1. Introduction

The Pradhan Mantri Fasal Bima Yojana (PMFBY) is the flagship crop insurance scheme launched by Govt. of India in 2016 and is being implemented by various state government for past many years in major crop seasons as per the operational guidelines and instructions issued by the MoA&FW, GoI from time to time. All instructions issued by the MoA&FW, GoI will be applicable during the tender period.

PMFBY is a yield based crop insurance scheme. The financial loss of a farmer growing notified crops in notified areas is calculated under PMFBY by comparing Actual Yield of the crop for a season against pre-defined historical Average Yield Index values; whereas under RWBICS; Actual Weather data is compared against pre-defined triggers over an insurance period.

All farmers growing the notified crops in notified areas can insure their crops under the scheme, however the enrollment of farmers under the scheme is voluntary. Farmer's share of premium will be borne by the state govt, the remaining premium will be shared equally between state and central government. Selection of insurance company will be done by state govt, for implementation of scheme through competitive bidding. Selected insurance company is responsible for claim compensation to the affected farmers based on the claim settlement protocol defined in the operational guidelines of the scheme. Apart from state govt., farmers and insurance company, there is a wide and important role of other stakeholders like Banks, CSC, Insurance Intermediaries, District Administration who are liable to perform their roles and duties as defined in operational guidelines and the instructions issued/will be issued in future by MoA&FW, GoI regarding implementation of Revamped PMFBY.

2. Project Profile and Background

Notified Crops

PMFBY will be implemented in all districts with kharif and Rabi crops as mentioned below. These crops are notified for all 24 districts in the state.

Kharif: Aghani Paddy and Bhadaï Maize

Rabi: Wheat, Rapeseed/Mustard, Bengal Gram and Potato

Cluster Approach

The scheme is implemented in cluster approach method. In each cluster a set of districts has been allocated based on risk profiling of districts and keeping the risk of clusters even.

District Names	Cluster No.
Deoghar	Cluster – I
Garhwa, Koderma, East Singhbhum, Lohardaga	Cluster – II
Godda, Bokaro, Latehar, Chatra	Cluster – III
Dumka, Giridih, Seraikela Kharswan	Cluster – IV
Pakur, Ranchi, Simdega, Khunti	Cluster – V
Sahebganj, Palamu, Ramgarh, West Singhbhum	Cluster – VI
Gumla, Jamtara, Hazaribagh, Dhanbad	Cluster – VII

Notified Insurance Unit

SN	Crop Name	Crop Season	Crop Category (Major/ Minor)	Notified Level (Insurance Unit)
1	Aghani Paddy	Kharif	Major	Gram Panchayat
2	Bhadai Maize	Kharif	Minor	Block
3	Wheat	Rabi	Major	Gram Panchayat
4	Gram	Rabi	Minor	Block
5	Mustard/ Rapeseed	Rabi	Minor	Block
6	Potato	Rabi	Minor	Block

