Circular

As per Section 31 of CGST Act & Rule 46, a GST invoice has to be provided by the Contractor/Supplier/Service Provider giving details such as Invoice number and date, customer name, shipping and billing address, customer's and taxpayer's GSTIN, place of supply, HSN Code, item details, Taxable Value and discounts, rate and amount of CGST/SGST/IGST, whether GST is payable on reverse charge basis, signatures. If the taxpayer is not registered and the value is more than Rs.50,000/- then invoice should carry name and address of the recipient, address of delivery, state name and state code.

Recently, in hearing of District Court in Delhi, It was highlighted that guidelines issued vide Circular No. 41/DCA/FMB/EDMC/2018 dated 23.10.2018 (copy attached) are not being followed by various departments of MCD i.e. Bills were passed without tax invoice. Non submission of GST invoice by the contractor as well as non seeking of same by both the contract issuing authority & the Bill passing authority of MCD in works and services contracts where the running bills are prepared and passed shows serious negligence on the part of contractors as well as bill passing authority of MCD. This lapse (from contractor & deptt.) was noticed in all works and services contract.

Henceforth, all Contract issuing & Bill passing authorities are hereby directed to mandatory collect the GST tax invoice from Contractors both in works and services contract in terms of Section 31 & Rule 46 of CSGT Act, 2017. Further no payment shall be released against bill of contractor by bill passing authority of MCD, without submission of tax invoice by the contractor. If the contractor has failed to submit GST tax invoice alongwith running and final bills then concerned JE or equivalent authority as per contract has to seek the copy of tax invoice from contractor. Any deviation will attract disciplinary action against all concerned. A sample format of GST Invoice is also enclosed herewith for reference.

This issues with the approval of Competent Authority.

SUB: Guidelines for taking disciplinary action against contractors.

Several cases for taking disciplinary action as per enlistment rules of MCD are being received against contractors who fail to complete the work within stipulated time or start the work at all, even after issue of show cause notice under various clauses of the contract agreement.

Clause 23 of enlistment rules stipulate (i) 23.1 - Demotion to a lower class (ii) 23.2 - Suspension of business and (iii) 23.3 - Removal from the approved list as per the performance of contractors and gravity of lapse and the disciplinary action has to be in consonance with the default in each case.

The record of contractors registered in various categories in MCD (Civil / Electrical wings) is maintained by Engineering Department (Head Quarter) which also processes revalidation of their registration after expiry which is generally at the end of five years from the initial date of registration.

Although, action is taken by a division against the contractor for a particular work and orders are issued by the Engineering Head Quarter, there is no system in place to identify whether the same contractor has also defaulted in other divisions.

In order to streamline the system, a data base shall be prepared by the Engineering (Head Quarter) under the supervision of ADC(Engg.) whereby the action taken against the contractors in past is recorded. All such files in which disciplinary action is proposed against the contractors shall be routed through ADC(Engg.) who shall report the previous action taken against the contractor, if any, and then forward the case to Competent Authority for approval.

The general guidelines to be followed by the divisions in case of default by the contractor in taking up / completing the works shall be as under:-

S. No.	Nature of default by contractor	Clause of enlistment rules	Proposed action
1.	Violates any important condition of contract or his staff misbehaves with MCD officials	23.1	Demotion to a lower class
2.	Does not start / complete the work in time on one occasion	23.2	Warning to be issued
3.	Does not start / complete the work in time on two occasions	23.2	Suspension of business for one year
4.	Does not start / complete the work in time on three occasions	23.2	Suspension of business for two year
5.	Does not start / complete the work in time on four occasions	23.3	Removal from the approved list of contractors

The above instructions shall be followed in letter and spirit.

Commission for Air Quality Management in

No.120017/27/GRAP/2021/CAQM

Dated: 17.11.2024

ORDER

Sub.: Implementation of Actions under stage-IV ('Severe+' Air Quality) of revised Graded Response Action Plan in Delhi-NCR- steps to be taken.

The Commission for Air Quality Management in NCR and adjoining areas, vide Direction No. 83 dated 17th September, 2024, issued statutory direction for implementation of the revised schedule of the Graded Response Action Plan (GRAP), available on the CAQM website (caqm.nic.in), as and when orders under GRAP are invoked.

