E. INTRODUCTION:

1. The Department of Agriculture and Farmer's empowerment, Government of Odisha through OAIC initiated supplying of fruits/vegetables crates. Such supply will be highly beneficial not only to the farmers but also to the state in expanding increased productivity and storage of materials. It would also help in increasing food security and farm income making agriculture more viable, lucrative & attractive.

Only those manufacturers who will be successful in the bidding at the end of this exercise will be able to obtain procurement order for supply of plastic fruits/vegetables crates to all ADH/DDH of Department of Horticulture under various schemes implemented by Govt. of Odisha.

2. Procedure to participate in online bidding e-procurement

The Bidder intending to participate in the bid is required to register in the Portal using his /her active personal/ official e-mail ID as his Login ID and attach his/her valid Digital Signature Certificate (DSC) to his/her unique Login ID. The DSC used must be of appropriate class (Class II or Class III) issued from a registered Certifying Authority such as n-Code, Sify, TCS, MTNL etc. He/ She has to submit the relevant information as asked for about the firm/ contractor. The portal registration of the bidder/firm is to be authenticated by the State Procurement Cell after verification of original valid certificates/ documents such as (i) PAN and (II) Registration Certificate (RC)/ GST Registration Certificate and GSTIN (for procurement of goods) of the concerned bidder. The time period of validity in the portal is at par with validity of RC/GST Registration Certificate and GSTIN. Any change of information by the bidder is to be re-authenticated by the State Procurement Cell. After successful authentication bidder can participate in the online bidding process.

Bidder not registered with Government of Odisha, can participate in the e-procurement after necessary enrolment in the portal but have to subsequently register themselves with the appropriate registering authority of the State Government before award of the work as per prevalent registration norms of the State.

- a. To log on to the portal, the Bidder is required to type his/her *username* and password. *The system will again ask to select the DSC and confirm it with the password of DSC.* For each login, a user's DSC will be validated against its date of validity and also against the Certificate Revocation List (CRL) of respective CAs stored in system database. The system checks the unique ID, password and DSC combination and authenticates the login process for use of portal.
- b. The tender documents uploaded by the Tender Inviting Officer in the website <https://tendersodisha.gov.in> will appear in the section of "Upcoming Tender" before the due date of tender sale. Once the due date has arrived, the tender will move to "Active Tender" Section of the *homepage*. Only a small notification will be published in the newspaper specifying the work details along with *mention* of the specific website for details. The publication of the tender will be for specific period of time till the last date of submission of bids as mentioned in the 'Invitation for Bid' after which the same will

- be removed from the list of Active tenders. Any bidder can view or down load the bid documents from the web site.
- c. Bidder exempted from payment of cost of tender document /EMD will be able to participate in the tender directly by uploading documentary evidences towards his eligibility for such exemption.
 - d. The *software* application has the provision of payment of cost of tender document through payment gateways of *authorized* bankers by directly debiting the account of the bidders.
- 2.1. Furnishing scanned copy of such documents is mandatory along with the tender documents otherwise his/her bid shall be declared as non-responsive and thus liable for rejection. It is mandatory that the DSC issued in the name of the authorized signatory is used in the portal.
 - 2.2. In the case of any failure, malfunction, or breakdown of the electronic system used during the e- procurement process, the tender inviting officer shall not accept any responsibility for failures or breakdowns other than in those systems strictly within their own control.
 - 2.3. Any third party/company/person under a service contract for operation of e-procurement system in the State or his/their subsidiaries or their parent companies shall be ineligible to participate in the procurement processes that are undertaken through the e-procurement system irrespective of who operates the system.
 - 2.4. For submission of Bids through the E-Procurement Portal, the bidder shall up load the scanned copy/copies of document in prescribed format wherever warranted in support of eligibility criteria and qualification information. The online bidder shall have to produce the original documents in support of the scanned copies and statements uploaded in the portal before the specified date as per DTCN.
 - 2.5. Each bidder shall submit only one bid. A bid is said to be complete if accompanied by cost of bid document and appropriate bid security (except exempted cases). The system shall consider only the last bid submitted through the E-Procurement portal.
 - 2.6. The bidder may ask question related to tender online through the official email of OAIC (E&I) (Energization & Infrastructure Division) i.e., oaicdgme@gmail.com, provided the questions are raised within the period of seeking clarification i.e., up to the pre bid meeting date mentioned in the DTCN. The Officer inviting the Bid/ Representative of the Tender Inviting Authority will clarify queries related to the tender.
 - 2.7. The bidder is required to down load all the documents for preparation of his bid. It is necessary on the part of the Bidder to up-load complete Bid documents while up-loading his bid. He is required to up load documents related to his eligibility criteria and qualification information and Financial Bid duly filled in. It is assumed that while participating in the bid, the bidder has referred all the document and design. Seeking any revision of rates or backing out of the bid claiming for not having referred to any or all documents provided in the Bid by the Officer Inviting the Bid will be construed as plea to disrupt the bidding process and in such cases the bid security shall be forfeited.
 - 2.8. Any addendum / corrigendum/ cancellation of tender shall be published in the website <https://tendersodisha.gov.in> such notice shall form part of the bidding documents.
 - 2.9. The system generates a mail to those bidders who have already uploaded their tenders and those bidders if they wish can modify their tenders. The bidders are required to watch the website till last date and time of bid submission for any addendum/ corrigendum/ cancellation thereof. Tender inviting authority is not responsible for communication failure of system generated mail.

All the volumes/documents shall be uploaded / provided in the portal by the Officer inviting the bid. The bidder shall carefully go through the document and prepare the required documents and up load the scanned documents in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid. He will fill up the rate of item in designated Cell of Financial Bid and upload the same in designated location of Financial Bid. Bidders are to submit the financial bid as per the original format uploaded by publisher after entering the relevant fields without any alteration/deletion/modification. Multiple financial bid submission shall lead to cancellation of bid. In case of item rate tender, bidders shall fill in their rates other than zero value in the specified cells. The bidders shall mention the financial bid both in words and figures.

3. PAYMENT OF EMD/BID SECURITY AND COST OF BID DOCUMENTS:

The Bidder shall furnish, as part of his Bid, a Bid security for the amount mentioned under NIT/Contract Data in online mode. Non-submission of bid security within the designated period shall debar the bidder from participating in the on-line bidding system and his portal registration shall be cancelled. His name shall also be informed to the registering authority for cancellation of his registration.

The EMD or Bid Security.

- 3.1. The tender accepting authority will verify the originals of all the scanned documents of the successful bidders after opening of the tender (price bid). In the eventuality of failure on the part of the successful bidder to procedure the original documents, he will be debarred in future from participating in tender for 3 years and will be black listed by the competent authority.
- 3.2. Bidder exempted from payment of cost of bid document & EMD will be able to participate in the tender directly by uploading documentary evidences towards his eligibility for such exemption.
- 3.3. Government of Odisha has introduced e-payment gateway into the portal for payment of cost of Bid and Bid Security/ Earnest Money Deposit. The process of using-payment gateway is mentioned in the **“Procedure for Electronic receipt, accounting and reporting of Cost of Tender Paper and Earnest Money Deposit on submission of bids”**.

4. FORMAT AND SIGNING OF BID: (Logging to the Portal):

The Bidder is required to type his/her Login ID and Password. The system will again ask to select the DSC and confirm it with the password of DSC as a second stage authentication. For each login, a user's DSC will be validated against its date of validity and also against the Certificate Revocation List (CRL) of respective Cas stored in system database. The system checks the unique Login ID, Password and DSC combination and authenticates the login process for use of portal.

