Scope of Work

A. For Cable Jointing Work

1. Proper care should be taken while handling the cable so that cable may not damage.
2. Excavation (if required) of underground cable (minimum 5-7 mtr) for fault identification & rectification.
3. Dismantling of old defective cable piece & laying of new power cable piece in overhead cable tray.
4. Straight through joint/end termination joint of cable is to be done. (Supply of straight through jointing kit & end termination kit is in scope of MPPGCL).
5. Testing of cable before charging under supervision of OIC.
6. Backfilling of underground cable.
7. For competing above job all required T&P shall be in scope of contractor.
8. Any other work related to complete the above job and not mentioned above is in scope of contractor.

B. For Cable replacement work

1. Dismantling of faulty/damaged cable from overhead cable tray as per instruction of OIC or his authorized officer.
2. Shifting of new/spare cable from store or as per instruction of OIC.
3. Laying of new/spare cable of place of dismantled cable or as per instruction of OIC or his authorized officer.
4. Proper dressing of cable is to be completed with cable ties, cable glands, cable tags etc.
5. Shifting of old defective/damaged cable to the location as per instruction of OIC or his authorized officer.
6. Testing of new cable before charging under supervision of OIC.
7. For competing above job all required T&P shall be in scope of contractor.
8. Any other work related to complete the above job and not mentioned above is in scope of contractor.
9. Laying of Overhead bundle conductor cable for street light poles.

TERMS & CONDITIONS

- Safety: The contractor shall provide safety appliances to all of his workers including supervisor and ensure that safety appliances are used by his workers. Following appliances shall be necessarily available with all employees of contractor:
 - Safety Boot, Safety Helmet, Safety Belt, Insulated hand gloves.
- Accident: In case of accident (Fatal/non-fatal) during work all responsibility of the deceased / injured person shall rest with the contractor, MPPGCL shall not be responsible for any compensation.
- All to-&- fro charges & local transportation charges for men, material, T&P items and others will be in scope of contractor/bidder.
- Contractor must ensure proper isolation & confirm permit for the same from OIC or its authorised person.
- The workers engaged will be properly trained & qualified as the work is related to electrical works and workers are to deal with the HT/LT electrical supply. Therefore, all the precaution must be taken to carry out the work safely.
- However all safety measures must be taken by the contractor. In case of any accident (fatal/non fatal) contractor shall be responsible for that.
- Cable joint work is only done by certified cable jointer.

TENDER SPECIFIC CONDITION

1. **Contract Period/Work Completion Period**:-The period of contract shall be 12 Months from the date of actual commencement of work. The Company however reserves the right to increase or decrease the contract period. The contract period may also be extended subsequently for a period of 3 months or upto 50% of original contract value, if required by MPPGCL and contractor is bound to accept the same.
2. **PENALTY**:- In addition to the clause no. 2.26 of Instructions to Bidders “PENALTY” , following shall also be applicable :-
 - (i) In case of non availability of T&P then Rs 500/- on such occasion shall be deducted.
 - (ii) In case, if any worker is observed not following the safety rules and regulations as per requirement of factory act and other relevant law, penalty as deemed fit. (Not exceeding Rs. 500/- per day) shall be imposed on contractor by Engineer-in-charge and /or safety officer.
 - (iii) The contractor will be liable for the due observation and implementation of the statutory conditions and requirements of Factory Act and other labour laws as applicable to his workmen. If any penalty is imposed on Factory occupier / Factory Manager due to non compliance of labour laws the same shall be borne by the contractor.
 - (iv) All the statutory penalties imposed by the state / central government authorities shall be borne by the contractor.
3. **Clause 2.7 of General Conditions of Contract “EXECUTION OF AGREEMENT” shall be read as:** The successful bidder must assign & submit the acceptance of LOI/Order within 15 days from the date of issuance by MPPGCL. The bidder should present himself or his duly authorized representative in person within 15 days after acceptance of order to execute an agreement as per prescribed proforma as per annexure -VI on non judicial stamp paper (as per gazette notification of GoMPdtd. 09.09.2025) With revenue stamp of Rs.2 affixed on it before commencement of work for the due and faithful fulfillment of the contract as under:-
