Phone: 07152-284341 to 55 (15lines) ext. 243

Contact person: Mr. Pravin Wankhede, Incharge Pharmacist

The tenders shall remain valid till 31st Dec 2026 or next Tender selection whichever is later. A bid valid for a shorter period is not allowed. Participation in bid will imply acceptance of terms and condition. Prior to the expiration of the bid validity the Purchaser may request the tenderers to extend the validity for the period as required by the Purchaser.

The prices quoted and accepted will be binding on the tenderer and valid till 31st Dec 2026. Any increase in price will not be entertained during the contract period. Drug purchase Committee or Sub-committee appointed by medical superintendent shall negotiate with the tenderer to reduce the rates offered by them. These negotiations will be made with acceptable lowest tenderers.

The price quoted by the tenderer shall not in any case, exceed the control price, if any, fixed by the Central Government under D P C O and the Maximum Retail Price (MRP). The Purchaser at their discretion will exercise the right to revise the price at any stage so as to conform to the control price or MRP as the case may be. The discretion will be exercised without prejudice to any other action that may be taken against the tenderer.

If at any time during the period of contract, the price of tendered items is reduced or brought down by any law or act of the central or state govt. or by the tenderer himself, the tenderer shall be morally and statutorily bound to inform the purchaser immediately about such reduction in the contracted price. The purchaser is empowered to reduce the rates accordingly.

To ensure sustained supply without any interruption, the Purchaser reserves the right to a) split orders for supplying the requirements amongst more than one tenderer provided that, the rates and other conditions of supply are same. b) Procure items directly from manufacturer.

In case the tenderer quotes prices higher than allowed as per DPCO, NPPA or higher than MRP or/and fails to supply the goods consistently the tenderers will be declared as fraudulent and defaulter.

- α. The extra expenditure incurred because of extra cost and because of risk purchase shall be recovered from the tenderer.
- β. The tenderer will be debarred from participating in the tender for next year.

The period of contract may be extended if the Purchaser so decides at awarded rate of rate contract.

The manufacturing company should have a valid quality control certificate that the items quoted are of standard quality as per Good Manufacturing Practices W.H.O.G.M.P Certificate from the regulatory authority.

ALL THE PAGES OF BID BEING SUBMITTED MUST BE SIGNED BY THE BIDDER BEFORE UPLOADING. THE OFFERS SUBMITTED BY FAX/E-MAIL/BY HAND SHALL NOT BE CONSIDERED. NO CORRESPONDENCE WILL BE ENTERTAINED IN THIS MANNER.

➤ **Liquidated damages**

If the Supplier fails to deliver any or all of the goods within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price (or make credit note), as liquidated damages, an amount as per the chart.

Value of unsupplied amount	Fine
Up to Rs 1000	Rs. 100

Rs 20,001 – Rs 50,000	Rs. 2500
Rs 50,001 – Rs 1 lac	Rs. 5000
Rs >1 lac – Rs 5 lac	Rs. 10,000
Rs 5 lac and above	Rs. 25,000

In addition, the Purchaser may consider for termination of the Contract

➤ **Default Clause / Cancellation on failure to supply:**

If the supplier fails to commence delivery as scheduled or to deliver the quantities ordered to him within the delivery period stipulated in the contract, it shall be at discretion of the purchaser either (a) To extend the delivery period or (b) To cancel the contract in whole or in part for the unsupplied quantities without any show cause notice. In the event of extension, liquidated damages, will be applicable. If the purchaser decides to cancel the contract, the mode of repurchase will be at the discretion of the purchaser. The supplier shall be liable to pay any loss by way of extra expenditure or other incidental expenses, which the purchaser may sustain on account of such repurchase at the risk and cost of the supplier. In addition to action above, the purchaser may debar the defaulting supplier from future orders, for maximum period of 3 years. In any case the supplier will stand debarred for future contracts for the period till extra expenditure on account of cancellation and repurchase in terms of action above is paid by the supplier or recovered from his bill for supplied goods against any orders with the purchaser. The EMD shall be forfeited.

