			REV DATE: 19/09/2023

SECTION - C		Additional Requirements as per DG circ 20 of 2022 For SPS vessels/Barges, <b>Copies of same to be provided.</b>
		Remarks: Yes/NO
1	Detailed risk analysis reviewed by RO authorised by Government	
2	Availability of Minimum Safe Manning by the STCW certified officers and ratings as per SMD Certificate	
3	A mooring analysis assessment report approved by a Recognized Organization	
4	Approved towing plan in fair and foul weather (manned or unmanned) as per MS Notice 08 of 2013 shall be placed on board. The approved towing plan must indicate the limiting weather parameters for fair and foul weather.	
5	All crew accommodation area shall be in compliance with the requirements specified in MLC 2006, MS (Crew accommodation) Rules 1960 as amended or crew accommodation certificate for compliance with ILO 92 or ILO 133, depending on the year of built".	
6	Requirement of lifeboats 100% on each side	
7	Immersion suits for all personnel on board and additional immersion suits as appropriate for the number of personnel at bridge, machinery control room. (On non self propelled Barges)	
8	Maximum age of Life rafts used on board the accommodation barges shall be not more than 10 years. (Accommodation Barges all)	
9	Insurance certificates required for non-marine personnel not to be less than INR 22 Lakhs or as provided in contract, whichever is higher'	
	With respect to insurance of non-marine personnel referred in this order (at least 22 Lakhs INR or as per the contract, whichever is higher), the insurance shall be provided by the P&I Club mentioned in previous paragraph. However, insurance from Indian insurance companies may also be considered provided that Indian insurance company is able to cover such liability i.e. <b>for person(s) while working at sea on barges and/or platforms.</b>	
10	Vessels while transferring the persons from their vessel to offshore platforms or accommodation barges or offshore ships shall be guided by IMO guidelines issued vide IMO circular, MSC-MEPC. Circ. 10 dated 14.07.2014 and International	

	<b>MARINE SAFETY CELL</b>	<b>SAFETY AUDIT CHECKLIST FOR MARINE SAFETY CELL</b>	ISSUE NO. 1
			DATE:
			REV NO. 0
			REV DATE: 19/09/2023

	Marine Contractors Association IMCA] guidance on the transfer of personnel to and from offshore vessels.	
11	An approved SAR plan by RO.	
12	An emergency evacuation plan and plan for emergency demobilization and proceeding to an assigned safe location shall be available.	
13	Aero VHF for two-way on scene radio communications for search and rescue purposes using the aeronautical frequencies 12L,5 MHz and 123.L MHz shall be available along with suitable periodic maintenance records from the vessel ROs	
14	All Indian accommodation barges shall be made available for the flag state inspection FSI annually.	
15	All Indian Flag Accommodation barges shall obtain trading licence to operate in Indian waters.	
16	With respect to insurance of non-marine personnel referred in this order (at least 22 Lakhs INR or as per the contract, whichever is higher), the insurance shall be provided by the P&I Club mentioned in previous paragraph. However, insurance from Indian insurance companies may also be considered provided that Indian insurance company is able to cover such liability i.e. for person(s) while working at sea on barges and/or platforms.