3. Enrolment of Farmers

- a) The scheme is optional for all farmers loanee and Non-Loanee. Existing Loanee farmers will be given a provision to opt-out from the scheme by submitting requisite declaration to concerned bank branches/through portal at-least 7 days prior to the cut-off-date for enrolment of farmers for the respective seasons. Bank shall also maintain proper records of farmer declarations. Whereas non-loanee farmers can submit online and to intermediators with valid documents. Tenant farmers must submit tenant certificate in a prescribed format.
- b) All farmers are entitled to change the crop up to 2 working days before cut-off date of enrolment through respective Bank branches/CSCs and other intermediaries.
- c) Insurance companies must approve/reject all enrolled farmers within the stipulated time period as defined in the 16.4(13) of Revamped Operational Guideline of PMFBY. Insurance Company cannot reject the policy without prior approval of Agriculture & Farmers Welfare Department.
- d) All farmers including sharecroppers and tenant farmers growing the notified crops in the notified areas are eligible for coverage. However, farmers should have insurable interest for the notified/insured crops.
- e) All the Loanee farmers who have been sanctioned Seasonal Agricultural Operations (SAO) loans from Financial Institutions for the Notified Crops/Seasons will be deemed covered automatically unless a declaration for opting-out is given by the farmer in writing to the concerned bank/branch any time during the year but at-least seven days prior to the cutoff date for enrolment of farmers for the respective seasons.
- f) All the Non-Loanee farmers are required to submit online application on PMFBY portal. Necessary documentary evidence of land records prevailing in the State (Records of Right (RoR), Land possession Certificate (LPC) etc.) and/ or applicable contract/ agreement details/ other documents notified/ permitted by State Govt. Non Loanee farmers are also required to submit, aadhar card, a valid mobile number, bank details, declaration by applicant farmer and consent form from tenant in case applicant is a sharecropper farmer in the prescribed format.
- g) Non-Loanee farmers can enroll themselves under the scheme through nearest bank branch, Common Service Centers, authorized and licensed Insurance Intermediaries appointed by concerned Insurance Company or directly through field employees of concerned insurance company or National Crop Insurance Portal (NCIP).
- h) All farmers can change the name of insured crop up to 2 working days before cut-off date for enrolment subject to terms & conditions and provisions mentioned in Operational Guidelines of PMFBY.

4. Period of Contract

The period of Contract between the Bid Inviting Authority and the selected Bidder shall be for Crop year 2026-27 (Kharif and Rabi), Crop year 2027-28 (Kharif and Rabi) and Crop year 2028-29 (Kharif and Rabi)

5. Coverage of Risks

Yield based basic cover is mandatory. Based on the risk assessment, the bid inviting authority has decided to opt for the following additional risk covers under the scheme and District-crops wise list of risks covered along with applicable TY Calculation Method with Normal Sowing and Harvesting dates is given in Annexure-A.

The Add on Coverages are:

- Add-On Cover 1: Preventive/failed Sowing and Preventive Planting/Germination Losses
- Add-On Cover 2: Post Harvest Losses
- Add-On Cover 3: Localized Calamities: Loss/damage to notified insured crops resulting from occurrence of identified localized risks of hailstorm, landslide, inundation, cloud burst and natural fire due to lightening affecting isolated farms in the notified area.

Risk inception date: - The risk under PMFBY will commence from the date of notification of the scheme or date of commencement of season whichever is earlier.

Yield loss damage for localized calamities and post-harvest losses will be assessed on the basis of individual insured farm level and hence lodging of loss information by farmer/designated agencies is essential. In case of widespread localized calamities, the intimations by Individual farmers are not required. Claims will be calculated based on the loss assessment report/ average yield at village level submitted by State Govt. designated agencies.

If localized calamities occurred after conducted Crop Cutting Experiments then the same procedure will be followed for conducting the loss survey and claim assessment will be applicable as in before harvesting period.

General exclusions: Losses arising out of war and nuclear risks, malicious damage and other preventable risks.

Note: All loss assessment and claim settlement process will be as per detailed protocol defined in the relevant sections of Operational Guidelines.

6. Coverage Limit/ Sum Insured Value of Crops

- a) Sum Insured per unit area (Hectare), of each notified crop for each district has been compiled from district wise DLTC approved Scale of Finance 2025-26 (SoF). The Sum Insured for Crop Year 2026-27 will be based on 2025-26 SoF. In subsequent crop years i.e Crop Year 2027-28 (Kharif and Rabi) and Crop Year 2028-29 (Kharif and Rabi) the sum insured for all crops in all districts shall increase by 5% of Crop Year 2026-27 and so on progressively.
- b) List of notified crops along with per hectare Sum Insured value has been given in Annexure-B

