Superintending Engineer

1 Notice Inviting e-Tenders

The Superintending Engineer on behalf of Board of Governors of Indian Institute of Technology Kanpur invites online percentage rate tenders from eligible Air conditioning Contractors, satisfying the eligibility criteria mentioned in the document.

NIT No: 06/AC/SE/2026/42 dated 08.05.2026

1	Name of work	: Comprehensive annual maintenance contract of window type domestic air conditioners in and around academic area.
2	Estimated Cost inclusive of GST	: Rs. 26,08,682/- (i/c GST)
3	Earnest Money Deposit (Rs.)	: Rs. 52174/- (In Favour of Director, IIT Kanpur)
4	Duration of contract	: Twelve (12) months
5	Last Time & date of submission of bids (Up to)	: As per CPP portal data (https://eprocure.gov.in/eprocure/app)
6	Opening of bids	: As per CPP portal data
7	Time allowed for submission of requisite documents by lowest bidder	: Within One week of opening of financial bids

The bid forms and other details may be downloaded from Central Public Procurement Portal (<http://eprocure.gov.in/eprocure/app>). Aspiring bidders who have not enrolled / registered in e- procurement should enroll / register themselves before participating through web site <http://eprocure.gov.in/eprocure/app>. The portal enrolment is free of cost. Bidders are advised to go through instructions provided at “Instructions for online bid submission.”

Bidders can access quotation / tender documents on the website (for searching in the NIC site), kindly go to quotation search option and type ‘IIT’. Thereafter, click on “GO” button to view all IIT quotations. Select the appropriate quotation / tender and fill them with all relevant information and submit the completed Quotation / Tender document online on the website <http://eprocure.gov.in/eprocure/app> as per the schedule given in the next page.

Note: No manual bids will be accepted. All bids (both Technical & Financial) should be submitted in the e-procurement portal.

Applicants are advised to keep visiting the above-mentioned websites from time to time (till the deadline for bid submission) for any updates in respect of the tender documents, if any. Failure to do so shall not absolve the applicant of his liabilities to submit the applications complete in all respect including updates thereof, if any. An incomplete application may be liable for rejection.

Superintending Engineer

2 Information and Instructions for Bidders for E-Tendering

16.	Date & time of opening of Technical bids	: As per CPP portal
17.	Bid Validity Days	: 90 days after opening of technical bid
18.	Earnest Money Deposit (EMD)	: Rs. 52,174/-. Scanned copy of the proof of EMD deposition to be uploaded with the tender. The hardcopy of the EMD receipt shall be submitted in the office of Superintending Engineer IWD IIT Kanpur

19. Non- Refundable Processing Fee (Inclusive of GST @18%)	NIL
20. No. of Bids / Covers (1 / 2 / 3 / 4)	: 2
21. Address for communication	: Office of Superintending Engineer IWD, Indian Institute of Techno-logy Kanpur, Kanpur, U.P. Pin - 208016, Tel: 0512-259-7725
22. e-mail address	: vkatiwari@iitk.ac.in , seiwd@iitk.ac.in

The intending bidder must read the terms and conditions of CPWD-6 carefully. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required.

1. Information and instructions for bidders posted on website shall form part of bid document.
2. The bid document consisting of drawings, specifications, schedule of quantities of items to be executed, schedule of stages for payment as applicable and the set of terms & conditions of the contract to be complied with and other necessary documents can be seen and downloaded free of cost from www.eprocure.gov.in
3. Those contractors not registered on the website mentioned above, are required to get re- gistered beforehand. Only e-bids shall be accepted on website CPP portal through e- tendering processes.
4. The intending bidder must have valid Class-III digital signature to submit the bid.
5. On opening date, the contractor can login and see the bid opening process. After opening of bids, he will receive the competitor bid sheets.
6. Contractor can upload documents in the form of JPG format and PDF format.
7. Contractor must ensure to quote rate of each item. The column meant for quoting rate in figures appears in pink colour and the moment rate is entered, it turns sky blue.

In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as "0". Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as "0" (ZERO).

However, if a tenderer quotes nil rates against each item in item rate tender or does not quote any percentage above/below on the total amount of the tender or any section / sub head in percentage rate tender, the tender shall be treated as invalid and will not be considered as lowest tenderer.

8. The “Eligibility/technical Bid” shall be opened first on due date and time as per the evaluation scheme. The “Financial Bid” of bidders qualifying the technical bid shall be opened on a later date as to be announced in CPP portal.
9. The bidders are advised to visit the site before submission of bids to have more clarity about the site conditions and availability of space for execution of the work.
10. All modifications/addendums/corrigendum issued regarding this bidding process shall be uploaded on website only.
11. The department reserves the right to reject any or all bids without assigning any reason thereof and may restrict the list of qualified bidders to any number deemed suitable by it, if too many bids are received satisfying the minimum laid down criteria.
12. The rates for all items of work, shall unless clearly specified otherwise, include cost of all operations and all inputs of labour, material, T&P, scaffolding, wastages, watch and ward, other inputs, all incidental charges, all taxes, cess, duties, levies, etc. inclusive of GST.
13. If the work involves addition/upgradation/alteration/renovation the work shall be in compliance with 3 Star GRIHA rating and as per environmental policies of Institute. Nothing extra shall be payable on this account.
14. The enlistment of the contractors, if applicable, should be valid on the last date of submission of bids. In case the last date of submission of bid is extended, the enlistment of contractor should be valid on the original date of submission of bids.
15. The description of the work is as follows: “Comprehensive annual maintenance contract of window type domestic air conditioners in and around academic area..”
16. The work is estimated to cost **Rs. 26,08,682/-**. However, this estimate given is mere approximation for guide.
17. Agreement shall be drawn with the successful bidders on prescribed Form No. CPWD 7 which is available as a Govt. of India Publication and also available on website www.cpwd.gov.in. Bidders shall quote his rates as per various terms and conditions of the said form which will form part of the agreement.
18. The time allowed for carrying out the entire work will be Twelve (12) months from the date of start as defined in Schedule “F” or from the first date of handing over of the site, whichever is later, in accordance with the phasing as detailed in special conditions of contract in the bid document. It may be extended for 2nd & 3rd year provided the maintenance/operation is proper/satisfactory on the same rate, terms & conditions, which will be examined by a committee at the end of the year. However IIT Kanpur will not be bound to extend the period.
19. The contract shall be drawn initially for a period of 12 (Twelve) months and can be extended for two more years. However the Institute reserves the right to terminate and completely extinguish the service contract within this period from the date of commissioning. It will however issue 1 (one) month advance notice in writing of its intention to do so. The Institute reserves the right to appoint another agency for service contract from the date of termination of contract.

