A bidder having account in other banks can make payment using NEFT/RTGS facilities of designated banks such as SBI, ICICI, HDFC Banks.
- 03.** The bids for the works shall remain valid for a period of **90** days from the last date of receipt of bids. If any bidder tender withdraws his bid/ tender before the period or makes any modification in the terms and condition of the bid, the EMD deposited at the time of submission of tender shall stand forfeited.

04. The percentage rate excess or less to be quoted should be up to **two** decimal points only. In case, the percentage rate in excess or less up to two or more decimal points, the 1st two decimal points will be considered without rounding up.
05. After careful observation, government has been pleased to abolish the extant provisions of threshold negative bid caps (14.99%) introduced in Appendix-IX, Clause 36 of OPWD Code Volume-II in the procurement of works undertaken by the Gov. of Odisha and its agencies to ensure the procurement process results in viable and successful manner with adoption of following incremental **Additional Performance Security (APS)** system.
06. **Additional Performance Security (APS)** shall be taken on incremental basis from the selected bidder for low bid prices in the project works as under:
- I. Where the bid price is below 0% but not below 10% of the project cost put to bid:**
No additional performance guarantee/security percentage is required.
- II. Where the bid price is below 10% but not below 20% of the project cost put to bid:**
The additional performance guarantee/security percentage shall be incremented by 0.1% for every percentage of bid prices below 10% of the project cost put to bid starting at 11% with the additional bid performance guarantee being 0.1% and this additional performance guarantee shall be applied on bid price.
- III. Where the bid price is 20% or more below the project cost put to bid:**
The additional performance guarantee percentage shall be incremented by 0.2% for every percentage of bid prices below 20% of the project cost put to bid in addition to 1% of the bid price and this additional performance guarantee shall be applied on bid price.
- IV.** The additional performance guarantee percentage shall be rounded off to the next lower percentage based on whether the decimal point of the percentage of bid price is below 0.50% or next higher percentage based on whether the decimal point of the percentage of bid price is 0.5% or more.
- v.** The additional performance security shall be treated as part of the performance security.
- vi.** Justification for abnormally low bids shall be scrutinized by the Departmental Technical Committee and recommended to the competent authority of the Administrative Department for the approval of the Additional Performance Security (APS). An abnormally low bid is one in which the Bid price, in combination with other elements of the Bid, appears so low that it raises material concerns as to the capability of the Bidder to perform the contract at the offered price. Procuring Entity may, in such cases, seek written clarifications from the Bidder, including detailed price analyses of its Bid price in relation to scope, schedule, resource mobilization, allocation of risks and responsibilities, and any other requirements of the bid document. If, after evaluating the price analyses, the procuring entity determines that the Bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Procuring Entity may reject the Bid/ Proposal. However, it would not be advisable to fix a normative percentage below the estimated cost, which would automatically be considered as an abnormally low bid.

The APS amount will be received in shape of N.S.C./ Post Office Savings Bank Account/ Post Office Term Deposit Account/ Kisan Vikas Patra/ Bank Guarantee in favour of the Divisional Officer from any Nationalized Scheduled Bank in India counter guaranteed by its local Branch at Bhubaneswar/ e-Bank Guarantee executed on the National e-Governance Services Limited (NeSL)/ Insurance Surety Bond Issued by an Insurance Company authorised by the Insurance Regulatory and Development Authority of India (IRDAI) Digital Document Execution Portal within seven days of issue of Letter of Acceptance (LoA) by the Divisional Officer (by e-mail) to the successful bidder otherwise the bid of the successful bidder shall be cancelled.
