

PARTICULAR SPECIFICATIONS SECTION-I(PSS-I)
GENERAL REQUIREMENTS

1. WORK IN ACCORDANCE WITH DRAWINGS AND SPECIFICATIONS

- 1.1 The work under this contract shall be carried out in accordance with schedule 'A', Special condition, particular specifications, General specifications and other provisions in the MES Schedule, relevant latest Indian standards and codes of practice. National building codes and drawings forming part of this contract read in conjunction with each other.
- 1.2 The term "General specifications" referred to above as well as in IAFW-2249 (General conditions of contracts) shall mean the specifications contained in MES schedule of rate 2009 (Part-I Specifications) and 2020 (Part-II-Rates) briefly mentioned as MES Schedule.
- 1.3 General Rules, specifications, special conditions and preambles in the MES schedule shall be deemed to be applicable to the work under this contract. Unless mentioned otherwise the provisions in these tender documents shall take precedence over the above said provision in the MES Schedule.
- 1.4 Where specifications for any item of work are not given in MES schedule or in these particular specifications or drawings, specifications given in the relevant INDIAN standard specifications or code of practice shall be followed.

2. SAMPLES OF MATERIALS (ARTICLES AND EQUIPMENTS)

- 2.1 All materials, articles and equipment's to be incorporated in the work shall be brand new and shall be procured from the manufacturer/authorized agents of the manufacturer. The sample of material for approval shall be submitted by the contractor within a period of three months from the date of placing of WO No. 1 by the GE and these shall be brought at site in the original packing. If any article is manufactured in more than one quality, the material/article of first quality shall be provided. These materials shall be got approved from the GE in writing before placing bulk order for incorporation in the works. Two samples of each article (except heavy equipment/article for which the decision of GE shall be final and binding) shall be produced by the contractor for the approval of GE well in time keeping in view the activities agreed to in CPM Chart. The approved sample shall be signed by GE as well as contractor representative and shall be kept in safe custody till the date of completion of work.
- 2.2 The materials articles and equipment referred to in **Schedule 'A'** shall invariably bear ISI certification mark. These materials although conforming to relevant IS will not be accepted if they do not bear ISI certification mark.
- 2.3 BLANK
- 2.4 The materials, articles and equipment not covered in the above Appendices shall bear ISI certification mark. If ISI marked items are not available, then conforming to relevant IS and if conforming to IS are also not available then these shall be of best quality available in the trade as approved by the GE. The decision of the GE in this regard shall be final, conclusive and binding.
- 2.5 The contractor shall produce on demand original receipted paid vouchers to the GE in respect of all materials, articles and equipment.
- 2.6 The contractor shall produce original purchase vouchers to the GE in respect of all materials, articles and equipments for which payment is claimed in RAR as "Materials Lying at Site".