20. The listed tools in BOQ will have to be provided within one month from the award of the contract.
21. The sites for the work will be handed over as per the special terms and conditions of the document.
22. An approved programme of completion submitted by the contractor after award of work based on the available / to be available works for addition/alteration/upgradation.
23. The bid document consisting of NIT, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents can be seen and downloaded from website www.eprocure.gov.in free of cost.
24. After submission of the bid the contractor can re-submit revised bid any number of times but before last time and date of submission of bid as notified.
25. While submitting the revised bid, contractor can revise the rate of one or more item(s) any number of times (he need not re-enter rate of all the items) but before last time and date of submission of bid as notified.
26. Earnest Money Deposit receipt scanned copy shall be uploaded to the e-Tendering website within period of submission.
27. Copy of Enlistment Order and other documents as specified in the bid shall be scanned and uploaded to the e-tendering website within the period of bid submission.
28. The bid submitted shall be opened at as per the details provided in the CPP portal at IWD office. The date of opening of Financial Bid shall be informed through web site after the opening of technical bid.
29. The bid submitted shall become invalid if:
 - (i) The bidder is found ineligible.
 - (ii) **If the bidder does not deposit original EMD to the office of Superintending Engineer, Central office, IWD, IIT Kanpur (except in case of e-bank Guarantee).**
 - (iii) The bidder does not upload scanned copies of all the documents stipulated in the bid document.
 - (iv) If a tenderer quotes nil rates against each item in item rate tender or does not quote any percentage above/below on the total amount of the tender or any section / sub head in percentage rate tender, the tender shall be treated as invalid and will not be considered as lowest tenderer.
30. The contractor whose bid is accepted will be required to furnish performance guarantee of 5% of tendered value within the period specified in Schedule F. This guarantee shall be in the form of or Deposit at Call receipt of any scheduled bank/ Banker's cheque of any scheduled bank/ Demand Draft of any scheduled bank/ Pay order of any Scheduled Bank of any scheduled bank (in case guarantee amount is less than Rs. 1,00,000/-) or Government Securities or Fixed Deposit Receipts or Guarantee Bonds of any Scheduled Bank or the State Bank of India in accordance with the prescribed form.
31. In case the contractor fails to deposit the said performance guarantee within the period as indicated in Schedule 'F' including the extended period if any, the contractor shall be suspended for two years and shall not be eligible to bid for IITK tenders from the date of issue of suspension order.

32. The contractor whose bid is accepted will also be required to furnish either copy of applicable licenses/ registrations or proof of applying for obtaining licenses, registration with EPFO, ESIC and BOCW Welfare Board including Provident Fund Code No. If applicable and also ensure the compliance of afore said provisions by the sub-contractors, if any engaged by the contractor for the said work and program chart (Time and Progress) within the period specified in Schedule 'F'.
33. Intending Bidders are advised to inspect and examine the sites and its surroundings and satisfy themselves before submitting their bids as to the nature of the ground and sub-soil (so far as is practicable), the form and nature of the site, the means of access to the site, making proper arrangements to the site for smooth operation, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their bid. Bidder shall be deemed to have full knowledge of the sites whether he inspects it or not and no extra charge consequent on any misunderstanding or otherwise shall be allowed. **The bidder shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents.** Submission of a bid by a bidder implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plant, etc. will be issued to him by the Institute and local conditions and other factors having a bearing on the execution of the work.
34. Intending Bidders are advised to get familiarized with the specifications /rules related (i.e., Comprehensive annual maintenance contract of window type domestic air conditioners in and around academic area.) to the work as approved by the competent authority and various policies related to c&d waste and other environmental guidelines of the institute pertaining to the. Bidder shall be deemed to have full knowledge of such rules and regulations whether he has read it or not and no extra charge consequent on any misunderstanding or otherwise shall be allowed. In case of reduction of scope of work or no work is possible to carry out on account of such issues, no cost shall be payable to them. Submission of a bid by the bidder implies that he has read this notice and all other documents and has made himself aware of the Institute Regulations and other factors having a bearing on the execution of the work.
35. The competent authority on behalf of the Board of Governors does not bind itself to accept the lowest or any other bid and reserves to itself the authority to reject any or all the bids received without assigning any reason. Bids in which any of the prescribed conditions is not fulfilled or any condition including that of conditional rebate is put forth by the bidders shall be summarily rejected.
36. Canvassing whether directly or indirectly, in connection with bids is strictly prohibited and the bids submitted by the bidders who resort to canvassing will be liable to rejection.
37. The competent authority on behalf of the Board of Governors reserves to himself the right of accepting the whole or any part of the bid and the bidders shall be bound to perform the same at the rate quoted.
38. The contractor shall not be permitted to bid for works in the Office of Infrastructure and Planning/ Institute Works Department responsible for award and execution of contracts, in which his near relative is posted as Divisional Accountant or as an officer in any capacity between the grades of Superintending Engineer and Junior Engineer (both inclusive) in IWD and Office of Infrastructure and Planning. He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any gazetted

officer in the Office of Infrastructure and Planning/ Institute Works Department. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractors of this Department.

39. No Engineer of Gazetted Rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the prior permission of the Government of India in writing. This contract is liable to be canceled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the bid or engagement in the contractor's service.
40. The bids for the work shall remain open for acceptance for a period of Ninety (90) days from the date of opening of bids. If any bidder withdraws his bid before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the bid which are not acceptable to the department, then the Institute shall, without prejudice to any other right or remedy, be at liberty to suspend the bidder for one year
41. This notice inviting Bid shall form a part of the contract document. The successful bidders/contractor, on acceptance of his bid by the Accepting Authority shall within 7 days from the stipulated date of start of the work, sign the contract consisting of the Notice Inviting Bid, all the documents including additional conditions, specifications and drawings, if any, forming part of the bid as uploaded at the time of invitation of bid and the rates quoted online at the time of submission of bid and acceptance thereof together with any correspondence leading thereto
42. Standard C.P.W.D. Form 7 or other Standard C.P.W.D. Form as applicable.
43. The bid document will include the following components:
 - (a) CPWD-7 and CPWD-6 including Schedule A to F for all the components of the work, Standard General Conditions of Contract for CPWD 2023 as amended/modified up to last date of submission of the bid.
 - (b) General / specific conditions, specifications applicable to all components of the work.
44. After acceptance of the bid by competent authority, Superintending Engineer issue letter of award on behalf of the Board of Governors to the contractor. After the work is awarded, the contractor will have to enter into one agreement with Superintending Engineer. One such signed set of agreement shall be handed over to Engineer-In- Charge.
45. The requirement of technical staff given in various specialized works is as per requirements given in clause 32 of NIT document. The actual deployment of these technical staff will be as per execution of work and direction of the Superintending Engineer, IITK. In case of non-deployment, a penalty of Rs. 25,000/- per month shall be levied from the contractor.
46. Running bill and final bill for components shall be facilitated by Engineer-in-Charge to the contractor.
47. The work shall be treated as complete when all the components of the work are complete.
48. It will be obligatory on the part of bidder to sign the contract document for all components before the first payment is released.
49. In case of reduction in scope of work no claim on account of reduction in value of work, loss of expected profit, consequential overheads etc. shall be entertained.