7. Notification of Crops and Threshold Yield (TY)

- a) Details about Notified Scheme (PMFBY), Notified Crops, Level of Notified IUs, Crop-wise Sum Insured, Crop-wise Indemnity Level is given in Annexure-B
- b) Year wise historical Average Yield data for each notified crop at Notified IU level for past 10 years is available on NCIP portal in the format provided in Annexure D
- c) Year wise, Crop-wise, IU level historical Coverage for PMFBY 2018-19, 2019-20 and 2024-25 has been given in Annexure-E
- d) List of district wise crop wise Irrigated area 2021-22 has been given in Annexure-F
- e) Cluster wise Distribution of Notified Districts has been given in Annexure-G

- f) State reserves the right to include or exclude crops and /or IUs from the notified list before commencement of respective season subject to such inclusion/exclusion remains <10% of the total insured cropped area/total number of IUs.

8. Calculation of Threshold Yield

Calculation of Threshold yield (TY):

Fixed TY-Threshold Yield (TY), as derived from the best 5 of the immediate last 7 years crop yield data and notified indemnity level, will remain unchanged for entire contract period. The premium rates quoted by insurance companies will remain unchanged for entire contract period.

In B - PMFBY Fixed Threshold Yield is calculated and is used/going to be used for crop year. 2026-27, 2027-28 and 2028-29.

9. Publicity and Awareness

- a) Adequate publicity needs to be given in all the villages of the notified districts/areas. All possible means of electronic and print media, farmer's fairs, exhibitions, SMS, short films, and documentaries shall be utilized to create and disseminate awareness about provisions and benefits of the Scheme among the cultivators and the agencies involved in implementing the Scheme.
- b) Insurance Companies will conduct Publicity and Awareness immediately on receipt of award of work. All the publicity material/ information should necessarily be uploaded on the National Crop Insurance Portal along with coverage/frequency/ duration, dates etc.
- c) A detailed plan of Awareness and Publicity shall be submitted by the Insurance Company along with the acceptance of Notification of Award.
- d) Insurance Companies and state govt will chalk out plan for capacity building of the associated agents, banks etc. for effective implementation of the Scheme and share it with State Government for their inputs and finalize it. Insurance Companies will also organize training workshops/sensitization program for them. Insurance companies will share the output of these activities to State Govt. & GoI periodically.
- e) Insurance company should spend 0.5% of the total gross premium for publicity expenses at the field level and the corresponding details should be submitted to Central Govt. and State Govt./Nodal Department at the end of every season. In case of expenditure in this category is less than 0.5% of Total Gross Premium, the IC shall deposit the difference in Technology Fund within 3 months of cut-off date for enrolment.
- f) Insurance Company will ensure District and Block/Tehsil/Taluka or equivalent level contact centers manned by a regular manpower for day to day interaction and capacity building of farmers and other stakeholders including banks and district administration.
- g) Insurance company will submit list of its district and block level offices along with list of manpower deployed on field at district and blocks at the time of contract.

10. Premium Rates and Subsidy Premium

- a) Farmer's premium will be maximum of 1.5% for rabi season, 2% for Kharif season and 5% for commercial crops. All farmers enrolled under the scheme would be entitled for subsidy on the Actuarial Premium.
- b) In section 12 (3) of the Departmental resolution (No. PMFBY-23/2023/322, dated 16-03-2024) passed by the Dept. of Agriculture, Animal Husbandry & Co-operative, GoJ, farmer's share of actuarial premium rate shall be borne by State Government.
- c) A token farmer Premium of minimum Rs. 1/- should compulsorily be charged from the farmers to facilitate electronic tracking & enrollment reconciliation.

- d) **The evaluation of bid will necessarily be done based on weighted average premium rate quoted for each crop based on coverage area of last corresponding seasons. If new crops are added in subsequent seasons 30% of average area sown during last three corresponding seasons should be used as weights for calculating weighted average premium rates for these crops.**

11. Goods and Services Tax

Premium collected under the Birsa PMFBY scheme is exempted from applicability of Goods and Service Tax until the same is reviewed by the competent authority of Govt. of India.