Discontinuation of any product will be taken seriously. However, if the same is on account of Government policy the same will be considered.

➤ **Inspections and tests**

All items should be packed and supplied as per standard guidelines of FDA / ISI. Quality analysis report should accompany all supplies.

The drugs may be subjected for laboratory analysis. The drugs shall have the active ingredients at the maximum permissible level throughout the shelf-life period of the drug. The supplies will be deemed to be completed only upon receipt of the quality certificates from the laboratories. Samples which do not meet quality requirements shall render the relevant batches liable to be rejected. If the sample is declared to be Not of Standard Quality or spurious or adulterated or mis-branded, such batch/batches will be deemed to be rejected goods.

The Purchaser shall be the final authority to reject full or any part of the supply, which is not conforming to the specifications and other terms and conditions. No payment shall be made for rejected stores. Rejected items must be removed by the tenderers within two weeks of the date of rejection at their own cost and replaced immediately. In case rejected items are not removed it will be destroyed at the risk, responsibility & cost of Manufacturer. Random samples from each batch may be sent to Govt. approved laboratory for testing by the Drug inspector, FDA Wardha. In the event of the samples of drugs and medicines supplied failing quality test,s the Purchaser is at liberty to make alternative purchase of the items of drugs and medicines for which the Purchase orders have been placed from any other sources or the open market or from any other tenderer who might have quoted higher rates at the risk and the cost of the supplier. In such case the Purchaser has every right to recover the cost from the supplier.

If the drugs declared as misbranded, adulterated and spurious as per Drugs and Cosmetics Act, 1940 amended from time to time, the concerned manufacturer shall be blacklisted for a period of next three years.

➤ **Warranty**

All goods must be of fresh manufactured and must bear the dates of manufacturing and expiry. All goods supplied under the Contract should have a minimum three fourth of its shelf life upon delivery at final destination. Has “overages” within the standard ranges and are not subject to recall by the Applicable regulatory authority due to unacceptable quality or an adverse drug reaction and in every other respect will fully comply with the technical specifications and with the conditions laid down in the Contract.

The Purchaser shall have the right to make claims under the above warranty after the Goods have been delivered to the final destination indicated in the Contract. Upon receipt of a written notice from the Purchaser, the Supplier shall, within the period of 15 days replace the defective Goods without cost to the Purchaser. The Supplier will be entitled to remove, at his own risk and cost, the defective goods once the replacement goods have been delivered. In the event of a dispute by the Supplier, a counter-analysis will be carried out on the manufacturer's retained samples by an independent neutral laboratory agreed by both. If the counter analysis confirms the defect, the cost of such analysis will be borne by the Supplier as well as the replacement and disposal of the defective goods. If, after being notified that the defect has been confirmed pursuant to above clause, the Supplier fails to replace the defective Goods within the period of 15 days, the Purchaser may proceed to take such remedial action as may be necessary, including removal and disposal, at the Supplier's risk and expense and without prejudice to any other rights that the Purchaser may have against the Supplier under the Contract. The Purchaser will also be entitled to claim for storage, in respect of the defective Goods for the period following notification and deduct the sum from payments due to the Supplier under this Contract.

In the event any of the Goods are recalled, the Supplier shall notify the Purchaser within Fourteen (14) days, providing full details of the reason for the recall and promptly replace, at its own cost, the items covered by the recall with Goods that fully meet the requirements of the Technical Specification and arrange for collection or destruction of any defective Goods. If the Supplier fails to fulfill its recall obligation promptly, the Purchaser will, at the Supplier's expense, carry out the recall.

➤ **Force Majeure**

For purposes of this Clause, 'Force Majeure' means at any time during subsistence of contract, an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

If a Force Majeure situation arises, the Supplier shall promptly but not later than 15 days notify the Purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

Force Majeure will be accepted on adequate proof thereof.