50. A team of officers from Indian Institute of Technology Kanpur may visit the office/ site of work of bidders for establishing their credibility and verification of submitted documents.
51. The work is urgent as requested by client/Institute and to be completed strictly in given time schedule as per special terms and conditions. The contractor has to deploy the labour and supervisory staff in shifts to meet the targeted completion date. The work may be executed in extended shifts or two shifts. The rates quoted by the contractor will be deemed to be inclusive of any extra expenditures on account of this reason. Nothing shall be paid on this account.
52. The competent authority on behalf of the Board of Governors reserves the right to terminate the contract if,
- (a)** Any violation of labour law has been observed.
 - (b)** Any of the worker engaged in the works under this contract is found also engaged in other service contracts of the Institute at the same time.
53. The competent authority on behalf of the Board of Governors reserves the right to disqualify an agency for
- (a)** Non-compliance of Institute orders
 - (b)** Violation of Institute policies as established by the Competent Authority in the best interests of the Institute.

2.2 Instructions for Online BID Submission

This tender document has been published on the Central Public Procurement Portal (URL: <http://eprocure.gov.in/eprocure/app>). The bidders are required to submit softcopies of their bids electronically on the CPP portal, using valid Digital Signature Certificates (DSC). The instructions given below are meant to assist the bidders in registering on the CPP portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP portal.

More information useful for submitting online bids on the CPP portal may be obtained at <http://eprocure.gov.in/eprocure/app>

2.2.1 Registration

1. Bidders are required to enroll on the e-procurement module of the Central Public Procurement portal (URL: <http://eprocure.gov.in/eprocure/app>) by clicking on the link, “click here to enroll”. Enrolment on the CPP portal is free of charge
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for the accounts.
3. Bidders are advised to register their valid e-mail address and mobile number as part of the registration process. These would be used for any communication from the CPP portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (class 2 or class 3 certificates with signing key usage) issued by any certifying authority recognized by CCA India (e.g. Sify / TCS / nCode/ eMudhra etc.) with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID Password and the password of the DSC / eToken.

2.2.2 Searching for tender documents

1. There are various search options built in the CPP portal to facilitate bidders to search active tenders by several parameters. These parameters could include tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. The tenders can be moved to the respective “My Tenders” folder. This would enable the CPP portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each other; in case they want to obtain any clarification/help from the Helpdesk.

2.2.3 Preparation of bids

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bids. Please note the number of covers in which the bid documents have to be submitted. Any deviations from these may lead to rejection of the bids.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black & white option.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g., PAN card copy, annual reports, auditor's certificates, etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

2.2.4 Submission of bids

1. Bidder should log into the site well in advance for bid submission so that he / she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. A standard BOQ Format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BOQ file, open it and complete the white colored [unprotected] cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.

OR

In some cases, financial bids can be submitted in PDF format as well (in lieu of BOQ).

4. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
5. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done.
6. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
7. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
8. Add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

2.2.5 Assistance to bidders

1. Any queries relating to tender document and the terms and conditions contained therein should be addressed to the tender inviting authority for a tender or the relevant contact person indicated in the tender.
2. Any queries relating to the process of online bid submission or queries relating to CPP portal in general may be directed to the 24 x 7 CPP Portal Help Desk.

2.2.6 General instruction to bidders

1. The tenders will be received online through portal <https://eprocure.gov.in/eprocure/app>. In the technical bids, the bidders are required to upload all the documents in PDF format.
2. Possession of a valid class II / III Digital Signature Certificate (DSC) in the form of smart card / e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through <https://eprocure.gov.in/eprocure/app>. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the website <https://eprocure.gov.in/eprocure/app> under the link "Information about DSC".

Tenderers are advised to follow the instructions provided in the "Instructions to the tenderer" for the e-submission of the bids online through the Central Public Procurement Portal for e-procurement at <https://eprocure.gov.in/eprocure/app>.

Executive Engineer,
Institute Works Department

2.3.2 Envelope - 2: Financial Bid

Price bid should be submitted in BOQ format

3 Eligibility Criteria

3.1 Eligibility criteria for contractors

Contractors who fulfill the following criteria shall be eligible to apply.

Eligible Bidders

Eligible bidders should satisfy the following criteria for an eligible bid:

1. Average annual financial turn over:

i Average annual financial turnover of works should be at least 50% of the estimated cost of work put to tender during the last 3 consecutive financial years by the certified Chartered Accountant. Audited turnover statements to be furnished as proof of the same duly certified by chartered accountant along with Profit & Loss Statements.

ii. Solvency Certificate- 40% of the estimated cost put to tender Or Net Worth Certificate (minimum 10% of estimated cost put to tender) from certified Chartered Accountant as per 5.14

Experience :

Firms/Contractors must have completed satisfactorily

i) One similar work of 80% value of the estimated cost put to tender

Or

ii) Two similar work of 60% value of the estimated cost put to tender

or

Three similar work of 40% value of the estimated cost put to tender

Works completed during last 7 years ending last day of the month previous to the one in which applications are invited.

And

One completed work of similar nature costing not less than the amount equal to 40% of the estimated cost put to tender (either part of above or a separate one) with Central Government bodies /Central Autonomous Body/ Central Public Sector Undertakings/State Government bodies in last 7 Years.

Definition of similar work: Similar type of work means “Annual maintenance work of DX type AC’s, i.e. Window AC/ Split AC/cassette/tower ac units and associated AC works”

The value of executed works shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum calculated from date of completion to previous day of last date of submission of bids.

2. Eligible bidders must also satisfy the following conditions and ensure submission of all documents mentioned in 2.3

1. **Legal:** Unregistered Partnership Firm and Joint Venture or Consortium are not eligible.
2. **Registration:** Bidder should be registered with the Income Tax Department, Employees Provident Fund (EPF) Organization, Employees State Insurance (ESI) Corporation & GST. Bidders are not eligible in absence of these documents.
3. **Office:** Bidders have to establish its local accessible office registered with local state GSTIN to run the awarded work.