The bidder can download the tender of his choice and save it in his system and undertake the necessary preparatory work off-line and upload the completed tender at his convenience within the final date and time of submission. The bidder shall only submit single copy of the required documents and Price Bid in the portal. In the Financial bid, the bidder cannot leave any figure blank. He has to only write the figures; the words will be self-generated. The Bidders are advised to up load the completed Bid document well ahead of the last date & time of receipt to avoid any last moment problem of power failures etc.

- 4.1.1. The Bidder shall go through the Bid carefully and list the documents those are asked for submission. He shall prepare all documents including Declaration form,

price bid etc. and store in the system.

- 4.2. The bidder shall log on to the portal with his DSC and move to the desired tender for uploading the documents in appropriate place one by one simultaneously checking the documents. Once the Bidder makes sure that all the documents have been up-loaded in appropriate place, he clicks the submit button to submit the bid to the portal.
- 4.2.1. The bids once submitted cannot be retrieved or corrected. Tender cannot be pre-opened and cannot be submitted after due date and time. Therefore, only after satisfying that all the documents have been uploaded, the Bidder should activate submit button.
- 4.2.2. In thee-procurement process each process are time stamped. The system can identify each individual who has entered in to the portal for any bid and the time of entering in to the portal.
- 4.2.3. **The Bidder should ensure clarity of the document up loaded by him to the portal especially the scanned documents by taking out sample printing. Non-submission of legible documents may render the bid non-responsive.** However, the Officer inviting the Bid if so, desires can ask for legible copies or original copies for verification with in a stipulated period provided such document in no way alters the Bidder's price bid. If the Bidder fails to submit the original documents with in the stipulated date, his bid security shall be forfeited.

5. SUBMISSION OF BIDS: -

- 5.1. The bidder shall carefully go through the tender and prepare the required documents. The bid shall have a Technical Bid and a Financial Bid. The Technical bid generally consists of GSTIN, PAN, Declarations, Affidavits, IT Returns, Balance Sheet and any other information required by Officer Inviting Tender (OIT). The Financial Bid shall consist of the price related information.
- 5.2. Bidders are to submit only the original financial bid (in.xls format) uploaded by Procurement Officer Publisher (Officer Inviting Tender) after entering the relevant fields without any alteration/deletion/modification. **Multiple financial bid submission by bidder shall lead to cancellation of bid.** In case of items rate tender, bidders shall fill in their rates other than zero value in the specified cells without keeping it blank.
- 5.3. The bidder shall upload the scanned copy/ copies of document in support of eligibility criteria and qualification information in prescribed format in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid.
- 5.4. The bidder shall write his name in the space provided in the specified location in the Protected Financial Bid published by the Officer Inviting Tender. The bidder shall type rates in figure only in the rate column of respective items(s) without any blank cell in the rate column in case of item rate tender up to two decimal places only.
- 5.5. The bidder shall log to the portal with his/ her DSC and move to the desired tender for uploading the documents in appropriate place one by one simultaneously checking the documents.
- 5.6. Bids cannot be submitted after due date and time. The bids once submitted cannot be viewed, retrieved or corrected. The Bidder should ensure correctness of the Bid prior to uploading and take print out of the system generated summery of submission to confirm successful uploading of bid. The bids cannot be opened even by the OIT or the Procurement Officer Publisher/ opener before the due date and time of opening.

- 5.7. Each process in the e-procurement is time stamped and the system can detect the time of log-in of each user including the Bidder.
- 5.8. The Bidder should ensure clarity/legibility of the document uploaded by him to the portal.
- 5.9. The system shall require all the mandatory forms and fields filled up by the Bidders during the process of submission of the bid/ tender.
- 5.10. The bidder should check the system generated confirmation statement on the status of the submission.
- 5.11. The bidder should upload sufficiently ahead of the bid closure time to avoid traffic rush and failure in the network.
- 5.12. The Tender Inviting Officer is not responsible for any failure, malfunction or breakdown of the electronic system used during the e-procurement process.
- 5.13. The Bidder is required to upload documents related to his eligibility criteria and qualification information duly filled in. It is assumed that the bidder has referred all the documents& design uploaded by the Officer Inviting the Bid.
- 5.14. The Bidder will not be able to submit his bid after expiry of the date and time of submission of bid (server time). The date and time of bid submission shall remain unaltered even if the specified date for the submission of bids declared as a holiday for the Officer Inviting the Bid.
- 5.15. The 'Online bidder' shall digitally sign on all statement's documents, certificates uploaded by him, owning responsibility for their correctness/ authenticity as per IT ACT 2000. If any of the information furnished by the bidder is found to be false/ fabricated/ bogus, his EMD/BID Security shall stand forfeited and his registration in the portal shall be blocked and the bidder is liable to be blacklisted.

6. SECURITY OF BID SUBMISSION:

- 6.1. All bid data uploaded by the Bidder to the portal will be encrypted by the DSC of the opener(s). The system shall require all the mandatory forms and fields filled up by the contractor during the process of submission of the bid/tender.
- 6.2. The Bid shall be received in encrypted format by the system which can only be decrypted / opened by the authorized openers only on or after the due date and time.

7. DEAD LINE FOR SUBMISSION OF THE BIDS:

- 7.1. The online bidding will remain active till the last date and time of the bid submission. Once the date and time (Server date and time) is over, the bidder will not be able to submit the bid. The date & time of bid submission shall remain unaltered even if the specified date for the submission of bids declared as a holiday for the Officer inviting the Bid.

8. RESUBMISSION AND WITHDRAWAL OF BIDS:

- 8.1. Resubmission of bid by the Bidders for any number of times before the final date and time of submission is allowed.
- 8.2. Resubmission of bid shall require uploading of all documents including price bid a fresh.
- 8.3. If the bidder fails to submit his modified bids within the pre-defined time of receipt, the

system shall consider only the last bid submitted.

9. LATE BIDS:

- 9.1.** The system shall reject submission of any bid through portal after closure of the receipt time. For all purpose the server time displayed in the e-procurement portal shall be the time to be followed by the bidder and concerned officers.

10. MODIFICATION AND WITHDRAWAL OF BIDS:

- 10.1** In the E-Procurement Portal, it is allowed to modify the bid any number of times before the final date and time of submission. The bidder shall have to logon to the system and resubmit the documents as asked for by the system including the price bid. In doing so, the bids already submitted by the bidder will be removed automatically from the system and the latest bid only will be admitted. But the bidder should avoid modification of bid at the last moment to avoid system failure or malfunction of internet or traffic jam or power failure. If the bidder fails to submit his modified bids within the designated time of receipt, the bid already in the system shall be taken for evaluation.
- 10.2** In the E-Procurement Portal, withdrawal of bid is allowed. But in such case, he has to write a letter with appropriate reasons for his withdrawal addressed to the Officer inviting the bid and up load the scanned document to portal in the respective bid before the closure date and time of receipt of the bid. The system shall not allow any withdrawal after expiry of the closure time of the bid.

11. OPENING OF THE BID:

- 11.1.** Bid opening date is specified during tender creation or can be extended with corrigendum. This date is available in Invitation for Bid (IFB), tender document as well as the homepage of portal. Bid opening can be done by the authorized users which are defined during the tender publication / approval stage. The bids are encrypted using their public keys and can be decrypted only on or after the Bid Opening due date and time. The bid openers private key will be required to open the bids and all the openers have to log on to the portal during that time.
- The bidders who participated in the on-line bidding can witness opening of the bid from any system logging on to the portal with the DSC away from opening place. Bidders are not required to be present during the bid opening at the opening location if they so desire.
 - Each activity is date and time stamped with user details. For time stamping, server time is taken as the reference.
- 11.2.** In the event of the specified date of bid opening being declared a holiday for the Officer inviting the Bid/Engineer-in-Charge, the bids will be opened at the appointed time on the next working day.
- 11.3.** The Bid openers; who have been pre-defined shall log on to the portal with their respective DSC. Unless all the Officers who have been declared as Opening officers, log on the portal

with their DSC the Tender cannot be opened.