12. Seasonality Discipline

Seasonality discipline with timelines as approved by SLCCCI for various activities is given in Annexure -K. The applicability of these timelines will be in accordance with the Terms & conditions and provisions contained in the Operational Guidelines of PMFBY.

13. Assessment of Yield Loss

Widespread Calamities (based on season-end yield): The Scheme operates on the basis of 'Area Approach' i.e., Defined Areas for each notified crop for widespread calamities and insurance unit is Gram Panchayat and block.

In order to maintain the transparency and credibility of CCEs as an objective method of yield estimation, the modalities mentioned in the Operational Guidelines of PMFBY shall be followed.

14. Smart Sampling and Two Yield Estimation

For major crops across states, the following method of Rationalization of number of CCEs without impacting the quality of sampling and estimation results will be adopted.

a) Smart Sampling of CCEs: Technology solutions for rationalization of CCEs based on homogeneous selection of sample/experimental pilots based on crop health condition analysed through Remote Sensing Technology and other New Age technological solutions shall be used for rationalization of number of CCEs for specific areas and crops as notified by GOI from time to time.

b) Two Step Yield Estimation: Two-Step yield estimation shall be adopted for specific areas and crops as notified by GOI from time to time in order to further reduce the number of CCEs to be conducted based on defined parameters to assess the crop-health through proxy indicators like weather data, satellite indices, etc.

15. Implementation of YES-TECH

YES-TECH will be implemented in all of the 24 districts of the state. Mentor Institute for Technology Rollout (MITR) is already selected. Technology Implementation partner will be selected simultaneously with the tender cycle 2026-27 to 2028-29. In the districts where YES-TECH is going to be implemented, minimum 30% of the weightage will be given to technology driven yield assessment of the given IU. Further, relevant clauses under Operational Guideline of PMFBY 2023 and YES-TECH manual would be applicable.

Further any clarifications, notifications and circulars etc. issued from time to time by the GOI, MNCFC and Government of Jharkhand shall always be binding on all Implementing Agencies.

16. Assessment of Payable Claims

16.1. Widespread calamities

If 'Actual Yield' (AY) per hectare of insured crop for the insurance unit (calculated on basis of requisite number of CCEs) in insured season, falls short of specified 'Threshold Yield' (TY), all insured farmers growing that crop in the defined area are deemed to have suffered shortfall of similar magnitude in yield. PMFBY seeks to provide coverage against such contingency.

'Claim' shall be calculated at IU level as per the following formula:

$(\text{Threshold Yield} - \text{Actual Yield}) / \text{Threshold Yield} \times \text{Sum Insured}$

Where Threshold Yield (TY) for a crop in a notified insurance unit is the average yield of best 5 years from immediate past seven years of that season multiplied by applicable Indemnity Level for that crop.

17. Claim Liability and Settlement Procedure

Insurance Company shall take appropriate re-insurance support for their portfolio in order to safeguard insured's interest. Insurer will be solely responsible for settlement of all admissible claims to the farmers.

All payable claims under the scheme will be settled in accordance with the corresponding provisions contained in Operational Guidelines of PMFBY.

18. Payment of Service Charges

All payable service charges to Banks, CSC, other Intermediaries under the scheme will be paid in accordance with the corresponding provisions contained in Operational Guidelines of PMFBY and IRDAI regulations on Payment of commission or remuneration or reward to insurance agents and insurance intermediaries.

19. Monitoring and Review of Implementation

Insurance Companies will ensure effective implementation of the scheme as per provisions given in the Operational Guidelines of PMFBY and share the data as desired by State Government from time to time.

20. Grievance Redressal Mechanism

Insurance Companies will ensure robust grievance and dispute redressal mechanism for effective implementation of the scheme as per provisions given in the Operational Guidelines of PMFBY and share the data as desired by State Government from time to time.