4 Bid Evaluation and Award

The following process will be followed for the Technical and Financial Bids Evaluation:

4.1 Technical Bid Evaluation

- Technical bids received complete in all respects covering the entire scope of work, will only be opened
- The technical bid evaluation is done only for bidders who satisfy the minimum criteria by submitting documentary proof supporting eligibility criteria and the bids of agencies who have not submitted these documents/declarations are liable to be rejected without notice

4.2 Financial Bid Evaluation

For financial bids, the following points shall be followed:

- After evaluation of Pre-Qualification Documents, a list of short listed agencies will be prepared.
- Thereafter the financial bids of only the qualified and technically acceptable bidders shall be opened at the notified time, date and place in the presence of the qualified bidders or their representatives, if present.
- The bid shall remain valid for Ninety (90) days from date of opening of eligibility bids/ Technical bid.
- Bids shall be opened at the notified time, date and place in the presence of the qualified bidders or their representatives, if present.

Special Condition for the tender:

Special condition for the **work 1**. i.e. Comprehensive annual maintenance contract of split/tower/cassette type air conditioners in and outside of academic area at IIT Kanpur. Vide NIT No. 05/AC/SE/2026/41 dated 08.05.2026 and **work 2**. Comprehensive annual maintenance contract of window type domestic air conditioners in and around academic area vide NIT No. 06/AC/SE/2026/42 dated 08.05.2026. The following condition to be fulfilled by the bidders.

1. In the tenders for both CAMC work (Work 1. CAMC Split /Tower/Cassette AC and Work 2. CAMC Window ACs) invited within the same time frame, the L-1 bidders for each tender may be brought at par with lowest bidders among both tenders.
2. If the same bidder emerges as L-1 in both works, he shall be considered only for the package having higher estimated cost (ECPT). And the L-2 bidder of the other tenders has to agree on the L-1 rates for award of the work.

NOTE

The employer reserves the right, without being liable for any damages or obligation to inform the bidder, to:

- Amend the scope and value of contract to the bidder.
- Reject any or all the applications without assigning any reason.

Any effort on the part of the bidder or his agent to exercise influence or to pressurize the employer would result in rejection of his bid. Canvassing of any kind is prohibited.

Table 9: Requirement of Technical staff as per Clause 32

Sl. No.	Qualification	Number	Minimum Experience in Year	Designation	Rate at which recovery shall be made from the contractor in the event of not fulfilling provision of Clause 32
1	Graduate/ Diploma (Electrical/ Mechanical)	1	5 Yrs	Project Planning/ Construction/ Quality/ Billing Engineer (Elect/Mech)	Rs. 25000 (Rupees Twenty Five Thousand only) per month, per person

Note: Project/Site Engineer for Electrical /AC work mentioned must be required from the beginning of the work to meet the date of handover of site as per special terms and conditions. The details of the appointed site engineers have to be verified and approved by Engineer-in- Charge.

7.1 Brief of the works

- Scope of work for comprehensive annual maintenance contract work:***

- 40

- xii) *The Technical Supervisor shall maintain up to date the complaint register, record of dockets, indent book and other records as may be required by the controlling officer. The maintenance of record shall not be kept pending beyond the weekend.*
- xiii) *The Competent Authority through SE/EE/ZIC, IWD shall have the right to assign any other duty or work at any other building, if so required under contingent circumstances.*
- xiv) *The contractor has to provide a dress code for all his workers.*
- xv) *Mechanism for checking and follow-ups of complaints in whole campus comprising of all zones covered under the contract, making records of breakdowns/complaints/rectification and reporting to ZIC*

4.0 Definition of Terms:

In this contract (as hereinafter defined) the following workers and expressions shall have meanings hereby assign to them, except where the context requires otherwise.

- 4.1 *The “**INSTITUTE**” shall mean Indian Institute of Technology, Kanpur (IITK) with its premises located at Kalyanpur, Kanpur- 208016 and shall include its authorized representatives, successors and assignees.*
- 4.2 *The “**CONTRACTOR**” shall mean the person or persons firm or company whose tender has been accepted by the Institute and includes the contractor’s legal representatives, his successors and permitted assignees.*
- 4.3 *The “**TENDER**” shall mean the proposal / offer along with supporting documents submitted by the tenderer for consideration by the Institute.*
- 4.4 *The “**TENDER DOCUMENTS**” shall mean the documents issued by the Institute to prospective tenderers, containing various terms and conditions, scope of work etc.*
- 4.5 *The “**ACCEPTANCE OF TENDER**” shall mean an official intimation from the Institute to successful tenderer to the effect that his / their tender has been accepted in accordance with the provisions contained therein.*
- 4.6 *The “**WORK**” shall mean all works and engagement of labour specified in the scope of work and qualified under general and special terms and conditions.*
- 4.7 *The “**CONTRACT**” shall mean the agreement between the Institute and the contractor, duly signed by the parties to the agreement, through their authorized representatives, for the execution of the work included in the tender document, letter of acceptance of tender, agreed variations to the tender documents if any. Schedule of rate and other relevant documents submitted by the contractor and as accepted by the Institute.*

Superintending Engineer

SPECIAL TERMS & CONDITIONS

1. The quantity mentioned in this tender and shall be deemed to be only approximate. The window Ac's 5 to 15 years or above old have been covered under comprehensive annual maintenance contract and less than 5 years have been covered under non comprehensive. This will include the 3 services of the machine & replacement of any defective parts of window ACs including compressors, fan motors. Their condition shall be taken in to consideration before quoting. However machines shall be handed over to the contractor in working condition only.
2. The window Air-Conditioners shall be maintained for preventative maintenance and also shall be attended on "as and when required" basis. Replacement of all spare parts including compressor blower condenser, cooling coil and refrigerant gas etc. are included in the scope of work. The work is therefore for comprehensive maintenance including service and components. Defective compressor shall be got replaced with new compressor from approved make of manufacturers only.
3. All machines shall be wet cleaned once in a year to clean the cooling coil condenser coil by using descaling solution, coil cleaner, lubrication of fan motor etc. painting the machine and replacing the air filter shall also be carried out during the wet cleaning.
4. All machines shall be given (two) dry services in a year for cleaning of all parts by blowing air, cleaning of air filter, cooling, condensing coil, oiling of blower motor and testing for normal operations._
5. Company shall place the services as per requirement of 1 (one) mechanic Gr.-1(supervisor), 2 (two) mechanics Gr.-2 and 4(four) helpers exclusively for this work, who shall report to the supervisor of contractor on 6 (six) days during the AMC period (except Sunday) during the year. The supervisor will report daily to the ZIC/ Engineer Incharge(domestic ac unit). The Domestic A/c unit shall remain closed on gazetted holiday of Govt. of India.
6. Complaints shall be attended preferably on the same day but necessarily on the day after tomorrow as per requirement. If any complaint remains pending for more than two days, penalty shall be recovered from the rate of Rs. 75/- per, day for each of default. The amount of penalty shall be recovered from monthly bills. Contractor shall be required to keep company repaired fan motors and other spare parts in ready stock for immediate replacement.
7. Air conditioners having problem like "less cooing due to gas shortage" or "defective compressor" etc.(of which the repairing at site is not possible) shall be taken to the workshop and returned duly repaired by the next working day. It shall be contractor's responsibility to close the opening in the wall temporarily after removing the unit. However, if the unit will be in maintenance for more than 1 day, spare window AC shall be placed in the area by the contractor.
8. Contractor will have to routine check the working condition of Window AC units once every fortnight. It will be the contractors responsibility to check the ACs , grills, filters, cooling, condensing coils are clean at all time and working condition at all times.
9. Complaints shall be received by the assistant engineer/ institute engineer, who shall issue the job orders to the contractors. The orders shall be returned to domestic A/c unit on same day after the complaint is attended.
10. The contractor shall print the booklet of service records for each machine as per the proforma decided by Engineer In Charge just after the award of work. At the time of servicing the proforma has to be signed by the mechanic, certified by user and to be produced at the time of billing. The format of the service record shall be as mentionbed below :