- 11.4. In case of non-responsive tender, the officer Inviting tender should complete the e-Procurement process by uploading the official letter for cancellation/ re-tender.

12. EVALUATION OF BIDS:-

All the opened bids shall be downloaded and printed for taking up evaluation. The officer authorized to open the tender shall sign and number on each page of the documents downloaded and furnish a certificate that “the documents as available in the portal containing nos. of pages”.

- 12.1. After opening of technical bid, the bidder may be asked in writing/ online (in their registered e- mail ID) to clarify on the uploaded documents provided in the Technical Bid, if necessary, with respect to any doubts or illegible documents required for Technical Evaluation. The Officer Inviting Tender may ask for any other document of historical nature during Technical Evaluation of the tender. Provided in all such cases, furnishing of any document in no way alters the bidder’s price bid. Non submission of legible documents may render the bid non- responsive. The authority inviting bid may reserve the right to accept any additional document.
- 12.2. The bidders will respond in not more than 7 days of issue of the clarification letter, failing which the bid of the bidder will be evaluated on its own merit.
- 12.3. Immediately, on receipt of these clarifications, the Evaluating Officers; predefined in the system for the bid, will finalize the list of responsive bidders. They will log on to the site with their DSC and record their comments on the technical evaluation page in the system. The Officer Inviting the Bid if also the accepting authority, shall log on to the system with his digital signature and check the technical evaluation. He can either accept or pass on to the evaluating officers for re- evaluation. Upon acceptance of technical evaluation by the Accepting authority in the system, the system shall automatically generate letter to all the responsive bidders and the system shall forward the letter to all the responsive bidder that their technical bid has been evaluated responsive with respect to the data/information furnished by him and the letter shall also intimate him the date & time of opening of financial bid. The system shall also inform the non- responsive bidders in their e-mail ID that their bid has been found non-responsive.
- 12.4. The Technical evaluation of all the bids shall be carried out up as per the information furnished by the Bidders. But evaluation of the bid does not exonerate the bidders from checking their original documents and if at a later date the bidder is found to have misled the evaluation through wrong information, action as per relevant clause of DTCN shall be taken against the bidder/contractor.
- 12.5. The Procurement Officer-Evaluators will evaluate bid and finalized list of responsive bidders.

Opening of price bid and evaluation of lowest bidder is subject to satisfaction of other qualification information.

- 12.5.1. The financial bids of the technically responsive bidders shall be opened on the due date of opening. The Procurement Officer-Openers shall logon to the system in sequence and open the financial bids.
- 12.5.2. The Financial Bid will be opened on the notified date & time in the presence of bidders or their authorized representative who wish to be present.

- 12.5.3.** At the time of opening of “Financial Bid”, the names of the bidders whose technical bids were found responsive will be announced and the bids of only those bidders will be opened. The remaining bids will be rejected.
- 12.5.4.** The responsive bidders’ name, the bid prices, the item wise rates, the total amount of each item in case the item rate tender will be announced. Any withdrawals, and such other details as the officer inviting the tender may consider appropriate, will be announced by him or his authorized representatives at the time of opening.
- 12.5.5.** The Financial bid of the bidders shall be opened one by one by the designated officers. The system shall auto-generate the Comparative statement.
- 12.5.6.** The Bidder can witness the principal activities and view the documents/summary reports for that particular work by logging on to the portal with his DSC from anywhere.
- 12.5.7.** Procurement Officer-Openers shall sign on each page of the downloaded Financial Bid and the Comparative Statement and furnish a certificate to that respect.

13. CLARIFICATION AND NEGOTIATION OF BIDS:

- 13.1.** For examination, evaluation, and comparison of bids, the officer inviting the bid may, at his discretion, ask the successful bidder for clarification of his rates including reduction of rate on negotiation and breakdowns of unit rates.
- 13.2.** On opening of the price bid the system shall arrange the financial bids in order of their value for subsequent evaluation. The evaluation status (Sheet) will be visible to all the participating bidders after opening on their respective logins. Each activity is recorded in the system with date and time stamping.
- 13.3.** Bidder may be clarified regarding e-bidding process during pre-bid meeting before opening of Technical bid.

14. NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT:

- 14.1.** In the E-Procurement Portal, the system shall generate the template of award letter and the Officer.
- 14.1.1.** Inviting the Bid shall mention the amount of Performance Security required to be furnished in the letter and intimate the bidders in his e-mail ID.
- 14.2.** The Employer/ Officer-in-Charge shall notify acceptance of the work prior to expiry of the validity period by cable, telex or facsimile or e-mail confirmed by registered letter. This letter of Acceptance will state the sum that the Officer-in-Charge will pay the contractor in consideration of execution and completion of the works by the Bidder as prescribed by the contract and the amount of performance security required to be furnished. The issue of the letter of Acceptance shall be treated as closure of the Bid process and commencement of the contract.
- 14.3.** The Bidder after furnishing the required acceptable Performance Security, “Letter of Proceed” or “Purchase Order” shall be issued by the Officer-in-Charge with copy thereof to the Procurement Officer-Publisher. The Procurement Officer-Publisher shall upload the summary and declare the process as complete (Required after empanelment).
- 14.4.** If the successful bidder does not turn up for agreement after finalization of the tender, then he shall be debarred from participation in bidding for three years and action will be taken to blacklist the Bidder. Besides the consortium/ JV/firm where

such an agency/ firm already happens to be or is going to be a partner/ member/proprietor, he/they shall neither be allowed for participation in bidding for three years nor his/their application will be considered for registration and action will be initiated to blacklist him/ them.

15. BLOCKING OF PORTAL REGISTRATION

- 15.1.** If the registration Certificate of the Bidder is cancelled/ suspended by the registering authority/ blacklisted by the competent authority his portal registration shall be blocked automatically on receipt of information to that effect.
- 15.2.** The portal registration blocked in the ground mentioned in the above Para- 15.1 shall be unblocked automatically in receipt of revocation order of cancellation/ suspension/ blacklisting from the concerned authority.
- 15.3.** The Officer Inviting Tender shall make due inquiry and issue show cause notice to the concerned Bidder who in turn shall furnish his reply, if any, within a fortnight from the date of issue of show cause notice. There after the Officer Inviting Tender is required to issue an intimation to the defaulting bidder about his unsatisfactory reply and recommend to the Chief Manager (Tech), State Procurement Cell, Odisha for blocking of portal registration within 10 days of intimation to the defaulting bidder regarding his unsatisfactory reply with intimation to the Registering Authority and concerned Heads of Office if any of the following provisions are violated.
- 15.3.1.** Fails to furnish original Technical Documents before the designated officer within the stipulated date and time.
- 15.3.2.** Backs out from the bid on any day after the last date of receipt of tender till expiry of the bid validity period (including till the extended bid validity period).
- 15.3.3.** Fails to execute the agreement with in the stipulated date.
- 15.3.4.** If any of the information furnished by the bidder is found to be false/ fabricated/ bogus. Accordingly, the officer Inviting Tender shall recommend to the Chief Manager (Tech), State Procurement Cell, Odisha for blocking of portal registration of bidder and simultaneously action shall also be initiated by officer inviting tender for blacklisting.

The minimum period of blocking of Portal Registration shall in no case be less than 180 days.