21. Roles and Responsibilities of Stakeholders

Roles and responsibilities as defined in the Operational Guidelines of PMFBY for each stakeholder will be applicable. Call center will also be designated to register the grievances and after due docketing same will be forwarded to the concerned stakeholder for timely disposal.

22. Performance Evaluation of Insurance Company

The performance of the empaneled Insurance Companies will be monitored as per the detailed performance evaluation matrix containing key performance indicators with assigned weightage given in the Operational Guidelines of PMFBY.

23. Penal Provision

Selected Insurance Companies are required to follow the seasonality discipline and provision of Operational Guidelines and instructions issued by the State/Central Government from time to time to ensure benefit of the Scheme is reached within stipulated timelines. Non-adherence of the guidelines and cut-off dates will attract penalty as envisaged in the Operational Guidelines.

24. Objections time period

- a) Farmers can raise his written objection to the district level office within 144 hours (6 days) after survey of localized calamity/ Crop Cutting Experiment/ Post Harvesting Loss, similarly Insurance Companies can raise objection on survey of localized calamity/ Crop Cutting Experiment/ Post Harvesting within 96 hours (4 days) after that no objection will be entertained.

- a) The Technical Bid – Bid Application Letter and other Supporting Documents.
- b) The Financial Bid.

The evaluation of bids will be carried out in two stages:

- i. The First stage will involve the evaluation of the responsiveness of the Bid Application Letters submitted by the Bidders. Only those Bidders that have submitted substantially responsive Bid Application Letters will be notified as being Qualified Bidders and will be qualified to have their financial bids opened and evaluated in the second stage.
- ii. The Second Stage will involve the evaluation of Financial Bids of the Qualified Bidders to determine the Successful Bidder for the award of the Insurance Contract.
- iii. The bidder shall comply with the all the terms and conditions of this tender document unconditionally.
- iv. The Bids must be valid for a period of not less than 60 days from the Bid Due Date (excluding the Bid Due Date).
- v. The Bid Inviting Authority will receive Bids pursuant to the Tender Document and all Bids are required to be prepared and submitted in accordance with the terms of this Tender Document, on or before the Bid Due Date.
- vi. Only those Bidders that agree with the terms of the Tender Documents are invited to participate in the Bidding Process. If any Bidder seeks any deviations to the terms of the Tender Documents or includes any conditions in its Bid, such Bidder shall be disqualified. Hence, all Bidders are requested to go through the Tender Documents carefully and submit their Bids in the formats prescribed in the Tender Documents, only if they unconditionally agree with all the terms and conditions as specified in this tender document.
- vii. Important Note: For this purpose, all Bidders are requested to review and fully familiarize themselves with the Tender Document issued by the Bid Inviting Authority. Ignorance of or failure to review the terms of the Tender Documents (including Bid submission formats) will not be accepted as an excuse for any deviations taken or conditions included by any Bidder in its Bid.
- viii. The Bid Inviting Authority may make available additional information to the Bidders to facilitate the Bidders' due diligence in respect of the insurance cover as and when available with the Bid Inviting Authority, including claims data and historical coverage information.
- ix. It will be assumed that the Bidders have undertaken their own independent due diligence and an independent analysis of all the risk factors that will or that are likely to affect the Premium quoted by them. Such risk factors that the Bidders may consider are: the scope of the cover, the number of farmers in the State, the local and geographical conditions, the enrolments and claims in the previous years, the number of localized intimations reported, the profile of calamities, information on estimated crop yield, availability of service providers, the previous claims experience, the average loss cost, the proposed additional coverages and weather parameters and the rights and obligations of the Insurer under the Insurance Contract.
- x. The Bidders will be deemed to have full knowledge of the Cover, the terms and conditions of the Insurance Contract, whether or not they have undertaken any investigations or studies.
- xi. The Successful Bidder will not be permitted to seek a change in the Premium on the basis of the information provided to it as part of the Tender Documents or its failure to undertake its independent investigations or studies or a breach of any of the assumptions taken by it in its Bid, whether after the Bid Due Date or after the execution of the Insurance Contract, except as expressly permitted in this Tender Document or in the Insurance Contract.