WINDOW AC MACHINE ANNUAL MAINTENANCE SERVICE RECORD SHEET							
(To be verified by the user)							
Name of work:- Annual Maintenance Contract of Window AC units							
Name of Contractor:- M/s							
Work Order No. :-							
Installed machine AMC no. :-							
Location of machine:.....							
Validity From:							
No. of services	Date	Description of work done	Material used	Name & Sign of Technician	Sign. of user.	Name and Contact No. of User	Remarks
Ist service		Dry service					
IInd service		Dry service					
IIIRD service		Wet service					
M/s S.M.Engineers will provide all of the above services free of cost.							
Dry Service Means:- Dry cleaning of cooling coil, condenser coil, fan blade, filters, removing dust of complete body by using air blower, checking thermostat, compressor, temperature, thimbles, connections etc., Replacement of defective parts, oiling and							
Wet Service Means:- Wet cleaning of cooling coil, condensing coil, air filter and complete body by using liquid detergent soap, descaling agent, oiling and greasing the fan motor, denting and painting of rusted portion, replacement of defective spare pa							
(Sign. of AMC contractor)							

11. A printed water proof slip containing annual maintenance contract number of the machine & as specified by the Engineer-In-Charge has to be pasted on each AC just after award of the work as mentioned below :

WINDOW AC AMC NO. -.....
VALIDITY FROM -
NAME OF CONTRACTOR --M/S
COMPLAINT PHONE NOS. 7097,6749.....
MOBILE NO:-.....

12. Running monthly bill payment shall be made in the first week of the following month @ one twelve of quoted rates.
13. The contractor shall have to pay the wages to mechanic & labour as per central govt. notification approved by labour commissioner Ministry of labour, GOI from time to time. Any increase in the wages will be paid on submission of proof of payment._
14. The right to reject all or any of the tenders and to split up the work or relax any or all the above conditions without assigning any reason is within the full power of the Institute.
15. Subletting the work is strictly prohibited and also the operating staff shall maintain discipline and works ethics. However the institute shall have the right to ask any of maintenance staff to leave the premises of in the opinion of the institute the contract of such an employ is not the interest of the institute.
16. A list of all complaints and its day to day status shall be recorded in a register and these records shall be put up to the Engineer in charge on regular basis.
17. The qualification and experience of the staff shall be as under :-
 - a. :- Mechanic -ITI with 2-3 years experience in the similar field.
 - b. :- Helper -Literate preferably High School Pass.
18. Any other piece of work not specifically mentioned above but essential for the normal routine work & maintenance is also covered in the scope of work.
19. No person below the age of 18 (eighteen) years shall be employed on the work. Similarly no women staff shall be employed since the duty involves working in odd hrs.
20. Drinking liquor with in the Institute campus is strictly prohibited. Violation of this rule by the employees of the contractor shall render them liable for prosecution as per law and automatically disqualify them from deployment on the work
21. The contractor shall not pay to persons engaged by him on the work, less than minimum wages prescribed by labour commissioner (central), Kanpur from time to time. The current minimum wages applicable as per the central government chief labor commissioner (C) New Delhi (Office Order F. No. 1/6(3)/2025-LS-II dated 30.03.2026) applicable to IIT Kanpur is as following:

<i>Description</i>	<i>Minimum Wage/day</i>
<i>Skilled</i>	<i>Rs. 1008/-</i>
<i>Semiskilled</i>	<i>Rs. 918/-</i>
<i>Unskilled</i>	<i>Rs. 827/-</i>

22. The value of work shall be inclusive of the wages of the workers & supervisor, cost of tools and implements i/c contingent expenditure incidental to the work etc. Nothing extra shall be payable in addition to the monthly value of the contract except.
 - i) The difference in minimum wages applicable to the labour are revised by Govt. of India, subsequent to the date of submission of tender shall be paid by the contractor to the labour and reimbursed by the Institute on production of claim. The difference in minimum wages, with respect to the wages applicable in the month of April 2026 + 7.5% shall be reimbursed to the contractor.
 - ii) The contribution of EPF & ESIC by the contractor shall be reimbursed on production of the

receipt of deposit of the same in the office of competent authorities. Administrative expenses deposited by the contractor shall not be reimbursed.

- iii) The contractor shall provide safety shoe, uniform and other safety items as reqd. etc. to all workers deployed in their team and the costing for the same has to be included in the tender.

22. Rates: The work shall be treated as on works contract basis and the rates tendered shall be for complete item of work and all charges for items contingent to the work, such as packing, forwarding, insurance, freight and delivery at site for the materials to be supplied by the contractor, watch and ward of all materials at the site, labour related expenses as per relevant labour laws, testing of materials/ samples etc. including Goods & Service tax (GST).

23. Taxes & Duties:

- 21.1 Being an indivisible works contract, no other tax is payable other than GST. The GST shall be as applicable to IIT Kanpur as per Government rules. The tender rates are including the GST.

Additional Conditions for Safety at the Work Site

The contractor will identify one of the supervisors for taking care of implementation of Safety systems.