16. Procedure for Electronic receipt, accounting and reporting of Cost of Tender Paper and Earnest Money Deposit on submission of bids:

- 16.1.** The State Government have formulated rules and procedures for electronic receipt, accounting and reporting of the receipt- of Cost of Tender Paper and Earnest Money Deposit on submission of bids through the e-procurement portal of Government of Odisha i.e. <https://tendersodisha.gov.in> .
- 16.2.** Electronic receipt of cost of tender paper has been successfully tested through SBI payment gateway. Now it has been decided to introduce electronic receipt of **Cost of Tender Paper and Earnest Money Deposit on submission of bids** through payment gateway of designated banks such as SBI/ICICI Bank/HDFC Bank for all Government Departments, State PSUs. Statutory Corporations, Autonomous Bodies and Local Bodies etc. in phases. The process out line as well as accounting and reporting structure are

indicated below:

- a) It will be carried out through a single banking transaction by the bidder for multiple payments like Cost of Tender Paper and Earnest Money Deposit on submission of bids.
- b) Various payment modes like Internet banking/ NEFT/RTGS of Designated Banks and their Aggregator Banks as well can be accessed by the intending bidders.
- c) Reporting and accounting of these receipts will be made from a single source.
- d) Credit of receipts into the Government accounts and to the designated Bank account of the participating entities indicated in Para 16.2 above would be faster.

16.3. Only those bidders who successfully remit their **Cost of Tender Paper and Earnest Money Deposit on submission of bids** would be eligible to participate in the tender/bid process. The bidders with pending or failure payment status shall not be able to submit their bid. Tender inviting authority, State Procurement Cell, NIC, the designated Banks shall not be held responsible for such pendency or failure.

16.4. Banking arrangement:

16.4.1. Designated Banks (SBI/ICICI Bank/HDFC Bank) payment gateway are being integrated with e-Procurement portal of Government of Odisha (<https://tendersodisha.gov.in>).

16.4.2. The Designated Banks participating in **electronic receipt, accounting and reporting of Cost of Tender Paper and Earnest Money Deposit on submission of bids** will nominate a Focal Point Branch called e-FPB, who is authorized to collect and collate all e-Receipts. Each such branch will act as the Receiving branch and Focal Point Branch notwithstanding the fact that the bidder might have debited his account in any of the bank's branches while making payment.

17. Procedures of bid submission using electronic payment of tender paper cost and EMD by bidder:

17.1 Logon to e-Procurement Portal: The bidders have to log onto the Odisha e-Procurement portal (<https://tendersodisha.gov.in>) using his/her digital signature certificate and then search and then select the required active tender from the "Search Active Tender" option. Now, Submit button can be clicked against the selected tender so that it comes to the "My Tenders" section.

17.2 Uploading of Prequalification/Technical/Financial bid: The bidders have to upload the required Prequalification /Technical/Financial bid, as mentioned in the bidding document.

17.2 Electronic payment of tender paper cost and EMD: Then the bidders have to select and submit the bank name as available in the payment options

17.3 A bidder shall make electronic payment using his/her internet banking enabled account with designated Banks or their aggregator banks.

17.3.1 A bidder having account in other Banks can make payment using NEFT/RTGS facility of designated Banks.

- Online NEFT/RTGS payment using internet banking of the bank in which the bidder holds his account, by adding the account number as mentioned in the challan as an interbank beneficiary.

17.4 Bid submission: Only after receipt of intimation at the e-Procurement portal regarding successful transaction by bidder the system will activate the 'Freeze Bid Submission' button to conclude the bid submission process.

17.5 System generated acknowledgement receipt for successful bid submission: System

will generate an acknowledgement receipt for successful bid submission. The bidder should make a note of '**Bid ID**' generated in the acknowledgement receipt for tracking their bid status.

18 Settlement of Cost of Tender Paper;

18.1 Cost of Tender Paper: In respect of Government receipts on account of **Cost of Tender Paper**, the e-Procurement portal shall generate a MIS for the State Procurement Cell (SPC). The MIS will contain an abstract of the cost of tender paper collected with reference to **Bid Identification Number**. The State Procurement Cell shall generate Bank-wise-head-wise challans separately for **Cost of Tender Paper** and instruct the designated Banks to remit the money to the State Government account under different heads. In respect of the cost of tender paper received through the e-procurement portal, the remittance to the Cyber Treasury account will be made to the Head of Account 0075-Misc, General Services-800-Other Receipts -0097-Misc. Receipts-02237-Cost of Tender Paper.

18.2 For the time being, the State Procurement Cell (SPC) will use over the counter payment facility of the Odisha Treasury portal. Thereafter, remittance through NEFT& RTGS will be facilitated through the Odisha Treasury portal.

18.3 Similarly, incase of State PSUs, Statutory Corporations, Autonomous Bodies and Local Bodies etc., **Cost of Tender Paper**, the e-Procurement portal shall generate a MIS for the State Procurement Cell (SPC). The MIS will contain an abstract of the cost of tender paper collected with reference to **Bid Identification Number**. The State Procurement Cell shall generate Bank-wise list of challans and instruct the designated Banks to remit the money through the Odisha Treasury portal. The cost of tender papers will be credited to the registered Bank account of the concerned State PSUs, Statutory Corporations, Autonomous Bodies and Local Bodies etc.

18.4 Bank will refund (in case the Tender Inviting Authority (TIA) issues such instructions) the tender fee, EMD to the bidder, in case the tender is cancelled before opening of Bid as per direction received from TIA through e-procurement system.

18.5 Back-end Transaction Matrix of Electronic receipt of Cost of Tender Paper and Earnest Money Deposit on submission of bids is enclosed in the DTCN.

19 Settlement of Earnest Money Deposit on submission of bids:

19.2 The Bank will remit the **Earnest Money Deposit on submission/cancellation of bids** to respective bidder's accounts as per direction received from TIA through e-procurement system.

20 Forfeiture of EMD:

Forfeiture of **Earnest Money Deposit on submission of bid** of defaulting bidder is occasioned for various reasons.

20.1 In case the **Earnest Money Deposit on submission of bid** is forfeited, the e-Procurement portal will direct the Bank to transfer the EMD value from the Pooling Account of SPC to the registered account of the tender inviting authority.

20.2 The Tender inviting authorities of the Government Departments will deposit the forfeited **Earnest Money Deposit on submission of bid**, in the State Government Treasury under the appropriate head (8782-Cash Remittances and Adjustments between the officers

rendering accounts to the same Accounts Officer-102-P.W.Remittances-1683-Remittances-91028-Remittances into Treasury) after taking the amount as a revenue receipt in their Cash Book under the head 0075-Misc.General Services-00-101 -Unclaimed Deposits-0097-Misc, Receipts-02080-Misc. Deposits and submit the detail account to DAG (Puri) as a deposit of the Division.

20.3 By clicking submit button, system will initiate the forfeiture of EMD. System will not allow the evaluator to edit the initiation after clicking the submit button. Forfeiture option can be carried out in phased manner like one bidder at a time.

21 Role of the Banks:

21.1 Make necessary provision/customizations at their end to enable the provision for online payments/refunds as per this document.

- a. Provide necessary real-time message to bidders regarding successful or unsuccessful transactions during online payment processes and redirect them to e-Procurement website with necessary transaction reference details enabling them to submit their bids.
- b. The bank shall ensure transfer of funds from the pooling account to the Government Head/current account of PSUs/ULBs within the next bank working day as per the directions generated from e- Procurement portal.
- c. Bank should provide timely reports and reference details to NIC enabling them to carry out their role as stated below.
- d. Refund of amount to bidders as per the XML file provided by e-Procurement system on the next bank working day from the date of generation of the XML file and also provides a confirmation to NIC on the same.