If contingency continues beyond 30 days, both parties will discuss and decide the course of action to be adopted. Even otherwise, if the contingency continues beyond 60 days, then the purchaser may consider for termination of the contract on equitable basis.

➤ **Confidentiality**

Information relating to the examination, clarification, evaluation, and comparison of tenders, and recommendations for the award of a Contract shall not be disclosed to tenderers or any other persons not officially concerned with such process until the notification of Contract award is made.

Any effort by the tenderer to influence the Purchaser in the Purchaser's bid evaluation, bid comparison, or contract award decisions may result in the rejection of the Tenderer's bid.

➤ **Payment**

Payment by Cheque/RTGS/NEFT shall be made upon submission of following documents after receipt of batch wise laboratory analysis report.

- a. 3 copies of supplier's invoice. (All Bills should have e-mail ID for payment notification)
- b. Receipt certificates issued by the consignees.

- c. Company in-house and third party quality analysis certification
- d. Suppliers account details

The purchaser shall have every right to deduct the pending dues on account of loss, compensation, or any remedial action in monetary terms from the said payment. The Supplier shall not agitate the said issue in future.

Tenderer while supplying the batch of drug will be expected to supply the FDA/ other appropriate agency equivalent certificate regarding the quality of drug supplied per batch. KHS reserves right for refusal to allow such drugs to be procured and stop further orders from the tenderer till he/she supplies the needful for the entire duration of the tender contract. KHS thus reserves the right to pass the drug purchase order to the next eligible bidder.

"Part supply" should be refrained as much possible. Compile single day supply /and single PO orders in single bill. Multiple bills increase paper and manpower wastage. "withholding partial orders" will be at sole discretion of MGIMS.

➤ **Corrupt or Fraudulent Practices**

The Purchaser as well as Tenderers shall observe the highest standard of ethics during the procurement and execution of such contracts. "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract to the detriment of purchaser and includes collusive practice among Tenderers (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition.

"Collusive practice" means a scheme of arrangement between two or more tenderers, with or without the knowledge of the Purchaser, designed to establish tender prices at artificial, non-competitive level; and. "Coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or effect the execution of the contract.

The Purchaser will reject a tender for award if it determines that the tenderer recommended for award has directly or through an agent engaged in corrupt or fraudulent practices in competing for the contract in question. The Purchaser will declare a firm or individual as ineligible, either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that they have, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing, a contract.

➤ **RESOLUTION OF DISPUTE**

In the event of any question, dispute or differences in respect of contract or terms and conditions of the contract or interpretation of the terms and conditions or part of the terms and conditions of the contract arises, the parties may mutually settle the dispute amicably.

➤ **GOVERNING LANGUAGE**

English language version of the contract shall govern its interpretation.

➤ **APPLICABLE LAWS**

The contract shall be governed in accordance with the law prevailing in India, Act, Rules, Amendments and orders made thereon from time to time.

IDEMNIFICATION

The contractor shall indemnify the purchaser against all actions, suit, claims and demand or in respect of anything done or omitted by contractor in connection with the contract and against any losses or damages to the purchaser in consequence of any action or suit being brought against the contractor.

➤ **Jurisdiction**

All the suits arising out of the contract shall be instituted in the court of competent jurisdiction situated in Wardha only and not elsewhere.

➤ **Saving clause**

No suits, prosecution or any legal proceedings shall lie against the Procurement Cell, Drug purchase committee or any person for anything that is done in good faith or intended to be done in pursuance of tender.

SELECTION PROCESS

After opening Technical Bid, EMD receipts are sent to accounts section for payment verification. If documents are proper, financial bid is opened. Each BOQ is downloaded. HIS has its own software and all BOQ will be uploaded in the software. Comparative from lowest to highest is made. The data is presented to all relevant Head of Department.