The Contractor should follow the following General Guidelines governing the safety rules as laid down under :

- 1. Smoking is strictly prohibited at workplace.*
- 2. Nobody is allowed to work without wearing safety helmet. Chinstrap of safety helmet shall be always on. Drivers, helpers and operators are no exception.*
- 3. No one is allowed to work at or more than three meters height without wearing safety belt and anchoring the lanyard of safety belt to firm support preferably at shoulder level.*
- 4. No one is allowed to work without adequate foot protection.*
- 5. Usage of eye protection equipment shall be ensured when workmen are engaged for grinding, chipping, welding and gas-cutting. For other jobs as and when site safety co-coordinator insists eye protection has to be provided.*
- 6. All safety appliances like Safety shoes, Safety helmet, Safety gloves, Safety belt, Safety goggles etc. shall be arranged before starting the job.*
- 7. All excavated pits shall be barricaded & barricading to be maintained till the backfilling is done. Safe approach to be ensured into every excavation.*
- 8. Adequate illumination at workplace shall be ensured before starting the job at night.*
- 9. All the dangerous moving parts of the portable / fixed machinery being used shall be adequately guarded.*
- 10. Ladders being used at site shall be adequately secured at bottom and top. Ladders shall not be used as work platforms.*
- 11. Material shall not be thrown from the height. If required, the area shall be barricaded and one person shall be posted outside the barricading for preventing the tre-passers from entering the area.*
- 12. Other than electricians no one is allowed to carry out electrical connections, repairs on electrical equipment or other jobs related thereto.*
- 13. All electrical connections shall be made using 3 or 4 core cables, having a earth wire.*
- 14. Inserting of bare wires for tapping the power from electrical sockets is completely prohibited.*
- 15. A tools and tackles inspection register must be maintained and updated regularly.*
- 16. Debris, scrap and other materials to be cleared from time to time from the workplace and at the time of closing of work everyday.*
- 17. All the unsafe conditions, unsafe acts identified by contractors, reported by site supervisors and / or safety personnel to be corrected on priority basis.*
- 18. No children shall be allowed to enter the workplace.*

- 19. All the lifting tools and tackles shall be stored properly when not in use.*
- 20. Clamps shall be used on Return cables to ensure proper earthing for welding works.*
- 21. Return cables shall be used for earthing.*
- 22. All the pressure gauges used in gas cutting apparatus shall be in good working condition.*
- 23. Proper eye washing facilities shall be made in areas where chemicals are handled.*
- 24. Connectors and hose clamps are used for making welding hose connections.*
- 25. All underground cables for supplying construction power shall be routed using conduit pipes.*
- 26. Spill trays shall be used to contain the oil spills while transferring / storing them.*
- 27. Tapping of power by cutting electric cables in between must be avoided. Proper junction boxes must be used.*

(Signature of Contractor)

Superintending Engineer

8.1 Quality and Workmanship

- 8.1.1 The contractor shall be entirely responsible and answerable for all the works done by him regarding quality, adherence to the laid down specifications, terms and conditions, warranty/guarantee etc. and he shall be liable to bear any compensation that may be levied by the department under any of the clauses of the agreement.
- 8.1.2 The materials having ISI mark shall have precedence over the one conforming to IS Specifications.
- 8.1.3 The proposed is for Institute premises and quality of work is paramount importance. Contractor shall have to engage well experienced skilled labour and deploy modern T & Pand other equipment to execute the work.
- 8.1.4 Samples of all materials and fittings to be used in the work in respect of brand manufacturer and quality shall be approved from the Engineer-in-Charge, well in advance of actual execution and shall be preserved till the completion of the work.
- 8.1.5 All materials used in the work shall be new and of good quality, conforming to the relevant specifications as per good engineering practice. All the materials proposed to be used in the work should be approved from Engineer in Charge before use in work.
- 8.1.6 Articles bearing BIS certifications mark shall only be used unless no manufacturer has got BIS/ISI mark for the particular material. Any material/fitting whose sample has not been approved in advance and any other unapproved material brought by the contractor shall be immediately removed as soon as directed. Where the make of any particular material is not specified in the Contract document, the material shall be supplied as per makes desired by the engineer-in-charge.
- 8.1.7 It will be the responsibility of the contractor / bidder to ensure use of genuine materials in the work. The department reserves the right to get (any / all materials / components) inspected by the manufacturer or their authorized representatives at any stage of the execution of work. If any of the materials, supplied and used in work is found spurious at any stage, then the department reserves the right to ask the contractor to replace it by genuine one and make suitable recovery till it is done, even if any payment against that material is already made.
- 8.1.8 The contractor should get the make/TDS documents approved before procuring any material at site. The TDS/Make once approved shall not be changed without any valid recorded reasons. No material to be brought and used at site without the prior knowledge & approval of Engineer-in-Charge.
- 8.1.9 The department may ask for any valid document like manufacturer's test certificate, document for purchase of the material, document for import/shipment of imported materials etc. as deemed fit by the engineer-in-charge to ascertain genuineness of material supplied by/used in the work by the contractor. The contractor shall remain bound to submit all such documents to the department failing which payment may not be made or if already paid may be recovered/ withheld from subsequent running account payment.
- 8.1.10 All equipment and their components, and all the materials to be used in the work shall be suitable for the environmental conditions at the location of the work.
- 8.1.11 The contractor shall ensure quality control measures on different aspects of construction including materials, workmanship and correct construction methodologies to be adopted. He shall have to submit quality assurance programme within two weeks of the award of work. The quality assurance programme should include method statement for various items of work to be executed along with check lists to enforce quality control.