22 Role of State Procurement Cell:

- a. Communicate requirements of Government departments/ State PSUs/ Autonomous Bodies/ ULBs online payment requirements to National Informatics Centre / the authorized Banks for mapping/ customization.
- b. In every working day, the State Procurement Cell shall generate MIS from the e-Procurement portal to ascertain the tender paper cost received in the e-Tendering process separately bank-wise for the Government Department and the PSUs/ULBs. The SPC shall generate bank-wise separate online challans from the Odisha Treasury portal and make the remittance through over-the-counter facility or NEFT/RTGS (as and when this functionality is available in Treasury portal) and issue instruction to the bank for remittance of the receipt to the State Government account.
- c. The State Procurement Cell shall be responsible for providing challan details and MIS in respect of the remittance towards tender paper cost to the Tender inviting authorities for their record.
- d. State Procurement Cell shall monitor the progress of e-Tendering by different Government departments / State PSUs/ Autonomous Bodies / ULBs through an MIS. State Procurement Cell shall monitor and send monthly progress reports to the Government.

- e. Thee-Procurement system will generate a consolidated refund & settlement XML file as an end of the day activity.
- f. e-procurement system will provide a web service for payment gateway (PG) provider to pull the encrypted refund and settlement details in XML file against a day.
- g. Similarly, payment gateway (PG) provider will provide a web service to pull the refund and settlement status against a day.
- h. e-procurement system will update the status accordingly for reconciliation report.

23 Role of National Informatics Centre:

- a. Customize e-Procurement software and web-pages of Government of Odisha (<https://tendersodisha.gov.in>) to enable the provision for electronic payment.
- b. The NIC, Odisha will modify/rectify the errors in electronic data relating to the Chart of Account.
- c. NIC will provide an interface to organizations to download the electronic receipt data.
- d. Enable automatic generation of daily XML files from e-Procurement system and ensure delivery of the same to the authorized Banks for enabling automatic refund/settlement of funds.
- e. NIC shall enable the e-Procurement portal to generate MIS as required for the State Procurement Cell in order to make remittance of the tender paper cost to the State Government account using the Odisha Treasury portal.

24 Role of Cyber Treasury:

- a. The cost of the tender paper deposited by the SPC using the Odisha Treasury Portal which will be accounted for by the Cyber Treasury and it shall submit the accounts to A.G (O) as per the established process.
- b. The Cyber Treasury will provide MIS as required to the SPC for the purpose of accounting and reconciliation of the electronic remittances made to the State Government account.

25 Redressal of Public grievances:

The State Procurement Cell, Odisha, National Informatics Centre, Odisha and the e-FPB will have an effective procedure for dealing with, public complaint fore-Receipt related matters. In case, any mistake is detected by any of the stakeholders in reporting of receipt of tender paper cost and EMD, either Suo moto or on being brought to its notice, the State Procurement Cell, Odisha, National Informatics Centre, Odisha unit, Cyber Treasury and the bank will promptly take steps for rectification. The e-Focal Point Branch of the participating Banks, National Informatics Centre, Odisha and the State Procurement Cell, Odisha will notify the contact number and address of the Help Desk for resolution of any dispute regarding e-Receipt.

26 Applicability and modification of existing rules/orders:

The modalities prescribed in this Office Memorandum for downloading of tender paper, submission and rejection of bid, acceptance of Bids as well as refund and forfeiture of earnest deposit will be applicable for electronic submission of bids through e-procurement portal. Existing provisions regulating cost of tender paper, earnest money deposit in OGFR would stand modified to the extent prescribed.

F. Back-end Transaction Matrix of Electronic receipt and remittance of Cost of Tender Paper and Earnest Money Deposit on submission of bids.

	Cost of Tender Paper on submission of bids	Earnest Money Deposit on submission of bids
Government Departments	<p>I. The payment towards the cost of Tender Paper, in case Government Departments, shall be collected in separate Pooling accounts opened in Focal Point Branch called e-FPB of respective designated banks [as stated in Para 16.2] at Bhubaneswar on T+1_day.</p> <p>II. With reference to the Notice Inviting Tender/ Bid Identification Number, the amount so realized is to be remitted to Government Account under the Head Of Account 0075-Misc. General Services-800-Other Receipts-0097-Misc. Receipts-02237-Cost of Tender Paper through Odisha Treasury Portal after opening of the bid.</p>	<p>I. In case of tenders of Government Departments, amount towards Earnest Money Deposit on submission of bids shall be collected in a pooling account opened for this purpose at Focal Point Branch called e-FPB of respective designated banks at Bhubaneswar and the banks will remit the amount to respective bidder's account within two working days on receipt of instruction from TIA through refund and settlement of e-procurement system.</p> <p>II. In case of forfeiture of Earnest Money Deposit on submission of bids, the e- Procurement portal will direct the Bank to transfer the EMD value from the Pooling Account of SPC to the registered account of the tender inviting authority within two working days of receipt of instruction from TIA.</p>
State PSUs Statutory Corporations, Autonomous Bodies and Local Bodies.	<p>i. - The tests as per IS15532 shall be conducted from CIPET, BBSR Laboratories for quality assurance before delivering the stock to farmers.

1. Bids Terms and Conditions:

- (Handwritten signatures and dates)*

- g) The weight of the crates, as specified in the tender, shall remain consistent and uniform throughout the entire supplied lot during the contract period. Any deviation in the approved rate due to abnormal market price fluctuations shall be considered only after due approval of the Committee constituted for the purpose.
- h) The Model Number, weight of the crate, and "HDPE" shall be embossed on each and every crate, along with any other information as may be specified by OAIC in the Supply Order.
- i) The rates quoted by the bidder shall be inclusive of all charges, including GST, packing, forwarding, transportation, and F.O.R. delivery at any location within the State of Odisha, as per **Annexure-5**.
- j) Payment towards the basic cost of supplied crates shall be made by Odisha Agro Industries Corporation Ltd. through RTGS after receipt of payment from Government against supply bills, successful receipt of materials at destination points, and submission of satisfactory CIPET testing reports. No additional transportation, handling, or unforeseen expenses shall be entertained.
- k) The crates shall be dispatched by the manufacturer to various destinations across the State of Odisha, the details of which shall be communicated at the time of issuance of the Supply Order as per received from DOH Annexure-8.
- l) The Technical Bids shall be opened and downloaded by the Technical Committee constituted by Odisha Agro Industries Corporation Ltd. The Committee shall scrutinize and evaluate the bid documents either on the same day or on a subsequent date after receipt of the quality testing report from CIPET.
- m) The bidder must submit 15 nos. of sample crates physically to this office at Odisha Agro Industries Corporation, Satyanagar, Bhubaneswar, for CIPET testing before the opening of the technical bid and within the online bid submission period. Samples received after the last date of bid submission shall not be accepted or considered for testing.
- n) A Pre-Bid Meeting shall be held on the 10th day from the date of publication of this tender, i.e., on 19.06.2026. The venue, time, and other details of the Pre-Bid Meeting shall be notified through the e-Tender Odisha portal (<https://tendersodisha.gov.in>).
- o) The approximate requirement is **5,00,000 (Five Lakh)** plastic crates as per the specifications indicated in the Technical Tender. The quantity may increase or decrease by up to **20%** depending upon actual requirement, and the supplier shall be bound to supply such revised quantity at the accepted rate/(L1) rate and on the same terms and conditions as per the dispatch schedule issued by OAIC.
- p) The Managing Director, Odisha Agro Industries Corporation Ltd. reserves the right to accept or reject any tender or all tenders, either fully or partly, without assigning any reason thereof.

- q) Only the Financial Bids of technically qualified bidders shall be opened for further evaluation, comparison, and ranking prior to award of the contract.
- r) The bidder whose bid is accepted shall be notified by the Purchaser regarding the award of contract prior to expiry of the bid validity period, and the terms and conditions of the accepted offer shall be binding upon issuance of the Supply Order.

