**Subject: Corrigendum regarding Pre-Bid Meeting for Contractual Unskilled Labour Services for the Year 2026-27**

With reference to the above-mentioned tender for providing contractual unskilled labour services for the year 2026-27, the pre-bid meeting was conducted on 14/05/2026 as per the prescribed schedule at the office of the Dy. Director, Directorate of Geology and Mining, Regional Office, Nagpur.

A total of five labour contractors attended the pre-bid meeting. During the discussion, a query was raised regarding Serial No. 13 of the Terms and Conditions, which states that:

“The contractor should personally visit the site and submit the survey report duly signed by the officer present at the site along with the tender.”

After discussion and consideration during the pre-bid meeting, it has been decided that:

The bidder shall submit an undertaking letter along with the tender stating that the site visit report duly signed by the concerned officer will be submitted after the award of work to the L1 bidder. If he denies then the tender automatically awarded to L2 and so on.

Accordingly, the condition mentioned at Serial No. 13 of the Terms and Conditions stands modified to the above extent.

All other terms and conditions of the tender shall remain unchanged.
