conditions, technical specifications, and requirements stipulated in this tender document. Conditional bids or bids containing deviations, exceptions, assumptions, or qualifications shall be summarily rejected without further reference or clarification, at the sole discretion of the Purchaser.

Any suggestions, clarifications, or concerns regarding the tender terms and conditions must be formally raised by the Bidders only during the Pre-Bid Meeting. The Purchaser shall review such requests and reserves the absolute right to accept, modify, or reject any suggestion or concern, wholly or in part, without assigning any reason, and solely in the best interest of the Purchaser.

All clarifications, amendments, or modifications arising out of the Pre-Bid Meeting shall be published either as a Corrigendum and/or as the Minutes of the Pre-Bid Meeting (MoM) on the Purchaser's official website (www.icat.in) and on the CPPP Portal. These shall form an integral part of the tender and shall be binding on all Bidders. No request for changes or deviations shall be entertained after the Pre-Bid stage.
- 2. Product Lifecycle Assurance and Post-Supply Support Commitment:** The Bidder shall ensure comprehensive service and technical support for all equipment supplied for a minimum **period of one (1) year from the date of final acceptance**. The products offered must not be classified as 'end-of-life' or 'end-of-sale' as of the date of final acceptance. If the manufacturer discontinues or withdraws support for any quoted product prior to delivery, the Supplier shall, at no additional cost to the Purchaser, provide a replacement product of equal or superior quality, specifications, and functionality. Such replacement shall be subject to the Purchaser's approval and shall ensure continuity of operations without any disruption to project requirements.
- 3. Delivery, Installation, and Commissioning Timeline:** The Supplier shall be responsible for the complete delivery, installation, and commissioning of all items in accordance with the specifications and scope defined in this tender. This includes the submission of all requisite warranty documents and associated deliverables. The entire process, comprising delivery, installation, commissioning, and handover of warranty documentation, must be completed with the timelines as per this tender. Timely execution of all activities within the stipulated period is of the essence. Any delay beyond the specified timeline shall attract penalties and other contractual remedies as prescribed in the tender terms and conditions.
- 4. Liquidity Damages (LD Condition):** In the event of a delay in delivery, installation, or commissioning beyond the stipulated timelines, and where such delay is not attributable to the Purchaser, the Supplier shall be liable to pay Liquidated Damages (LD) to the Purchaser. The LD shall be levied at the rate of 0.5% (half percent) of the total contract value for each week or part thereof delay, subject to a maximum ceiling of 10% (ten percent) of the total contract value.

Tender No. ICAT-T-PE-C2-SITC of Exhaust Systems-2026-27-24

The imposition of LD shall not limit or restrict the Purchaser's right to terminate the contract or pursue any other remedies available under law or contract.

5. **Delivery and Insurance Instructions:** The Supplier shall be solely responsible for the safe and timely delivery of all goods, equipment, and materials covered under this Contract to the designated delivery location specified by the Purchaser. Delivery shall be made strictly in accordance with the delivery schedule and milestones stipulated in the Contract.

All items must be securely packed, handled, and transported in a manner that ensures protection against damage, corrosion, pilferage, or deterioration during transit and storage. The Supplier shall be liable for any damage or loss occurring before the formal receipt and acceptance of goods by the Purchaser.

The Supplier shall, at its own cost, arrange comprehensive transit insurance covering the full value of the goods against all risks from the point of dispatch to the point of final delivery at the Purchaser's site. The insurance policy shall be issued by a reputed insurer and shall remain valid until the goods are successfully delivered, inspected, and acknowledged by the Purchaser.

The offloading/unloading of all materials at the project site shall be the sole responsibility of the Supplier and shall be carried out in a safe, careful, and timely manner, using appropriate equipment and manpower. The Purchaser shall not provide any assistance or bear any cost associated with the offloading of materials at the site.

Any shortage, damage, loss, or deterioration noticed at the time of delivery shall be promptly rectified or replaced by the Supplier at no additional cost to the Purchaser, without affecting the delivery schedule.

The risk and responsibility for the goods shall remain with the Supplier until the materials are delivered to, offloaded at, inspected, and formally accepted in writing by the Purchaser.

6. **Delivery & SITC /Completion Period:** Within 120 Days from the date of PO.
7. **Unsatisfactory Performance:** The bidder herein agree that ICAT shall have sole and discretionary right to assess the performance(s) of the Bidder equipment(s), either primary and or final, and ICAT, without any liability whatsoever, wither direct or indirect, may reject the system(s) / equipment(s) provided by the Bidder, in part or in its entirety, without any explanation to the Bidder, either during the pre and or post-test period should the same be unsatisfactory and not to the acceptance of ICAT. The Bidder covenants to be bound by the decision of ICAT without any demur in such an eventuality.
8. **Proposal Validity Period:** Bids validity should be of at least 180 days from the last date of submission of Bids. Any Bid having validity lower than that specified above shall be rejected by ICAT as being nonresponsive. However, ICAT may request the Bidders to extend the Bid unconditionally beyond the Bid validity period up to an additional period of one hundred

Tender No. ICAT-T-PE-C2-SITC of Exhaust Systems-2026-27-24

twenty (120) days without any modification and without giving any reason thereof. Conditional extension of bid validity shall not be accepted and ICAT reserves the right to reject such bid/s and proceed with the bidding process with the remaining bidders.

9. **Billing:** All bills and accompanying documents should be raised and submitted in original as per the payment terms and should be accompanied by original copies of duly receipted/certified delivery challan/work progress or completion certificate, as applicable. No payment shall be released against any duplicate bills work progress report or completion certificate or delivery challan. All applicable taxes such as GST, service tax, works contract tax shall be mentioned separately in the invoice.
10. **Warranty - 1 year**
11. **Payment Terms:** 100% Payment after receipt of defect free delivery & SITC of Exhaust system (Centre-II) Manesar Haryana.
12. Interested bidders must quote compulsorily for all the items as per NIT, else their bid will not be considered for further processing and shall be liable for disqualification without further notice.
13. Applicable statutory taxes will be deducted at source.