2. Technical Eligibility Criteria for Qualification of Bidders:

- a) The bidder shall be a Manufacturer/Original Equipment Manufacturer (OEM), and valid proof of authorization/manufacturing status shall be enclosed with the bid.
- b) Product brochures of the offered material shall be submitted along with the bid. Alternatively, an internet link for verification of the model and technical specifications may also be provided.
- c) The bidder shall have supplied plastic crates valuing not less than **Rs.20** Crore during the last three (3) years to Government Departments/PSUs. The bidder shall have adequate manufacturing capacity and should have supplied equipment/models meeting major specification parameters with satisfactory performance in India. Supporting documents such as work orders, supply completion certificates, and CA-certified turnover details shall be enclosed.
- d) The OEM shall have an average annual turnover of minimum **Rs.100** Crore or more during the last three financial years ending 31st March 2025. Relevant audited financial statements/certificates shall be submitted to substantiate the same. This requirement is to ensure reliability, trustworthiness, and timely supply.
- e) Valid BIS/ISI license certificate along with license number and validity shall be submitted.
- f) Copy of PAN Card shall be submitted.
- g) Copy of GST Registration Certificate shall be submitted.
- h) Income Tax Returns (ITR) for the last three preceding financial years, i.e. F.Y. 2022-23, F.Y. 2023-24, and F.Y. 2024-25, shall be submitted along with valid Chartered Accountant (CA) certification/authorization.
- i) Post-delivery quality testing through CIPET is mandatory to confirm compliance with IS 15532 and other specifications mentioned in the Tender document.
- j) The Purchase Committee/Tender Committee reserves the right to accept or reject any or all bids without assigning any reason thereof.
- K) Joint Venture is not allowed.

Handwritten signatures and dates at the bottom of the page, including dates like 5/6/24, 05-06-24, and 05-06-25.

3. Bid Price: -

- a) The contract shall for the full quantity as described above.
- b) All duties, taxes and other levies payable shall be included in the total price.
- c) GST in connection with the sale shall be shown separately.
- d) The prices quoted should be in Indian Rupees.
- e) The rate shall remain valid for 31.03.2027 from the date of Agreement
- f) The offered rates must be FOR destination as enclosed list.
- g) Prices must be offered on the prescribed enclosed Performa/format. - (Annexure -5)

4. Tender Details: -

The tender documents shall be uploaded online in 2 Cover.

I) Cover-1: - Shall contain scanned copies of all technical document/ eligibility information.

II) Cover-2: - Shall contain "BOQ/Financial Bids" where Manufacturer will quote his offer for item.

(Bidders shall not contact other bidders in matter relating to this quotation.)

5. **Validity of tender:** The tender shall remain valid for a 'period not less than 90 days after the dead line specified for submission.

6. Scrutinization and Evaluation of bids: •

OAIC will evaluate and compare the bids determined to be substantially responsive: -

- a. **Technical Bid:** - The Technical Bids shall be opened only in respect of those bidders who have uploaded their bids in compliance with the eligibility criteria as mentioned in Tender Section G.2. The online submitted documents shall be downloaded and scrutinized. The quality testing report of the plastic crates to confirm compliance with IS 15532, as per the specifications under Section (G), shall be a mandatory requirement for scrutiny and evaluation of the bid documents. Bids of those bidders whose CIPET testing results do not meet the prescribed standards shall not be considered for further scrutiny and evaluation. After receipt of the quality testing reports of the respective samples from CIPET, the Technical Committee of experts shall scrutinize and evaluate the bids with reference to the parameters and specifications prescribed in the Tender Evaluation Document on a separate date. At the time of bid opening, the Tender Opening Committee shall verify the salient technical features of the bidders, including detailed description of the offered material, compliance with specified technical parameters, and other documents as indicated in Serial No.G. 2 (Technical Bid). The Technical Committee reserves the right to seek any clarification, additional document, or demonstration during the technical evaluation process.
- b. **Financial bid:** - It shall contain the Financial Bid uploaded in pdf./excel format, which will be made available to the bidders on the website <https://tendersodisha.gov.in>. The Financial Bid submitted in physical form shall not be accepted under any circumstances. The Financial Bids shall be opened only for those bidders who qualify in the Technical Evaluation.

7. Award of Contract:

- i. OAIC shall award the contract to the bidder whose quotation is determined to be substantially responsive, offers the lowest evaluated quotation price, and meets all specified qualification criteria. The contract shall be awarded to the lowest evaluated bidder (L1). The L1 bidder shall be required to supply the entire awarded quantity within the stipulated delivery period as specified in the contract. In the event that the L1 bidder refuses, fails, or is unable to supply the awarded quantity, OAIC reserves the right to offer the contract to the next lowest evaluated bidder (L2), subject to L2's willingness to supply the entire quantity at the rates quoted by L1 and under the same terms and conditions of the tender.
 - ii. If the L1 bidder fails to supply the awarded quantity during the execution of the contract without any valid and justifiable reason acceptable to OAIC, such failure shall constitute sufficient grounds for cancellation of the remaining portion of the award, forfeiture of the Earnest Money Deposit (EMD)/Performance Security, and debarment from participation in OAIC tenders for a period of one year. In such an event, OAIC reserves the right to procure the balance quantity from the next lowest evaluated bidder (L2) at the L1 rate and under the same terms and conditions of the tender.
 - iii. Quality testing report of plastic crates conforming to IS 15532, as per Specification (G), shall be a mandatory requirement for supply and release of payment.
 - iv. For quality testing, Fifteen (15) sample plastic crates shall be jointly collected by the District Manager, OAIC and DDH/ADH from each district supply and shall be sent to CIPET for testing to ensure compliance with IS 15532 as per Tender specifications. In case the CIPET test results of the sampled crates fail to meet the prescribed standards, no payment shall be released against such supply, and the EMD/Performance Security may be forfeited even if the supply order has been issued. Further action may be taken against the vendor as deemed appropriate. The cost of CIPET testing shall be borne by the bidder and shall be deducted from their bill/invoice.
 - v. The bidder shall submit challan and invoice/bill in the name of company only. Challans and invoices submitted in the name of dealers, distributors, or any third party shall not be entertained.
8. Notwithstanding the above, the OAIC reserves the right to accept or reject any quotations and to cancel the bidding process and reject all the bids at any time prior to award of contract.
 9. The bidder whose bid is accepted shall be notified of the award of contract by the Employer prior to the expiry of the bid validity period.
 10. **Performance Security:** - Within 7 days of receipt of the Letter of Acceptance (LOA), the successful bidder shall deposit Performance Security with the Managing Director, Odisha Agro Industries Corporation Ltd. in the form of a Bank Guarantee or Fixed Deposit Receipt (FDR) duly pledged in favour of the Managing Director, OAIC, for an amount equivalent to 5% of the contract price. The Performance Security shall remain valid up to one year from the

date of award of contract, including the warranty and guarantee period, to the satisfaction of the Department.

11. Failure of the successful bidder (L1) to furnish the Performance Security and execute the Agreement within the stipulated period shall constitute sufficient grounds for cancellation of the award, forfeiture of the Earnest Money Deposit (EMD), and debarment from participation in OAIC tenders for a period of one year. In such an event, the Managing Director, Odisha Agro Industries Corporation Ltd. may award the contract to the next lowest evaluated bidder (L2), subject to its willingness to execute the work at the L1 rate and under the same terms and conditions of the tender.
12. No advance or part payment shall be made under any circumstances. Payment shall be released only after successful supply of materials and receipt of payment from the concerned DDH/ADH to whom the materials are supplied.
13. In the event of any dispute, the matter shall be referred to the next higher authority. The next higher authority shall be the Principal Secretary to Government, Agriculture & Farmers' Empowerment Department, whose decision shall be final and binding on both the parties. The Courts of Law at Bhubaneswar shall have exclusive jurisdiction over all disputes.
14. The Authority reserves the right to seek clarification, justification, or negotiation from the manufacturer regarding the price offer, if deemed necessary. Based on the justification provided, if the Authority considers the price unrealistic or unfeasible for execution of the project, it reserves the right to reject the price offer. The decision of the Authority shall be final and binding on the bidder.
15. All pages of the bid document shall be duly signed by the authorized signatory with official seal.
16. The bidder shall have a functional office address within the Municipal Area of Odisha.