- 8.1.12 The contractor shall get the source of all other materials, not specified elsewhere in the document, approved from the Engineer-in-Charge. The contractor shall stick to the approved source unless it is absolutely unavoidable. Any change shall be done with the prior approval of the Engineer-in-Charge for which tests etc. shall be done by the contractor at his own cost. Similarly, the contractor shall submit brand/ make of various materials not specified in the agreement, to be used for the approval of the Engineer-in-Charge along with samples and once approved, he shall stick to it.
- 8.1.13 Other Laboratories: The contractor shall arrange carrying out of all tests required under the agreement through the laboratory as approved by the Engineer-in-Charge and shall bear all charges in connection therewith including fee for testing. The said cost of tests shall be borne by the contractor/department in the manner indicated below.
- 8.1.13.1 By the contractor, if the results show that the test does not conform to relevant CPWD Specifications / BIS code or specification mentioned elsewhere in the documents.
- 8.1.13.2 By the department, if the results conform to relevant CPWD Specifications / BIS code or specification mentioned elsewhere in the documents.
- If the tests, which were to be conducted in the site laboratory, are conducted in other Laboratories for whatever the reasons, the cost of such tests shall be borne by the contractor.
- 8.1.14 Sample of building materials fittings and other articles required for execution of work shall be got approved from the Engineer-in-Charge. Articles manufactured by companies of repute and approved by the Engineer-in-Charge shall only be used. Articles bearing BIS certification mark shall be used in case the above are not available, the quality of samples brought by the contractor shall be judged by standards laid down in the relevant BIS specifications. All materials and articles brought by the contractor to the site for use shall conform to the samples approved by the Engineer-in-Charge which shall be preserved till the completion of the work.
- 8.1.15 The contractor shall ensure quality construction in a planned and time bound manner. Any sub-standard material/work beyond set out tolerance limit shall be summarily rejected by the Engineer-in-Charge.
- 8.1.16 BIS marked materials except otherwise specified shall be subjected to quality test at the discretion of the Engineer-in-Charge besides testing of other materials as per the specifications described for the item/materials. Wherever BIS marked materials are brought to the site of work, the contractor shall if required, by the Engineer-in-Charge furnish manufacturers test certificate or test certificate from approved testing laboratory to establish that the material produced by the contractor for incorporation in the work satisfies the provisions of BIS codes relevant to the material and/or the work done.
- 8.1.17 The contractor shall procure all the materials at least in advance so that there is sufficient time to testing and approving of the materials and clearance of the same before use in work.
- 8.1.18 All materials brought by the contractor for use in the work shall be got checked from the Engineer-in-Charge or his authorized representative of the work on receipt of the same at site before use.
- 8.1.19 The contractor shall be fully responsible for the safe custody of the materials issued to him even if the materials are in double lock and key system.

8.2 Natural calamity:

No payment will be made to the contractor for any damage caused by rain, snow fall, floods, dampness, fire, sun or any other natural cause whatsoever during the execution of work. The damage to the work

due to above reason, if any, shall have to be made good by the contractor at his own cost and no claim on this account shall be entertained.

8.3 Stocking and Disposal of Materials & Debris

- 8.3.1 The contractor shall take instructions from the Engineer-in-Charge regarding collection and stacking of materials at any place. No excavated earth or building rubbish shall be stacked on areas where other buildings, roads, compound wall, services etc. are to be constructed.
- 8.3.2 After completion of work the agency shall remove materials and debris etc. from site as per the direction of Engineer-in-Charge, at no extra cost.
- 8.3.3 Contractor's job will also include removing of all malba and debris arising in the process of painting including washing of floor to remove stains of paint, at no extra cost.
- 8.3.4 The contractor shall conduct work so as not to interfere with or hinder the progress or completion of the work being performed by other contractor(s) or by the Engineer-in-Charge and shall as far as possible arrange his work and shall place and dispose of the materials being used or removed so as not to interfere with the operations of other contractor or he shall arrange his work with that of the others in an acceptable and coordinated manner and shall perform it in proper sequence to the complete satisfaction of others.
- 8.3.5 For construction/renovation works which are likely to generate malba/rubbish to the tune of more than a tempo/truck load, contractor shall dispose of malba, rubbish & other unserviceable materials and wastes at their own cost to the notified/specified dumping ground and under no circumstances these shall be stacked/dumped, even temporarily outside the construction premises.
- 8.3.6 Dismantled but useful materials/components/equipment, if any, should be returned to the Institute as per the direction of Engineer-in-Charge.

8.4 Safety and Security

- 8.4.1 The contractor has to follow all safety norms as laid down in National Building Code of India. All the workers shall be equipped with the required safety gadgets while working at site such as ISI marked helmets, Shoes and safety belts, gumboots, gloves etc.
- 8.4.2 The contractor, the authorized representative(s), workmen etc., shall strictly observe orders pertaining to fire precautions prevailing in the area.
- 8.4.3 The contractor shall be fully responsible for the safe custody of materials brought by him/ issued to him even though the materials may be under double lock key system.

- 8.4.4 Contractor will arrange proper metal ladders, M.S. double scaffolding (for working, painting, etc. at higher levels) at his own cost and will take all safety measures like double harness safety belt, mechanized electrically operated platform etc. If it is observed that work is proceeding without adequate safety precautions, work may be stopped by Engineer-in-charge and in such cases, contractor will be solely responsible for delay and its consequences thereof.
- 8.4.5 The contractor shall be responsible for the watch and ward/guard of the buildings, safety of all fittings and fixtures including sanitary and water supply fittings and fixtures provided by him against pilferage and breakage during the period of installations and thereafter till the building is physically handed over to the department. No extra payment shall be made on this account.
- 8.4.6 The contractor shall take all precautions to avoid accidents by exhibiting necessary caution boards day and night speed limit boards red flags, red lights and providing barriers. He shall be responsible for all dangers and incidents caused to existing / new work due to negligence on his part. No hindrances shall be caused to traffic during the execution of the work.
- 8.4.7 It shall be ensured by the contractor that no electric live wire is left exposed or unattended to avoid any accidents in this regard.
- 8.4.8 The Institute shall not have any responsibility or liability in case of any accident injury to the personnel to the contractor at work site or to the general public at the work site due to mishandling equipment by the personnel of the contractor or any other similar reason. The responsibilities and liabilities for such accidents and incidents shall be borne by the contractor.

8.5 Approach to Site

- 8.5.1 The tenderer shall see the approaches to the site. In case any approach from main road is required at site or existing approach is to be improved and maintained for cartage of materials by the contractor, the same shall be provided, improved and maintained by the contractor at his own cost.
- 8.5.2 Contractor shall take all precautionary measures to avoid any damage to adjoining property. All necessary arrangement shall be made at his own cost.

8.6 Water and Flooding

- 8.6.1 The contractor shall have to arrange water of desirable quality for the construction purpose for which he may have to install water purifier at site or might have to bring/ purchase water from outside as per decision of Engineer-in-charge. Nothing extra shall be paid on this account.
- 8.6.2 For works below ground level the contractor shall keep that area free from water. If dewatering or bailing out of water is required the contractor shall do it and nothing extra shall be paid except otherwise provided in the items of schedule of quantities.
- 8.6.3 In case of flooding of site on account of rain or any other cause and any consequent damage, whatsoever, no claim financially or otherwise shall be entertained notwithstanding any other provisions elsewhere in the contract agreement. Also, the Contractor shall make good, at his own cost, the damages caused, if any.

- 8.6.4 The water charges (for water connection as well as tanker water) shall be borne by the contractor. Also, if the contractor obtains water connection for the drinking purposes from the Institute or any other statutory body, the consequent sewerage charges shall be borne by the contractor.