The Sub-Committee for invoking actions under the GRAP in its earlier meetings held, had invoked actions under Stage-I, Stage-II and Stage-III of the GRAP on 14th October, 2024, 21st October, 2024 and 14th November, 2024.

The Sub-Committee in its urgent meeting held on 17th November, 2024 further reviewed the air quality scenario in the region as well as the forecasts for meteorological conditions and air quality index of Delhi made available by IMD/IITM.

The Sub-Committee observed that the AQI of Delhi was recorded at 441 (Severe) at 4:00 P.M on 17.11.2024 (today) and has been gradually increasing further and has already reached Severe+ category, as the AQI clocked 447, 452 and 457 at 5:00 PM, 6:00 PM and 7:00 PM respectively. Further, the average AQI for Delhi is expected to remain in this adverse range owing to heavy fog, variable winds, highly unfavorable meteorological and climatic conditions. Forecasts from IMD/IITM also indicate a likelihood of the AQI of Delhi to particularly remain in higher end of "SEVERE"/"SEVERE+" category in the coming days, owing to unfavorable climatic conditions.

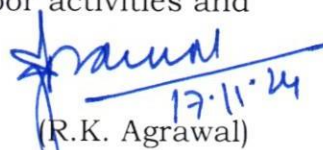

Therefore, in an effort to prevent further deterioration of the air quality, the Sub-Committee decided that **ALL actions** as envisaged **under Stage IV of the GRAP –'Severe+' Air Quality (DELHI AQI>450)** be implemented in right earnest by all the agencies concerned in the NCR, **in addition to the Stage-I, II and III actions already in force, from 8:00 A.M. of 18.11.2024 in the National Capital Region (NCR).**

These include:

1. Stop entry of truck traffic into Delhi (except for trucks carrying essential commodities/ providing essential services). All LNG/ CNG / Electric/ BS-VI Diesel trucks) shall, however, be permitted to enter Delhi.
2. Do not permit LCVs registered outside Delhi, other than EVs / CNG / BS-VI diesel, to enter Delhi, except those carrying essential commodities / providing essential services.
3. Enforce strict ban on plying of Delhi - registered BS-IV and below diesel operated Medium Goods Vehicles (MGVs) and Heavy Goods Vehicles (HGVs) in Delhi, except those carrying essential commodities / providing essential services.
4. Ban C&D activities, as in the GRAP Stage-III, also for linear public projects such as highways, roads, flyovers, overbridges, power transmission, pipelines, tele-communication etc.
5. NCR State Govts. and GNCTD may take a decision on discontinuing physical classes even for classes VI – IX, class XI and conduct lessons in an online mode.

Circular

As per Section 31 of CGST Act & Rule 46, a GST invoice has to be provided by the Contractor/Supplier/Service Provider giving details such as Invoice number and date, customer name, shipping and billing address, customer's and taxpayer's GSTIN, place of supply, HSN Code, item details, Taxable Value and discounts, rate and amount of CGST/SGST/IGST, whether GST is payable on reverse charge basis, signatures. If the taxpayer is not registered and the value is more than Rs.50,000/- then invoice should carry name and address of the recipient, address of delivery, state name and state code.

Recently, in hearing of District Court in Delhi, It was highlighted that guidelines issued vide Circular No. 41/DCA/FMB/EDMC/2018 dated 23.10.2018 (copy attached) are not being followed by various departments of MCD i.e. Bills were passed without tax invoice. Non submission of GST invoice by the contractor as well as non seeking of same by both the contract issuing authority & the Bill passing authority of MCD in works and services contracts where the running bills are prepared and passed shows serious negligence on the part of contractors as well as bill passing authority of MCD. This lapse (from contractor & deptt.) was noticed in all works and services contract.

Henceforth, all Contract issuing & Bill passing authorities are hereby directed to mandatory collect the GST tax invoice from Contractors both in works and services contract in terms of Section 31 & Rule 46 of CSGT Act, 2017. Further no payment shall be released against bill of contractor by bill passing authority of MCD, without submission of tax invoice by the contractor. If the contractor has failed to submit GST tax invoice alongwith running and final bills then concerned JE or equivalent authority as per contract has to seek the copy of tax invoice from contractor. Any deviation will attract disciplinary action against all concerned. A sample format of GST Invoice is also enclosed herewith for reference.

This issues with the approval of Competent Authority.