ANNEXURE- 1

FORMAT FOR COVERING LETTER

(On the Letter head of the Applicant)

To,

The Managing Director,

Odisha agro Industries Corporation Ltd

95-Satyanagar, Bhubaneswar -751001,

E-mail: oaicho@orissaagro.com

Sir,

Ref: Submission of tender for **“E-Tender For Supply of Plastic Crates for Fruits & Vegetables from Original Equipment Manufacturers for the Financial Year 2026–27.”**in Odisha Agro Industries Corporation Ltd.

Being duly authorized to represent and act on behalf of (hereinafter referred to as “the Applicant”) and having reviewed and fully understood all of the information provided in the document provided by the OAIC in respect to the captioned tender, the undersigned here by submits the Applications in response to the tender for consideration .

I/We have studied the tender documents carefully and understand that we shall have no claim, right or title arising out of any documents or information provided to us by the OAIC or in respect of any matter arising out of or concerning or relating to the tender Process.

This statement is made for the express purpose of qualifying as an Applicant for the aforesaid tender.

I/We shall make available to the OAIC any additional information it may find necessary or require supplementing or authenticate the qualification statement.

I/We certify that in the last three years, we have neither failed to perform on any contract, as evidenced by imposition of a penalty by an arbitral or judicial OAIC or a judicial pronouncement or arbitration award, nor been expelled from any project or contract by any public OAIC nor have had any contract terminated by any public OAIC for breach on our part.

I/We understand that you may cancel the tender Process at any time and that you are neither bound to accept any application that you may receive nor to invite the Applicants, without incurring any liability other Applicants.

My/Our Application is consistent with all requirements of submission as stated in the tender Document or in any of the subsequent communication issued by the Authority. I/ We would be solely responsible for any errors or omissions in our application.

I/We understand that any omission, commission or misstatement in facts provided by us will make our application invalid at any time during the tender Process and also after the empanelment; the OAIC reserves the right to take appropriate action accordingly.

I/We understand that the OAIC reserves the right to accept or reject any or all the Applications and reserves the right to withhold and/or cancel the tender Process without assigning any reason or otherwise.

I/We hereby irrevocably waive any right which we may have at any stage at law or howsoever otherwise arising to challenge or question any decision taken by the OAIC in connection with the empanelment to firms, or in connection with the Empanelment Process itself, in respect of the above-mentioned activities and the terms and implementation thereof.

I/We agree and undertake to abide by all the terms and conditions of the tender Document.

Notwithstanding any qualifications or conditions, whether implied or otherwise, contained in my/our Application, I/where by represent and confirm that my/ our application is unqualified and unconditional in all respects.

*Indian Standard***PLASTICS CRATES FOR FRUITS AND
VEGETABLES — SPECIFICATION****1 SCOPE**

This standard prescribes the requirements, methods of sampling and test for rigid and collapsible plastic crates for holding and transporting fruits and vegetables.

2 REFERENCES

The following standards contain provisions, which through reference in this text constitute provisions of this standard. At the time of publication the editions indicated were valid. All standards are subject to revisions, and parties to agreements based on this standard are encouraged to investigate the possibility of applying the most recent editions of the standard indicated below:

<i>IS No.</i>	<i>Title</i>
4905 : 1968	Methods for random sampling
7328 : 1992	High density polyethylene materials for moulding and extrusion — Specification (<i>first revision</i>)
9833 : 1981	List of pigments and colourants for use in contact with foodstuffs, pharmaceuticals and drinking water
10951 : 2002	Polypropylene materials for moulding and extrusion (<i>first revision</i>)
14534 : 1998	Guidelines for recycling of plastics

3 REQUIREMENTS

3.1 The crates shall consist of a rigid or collapsible plastic container with base and side walls, either solid or perforated or its combination.

3.2 Material

The base raw material for crate shall be unpigmented plastic material preferably high density polyethylene (HDPE) conforming to the designation PE-MAN-A50D045/PE-MAN-A50D090 of IS 7328 or polypropylene copolymer (PPCP) grade PP-CM-95-030 Nat, PP-CM-95-060 and PP-CM-95-120 conforming to IS 10951. However, selection of the raw material for a specific type of crates shall be as agreed to between the purchaser and the supplier.

3.2.1 The colour of the crate shall be as agreed to between the purchaser and the supplier. However, the pigment/colour used shall not be metal based, shall

comply with the list and limits of pigments and colorants prescribed in IS 9833 and shall have light fastened certificate from the manufacturer.

3.2.2 Adequate ultraviolet stabilizer (recommended quality and quantity) shall be added, if required for the application as agreed to between the purchaser and the supplier. Alternatively UV stabilized resins of HDPE or PPCP meeting the MFI and density requirements of **3.2** may also be used as agreed to between the purchaser and the supplier.

3.3 Shape, Dimensions and Design

3.3.1 The shape, dimensions and design of the crate shall be as agreed to between the purchaser and the supplier.

3.3.2 The crates within a given design shall be interchangeable and inter-stackable. The full capacity of the crate is calculated based on weight of equivalent volume of water.

3.4 Mass

The mass of the crate shall depend upon the material used; the capacity and the design selected and, therefore, shall be as agreed to between the purchaser and the supplier.

3.5 Appearance and Surface Finish

The inside and outside surface of the crate shall be of a smooth finish and free from edges including handle slot and shall have a handle slot of minimum dimensions of 95 mm × 25 mm for comfortable handling.

3.6 Dimensional Stability

Crates when tested in accordance with method prescribed in Annex B shall show no dimensional changes greater than 1.5 percent.

3.7 Confluence Line Strength

The confluence line (weld line) of the crate when tested in accordance with method prescribed in Annex C shall not show crack or breakages.

3.8 Mechanical Strength**3.8.1 Compressive Strength (Resistance to Applied Load)**

The compression in the height of a crate when tested in accordance with the method described in Annex D

IS 15532 : 2004

shall not exceed two percent of its original height. Residual compression after 24 h after removal of the test load shall be 0.8 percent or less.

3.8.2 Resistance to Drop

When a fully filled crate is tested in accordance with the method described in Annex E, no crack on the crate shall occur.

3.9 Resistance to Environmental Stress Cracking

Crates when tested in accordance with the method prescribed in Annex F shall show no surface cracking.

3.10 Handle Test

3.10.1 Suspension Test

The crates handle when tested in accordance with the method described in Annex G, shall not crack or break.

3.10.2 Free-Fall Test

The crate's handle when tested in accordance with the method described in Annex G shall not crack or break and shall be stackable with itself and with the new crates.

4 PACKING AND MARKING

4.1 Packing

The crates shall be packed as agreed to between the purchaser and the supplier.

4.2 Marking

Each crate shall be legibly and permanently marked with the following information:

- a) Manufacturer's name or initial trade-mark, if any;
- b) Month and year of manufacture;
- c) Batch or Code number;
- d) Recycling symbols of HDPE and polypropylene (*see* IS 14534); and
- e) Any other markings as desired by the purchaser.

4.2.1 BIS Certification Marking

The crates may also be marked with the Standard Mark.