8.7 Acts and Laws

- 8.7.1 The Contractor shall keep himself fully informed of all acts and laws of the Central & State Governments, all orders, decrees of statutory bodies, tribunals having any jurisdiction or authority, which in any manner may affect those engaged or employed and anything related to carrying out the work. All the rules & regulations and bye-laws laid down by Collector / MC etc. and any other statutory bodies shall be adhered to, by the contractor, during the execution of work.
- 8.7.2 The Contractor shall also adhere to all traffic restrictions notified by the local authorities.
- 8.7.3 All statutory taxes, levies, charges (including water and sewerage charges, charges for temporary service connections and / or any other charges, as applicable) payable to such authorities for carrying out the work, shall be borne by the Contractor.
- 8.7.4 The Contractor shall arrange to give all notices as required by any statutory / regulatory authority and shall pay to such authority all the fees that is required to be paid for the execution of work. He shall protect and indemnify the Institute and its officials & employees against any claim and /or liability arising out of violations of any such laws, ordinances, orders, decrees, by himself/herself or by his/her employees or his/her authorized representatives. Nothing extra shall be payable on these accounts.
- 8.7.5 The fee payable to statutory authorities for obtaining the various permanent service shall be borne by the Institute.

8.8 Labour and Laws

- 8.8.1 The Contractor shall display all permissions, licenses, registration certificates, bar charts, other statements etc. under various labour laws and other regulations applicable to the works, at his site office.
- 8.8.2 Huts for labour are not permitted within the premises of the Institute. No extra cost shall be payable even if the contractor provides such accommodation at a place as is acceptable to the local body.

8.9 Nondisclosure Agreement

- 8.9.1 The Agency shall take all precautions not to disclose, divulge and/or disseminate to any third party any confidential information, proprietary information on the Institute business or security arrangements (including but not limited to the Assignment instructions, Schedules and other subsequent Arrangements) and/or business of the Institute. The obligation is not limited to any Scope and the Agency shall be held responsible in case of breach of the confidentiality of Institute's information.
- 8.9.2 If the Agency receives enquiries from Press/Media/Radio/Television or other bodies/persons, the same shall be referred by the Agency to Institute immediately on receipt of such queries.

8.10 Indemnification:

- 8.10.1 The agency shall be directly responsible to indemnify the Institute against all charges, dues, claims, etc. arising out of the disputes relating to the dues and employment of the personnel deployed and further for any claim/compensation against all damages and accidents caused due to negligence on the part of the agents, employees and other personnel of the agency.
- 8.10.2 That the contractor shall keep the IITK indemnified against all claims whatsoever in respect of the employees deployed by the contractor. In case any employee of the contractor so deployed enters in dispute of any nature whatsoever, it will be the primary responsibility of the contractor to contest the same. In case IITK is made party and is supposed to contest the case, IITK will be reimbursed for the actual expenses incurred towards Counsel Fee and other expenses which shall be paid in advance by the Contractor to IITK on demand. Further, the contractor shall ensure that no financial or Any other liability comes on IITK in this respect of any nature whatsoever and shall keep IITK indemnified in this respect.

8.11 Force Majeure:

If at any time, during the continuance of this contract, the performance in whole or in part by either party of any obligation under this contract is prevented or delayed by reasons of any war, hostility, acts of public enemy, civil commotion, sabotage, fires, floods, explosion, epidemics quarantine restriction, strikes, lockouts or acts of god (hereinafter referred to as events) provided notice of happenings of any such event, is served by party seeking concession to the other as soon as practicable, but within 21 days from the date of occurrence and termination thereof. Provided the Party satisfies Institute adequately of the measures taken by it. Neither party shall, by reason of such event, be entitled to terminate this contract, nor shall either party have any claim for damages against the other in respect of such non-performance or delay in performance. Further, the services under the contract shall be resumed as soon as practicable after such event has come to an end or ceased to exist and the decision of Institute as to whether the services have to resume or not shall be final and conclusive, provided further, that if the performance in whole or in part of any obligation under this contract is prevented or delayed by reason of any such event for a period exceeding 60 days, Institute may at his option, terminate the contract.

8.12 Dispute resolution

- 8.12.1 The institute reserves the right to amend rules whenever and wherever considered necessary and appropriate. The same shall be intimated to the agency in due course.
- 8.12.2 Any dispute arising out of and in relation to this agreement shall be referred to the arbitration by sole arbitrator to be appointed by Director of the Institute. The arbitration would be conducted and governed by and under the provisions of Arbitration Act, 1996 and its amendments. Any legal dispute will be subject to jurisdiction of Kanpur Courts only and no other court shall have the jurisdiction.
- 8.12.3 Any dispute arising out of and in relation to this agreement shall be referred to the arbitration by sole arbitrator to be appointed by Director of the Institute. The arbitration would be conducted and governed by and under the provisions of Arbitration Act, 1996. Any legal dispute will be subject to jurisdiction of Kanpur Courts only and no other court shall have the jurisdiction.

8.13 Arbitration

- 8.13.1 Except as otherwise provided anywhere in this Agreement, if any dispute, difference, the question of disagreement or matter, whatsoever, arises between the parties, as to the meaning, operation or effect of the Agreement or out of or relating to the Agreement or breach thereof, the same shall be referred to a Sole Arbitrator, to be appointment by the Director of the Institute at the time of the dispute.
- 8.13.2 If the Arbitrator, to whom the matter is originally referred, dies or refuses to act or resigns for any reasons from the position of arbitration, it shall be lawful for the Director of the Institute to appoint another person to act as Arbitrator in the manner aforesaid. Such person shall be entitled to proceed with the reference from the stage at which it was left by its predecessor, provided both the parties consent to this effect, failing which, the arbitrator shall be entitled to proceed on the matter de- novo.
- 8.13.3 It is a term of the Agreement that the party invoking the arbitration shall specify all disputes to be referred to arbitration at the time of invocation of arbitration under the clause.
- 8.13.4 It is a term of the contract that the cost of arbitration shall be borne by the parties themselves.
- 8.13.5 The place of the arbitration shall be Kanpur Nagar, Uttar Pradesh, India.
- 8.13.6 Subject as aforesaid, the provisions of the Arbitration and Conciliation Act, 1996 and any statutory modifications, amendments or re-enactment thereof and rules made thereunder and for the time being in force, shall apply to the arbitration proceeding under this clause.
- 8.13.7 Except as otherwise provided anywhere in this Agreement, the Arbitration proceedings shall be conducted in English and the Agreement shall be constructed, interpreted and governed by the law of India, for the time being in force.

8.14 Jurisdiction of Courts

The court(s) at Kanpur Nagar, Uttar Pradesh, shall have the exclusive jurisdiction to try any as all the disputes(s) between the parties arising out this Agreement.