4.2.1.1 The use of the Standard Mark is governed by the provisions of *Bureau of Indian Standards Act, 1986* and the Rules and Regulations made thereunder. The details of conditions under which the licence for the use of the Standard Mark may be granted to manufacturers or producers may be obtained from the Bureau of Indian Standards.

5 SAMPLING

The method of drawing representative sample from a lot and the conformity of a lot to requirements of this standard shall be as prescribed in Annex H. The dimensional stability (*see* 3.6) and environmental stress cracking resistance (*see* 3.9) shall be type tests.

IS 15532 : 2004

ANNEX A*(Foreword)***LIST OF INDIAN STANDARDS ON PLASTICS SUITABLE FOR USE WITH FOODSTUFFS, PHARMACEUTICALS AND DRINKING WATER**

<i>IS No.</i>	<i>Title</i>	<i>IS No.</i>	<i>Title</i>
10142 : 1982	Styrene polymers for its safe use in contact with foodstuffs, pharmaceuticals and drinking water	12247 : 1988	Nylon-6 polymer for its safe use in contact with foodstuffs, pharmaceuticals and drinking water
10146 : 1982	Polyethylene for its safe use in contact with foodstuffs, pharmaceuticals and drinking water	12252 : 1987	Polyalkylene terephthalates (PET & PBT) for their safe use in contact with foodstuffs, pharmaceuticals and drinking water
10151 : 1982	Polyvinylchloride (PVC) and its copolymers for its safe use in contact with foodstuffs, pharmaceuticals and drinking water	13576 : 1992	Ethylene methacrylic acid (EMAA) copolymers and terpolymers for their safe use in contact with foodstuffs, pharmaceuticals and drinking water
10910 : 1984	Polypropylene and its copolymers for its safe use in contact with foodstuffs, pharmaceuticals and drinking water	13601 : 1993	Ethylene vinyl acetate (EVA) copolymers for its safe use in contact with foodstuffs, pharmaceuticals and drinking water
11434 : 1985	Ionomers resins for its safe use in contact with foodstuffs, pharmaceuticals and drinking water		
11704 : 1986	Ethylene/acrylic acid (EAA) copolymers for its safe use in contact		

ANNEX B*(Clause 3.6)***TEST FOR DIMENSIONAL STABILITY**

B-1 Measure the height of the crate at four corners, and length and width at the top and bottom dimensions of the crate. Place the measured empty crate on its base in an air-circulated oven at $80 \pm 2^\circ\text{C}$ for 30 min.

Allow it to cool to ambient temperature by keeping it on its base. Repeat the measurements and calculate the percentage change in the dimensions of the crate.

ANNEX C*(Clause 3.7)***DETERMINATION OF CONFLUENCE LINE (WELD LINE)**

C-1 Select a crate sample after curing for at least 22 h at $27 \pm 5^\circ\text{C}$. Drop a steel ball of 2 kg once from a height of 3 m on to the centre of each confluence line

(weld line) after placing the crate in a horizontal position. Observe the breakage, cracks or any deformation on the crate.

ANNEX D*(Clause 3.8.1)***DETERMINATION OF COMPRESSIVE STRENGTH (RESISTANCE TO APPLIED LOAD)**

D-1 Stack 6 empty crates one top of other. Put 5 kg load inside the top most crate for proper positioning. Measure the stack height.

after removing the earlier placed 5 kg load. Allow the load to remain on the crate for 3 h. At the end of 3 h measure the stack height. Remove the load and measure the stack height after 24 h. The tests are to be conducted at $27 \pm 5^\circ\text{C}$.

D-2 Place 500 kg plate on top of the uppermost crate

IS 15532 : 2004

ANNEX E

(Clause 3.8.2)

DETERMINATION OF RESISTANCE TO DROP

E-1 BOTTOM DROP TEST

E-1.1 Procedure

Load a crate with dummies of the specified load capacity of the crate. Drop the loaded crate in horizontal position from a height of 3 m on a steel plate. Drop the crate four times and observe the cracks, or breakage or deformation occurred on the crate. The test is not valid if full base of the crate is not impacted on each drop.

E-2 CORNER DROP TEST

E-2.1 Procedure

Fill a crate with the dummies of the specified load capacity of the crate. Drop the crate from 30 cm height. Repeat the drop with other corners from the same height. Observe the breakage, cracks on the crate.

Drop tests are to be conducted at $5 \pm 1^\circ\text{C}$ and $27 \pm 1^\circ\text{C}$.

ANNEX F

(Clause 3.9)

DETERMINATION OF RESISTANCE TO ENVIRONMENT STRESS CRACKING

F-1 Prepare a two-percent solution of Teepole B 300 in water. Set the temperature of the solution in the tank at $80 \pm 5^\circ\text{C}$. After achieving the temperature,

submerge a crate in the tank so that it dips fully into the tank and record the time. Remove the crate after 6 h and check the sample for cracks.

ANNEX G

(Clauses 3.10.1 and 3.10.2)

HANDLE STRENGTH TEST

G-1 GENERAL

The crates are subjected to both suspension test and free fall test to ascertain the strength of the handle.

G-2 SUSPENSION TEST

Fill the crate with dummies to the specified load capacity of the crate. Ensure that the load is properly tied to the crates. Suspend the crate from one handle for 10 min with a canvass strap tied to the handle of

the crate. Observe the handle after the test. The handle shall not crack or break.

G-3 FREE FALL TEST

Tie 450 mm length after tying canvass strap to the handle of the crate. Raise the crate with load up to the other end of the strap. Allow free fall of the crate (450 mm). Observe the handle after the test. The handle shall not crack or break and shall be stackable with itself and with the new crates.

ANNEX H

(Clause 5)

SAMPLING OF PLASTICS CRATES

H-1 LOT

H-1.1 All crates of the same type manufactured from the same material under similar conditions of productions shall be grouped together to constitute a lot.

H-1.2 Samples shall be tested from each lot separately

for ascertaining conformity of the lot with respect to the requirements of this standard.

H-1.3 The number of crates to be selected from the lot depends on the size of the lot and shall be in accordance with col (2) and (3) of Table 1.

IS 15532 : 2004

H-1.3.1 These crates shall be selected at random and in order to ensure the randomness of selection, procedure given in IS 4905 may be followed.

H-2 NUMBER OF TESTS AND CRITERIA FOR CONFORMITY

H-2.1 Characteristics given in 3.2, 3.3, 3.4 and 3.5. All crates selected according to col (3) and (4) of Table 1 shall be examined for visual, dimensional and other requirements given in 3.2 to 3.5. A crate failing to satisfy any of these requirements shall be considered as defective. The lot shall be deemed to have satisfied these requirements, if the number of defective crates

found in the sample is less than or equal to the corresponding acceptance number given in col (4) of Table 1. The lot having been found satisfactory for these requirements shall be further tested under H-2.2.

H-2.2 Characteristics given in 3.7, 3.8 and 3.10. For each of these characteristics, sufficient number of crates, to carry out tests given in col (5) of Table 1, shall be selected from those already examined and found satisfactory according to H-2.1. The lot shall be declared as conforming to the requirements of the standard, if no failure occurs under this clause.

Table 1 Scale of Sampling and Permissible Number of Defectives
(Clauses H-1.3, H-2.1 and H-2.2)

Sl No.	No. of Crates in the Lot	For Characteristics given in 3.2, 3.3, 3.4 and 3.5		For Characteristics given in 3.7, 3.8 and 3.10	
		Sample Size	Acceptance No.	Sample Size	Acceptance No.
(1)	(2)	(3)	(4)	(5)	(6)
i)	Up to 1 000	32	3	1	0
ii)	1 001 to 3 000	50	5	2	0
iii)	3 001 to 5 000	80	7	3	0
iv)	5 001 to 10 000	125	10	4	0
v)	10 001 and above	200	14	5	0