- xii. Bidders are required to quote Crop-wise, District-wise, Actuarial Premium Rates for each cluster for providing the Insurance Cover in their Financial Bids.
- xiii. The Premium quoted by the Bidder shall be the rate of premium payable up to 2 decimal points and shall be exclusive of Goods and Service Tax.
- xiv. The Premium quoted, except for variations under variable TY system shall be binding on the Insurer for the entire Term of the Insurance Contract and the Bidders will not be allowed to revise their Financial Bids anytime during the contract period.
- xv. The Bidders must take into account all risks, costs, liabilities, fees and expenses likely to be incurred in relation to the provision of the insurance services for implementation of the scheme.

Evaluation of Bids and Qualification of Bidders:

Technical Bid Evaluation:

The Bid Application Letters will first be evaluated for responsiveness to the Tender Document. If any Bid is found to have below mentioned errors/omission, then such Bid will be deemed to be substantially non-responsive.

- i. Not complete in all respects; or
- ii. Not duly signed by the authorized signatory of the Bidder; or
- iii. Not in the prescribed formats; or
- iv. Contain material deviations or reservations,

For the avoidance of doubt, a "material deviation or reservation" is one that affects in any substantial way, the scope or the terms and conditions of providing the Covers; or limits in any substantial way that is inconsistent with the Tender Documents, the Bid Inviting Authority's rights or the Insurer's obligations under the Insurance Contract; or would affect unfairly the competitive position of other Bidders submitting substantially responsive bids.

- i. Bid Inviting Authority may reject/ seek clarifications the bids in case of incomplete information or non-compliance of operational guidelines as Bid Inviting Authority deems fit.
- ii. The Bid Inviting Authority will evaluate only those Bid Application Letters that are found to be substantially responsive and to determine whether such Bidders satisfy the Eligibility Criteria.
- iii. In order to determine whether the Bidder satisfies the Eligibility Criteria, the Bid Inviting Authority will examine the documentary evidence of the Bidder's eligibility submitted by the Bidder and any additional information which the Bid Inviting Authority receives from the Bidder upon request by the Bid Inviting Authority.
- iv. After completion of the evaluation of the responsiveness of the Bid Application Letters and the eligibility of the Bidders, the Bid Inviting Authority will notify the qualified Bidders of the date, time and place of evaluation of the Financial Bids. Such notice may be issued on the date of opening of the Bids, in which case the Financial Bids may be opened either on the same day or on the next working day.

- v. The Financial Bids of those Bidders who are not declared as Eligible Bidders will not be opened.

Financial Bid Evaluation:

Upon opening of the Financial Bids of the Empaneled Bidders, they will first be evaluated for responsiveness to the Tender Document. If any Bid is found to have below mentioned errors/omission, then such Bid will be deemed to be substantially non-responsive.

- i. Not complete in all respects; or
- ii. Not duly signed by the authorized signatory of the Bidder; or
- iii. Not in the prescribed format; or
- iv. To contain any material deviations or reservations, (a material deviation or reservation shall have the meaning ascribed to it in clauses above).
- v. A substantially non-responsive Financial Bid shall be rejected outright. The Bid Inviting Authority will only evaluate Financial Bids of those Qualified Bidders that have been found to be substantially responsive.
- vi. Once the Financial Bids of the Qualified Bidders have been opened and evaluated for substantial responsiveness:
- vii. The Bid Inviting Authority shall announce the bidders who have qualified the technical bid/bid application letter responsiveness on the day the financial bid is opened. The Bid Inviting Authority shall also notify the unqualified bidders that their financial bid shall not be evaluated further.
- viii. On the day of opening the Financial Bid, the Bid Inviting Authority shall evaluate and tabulate the Crop-wise District-wise Premium rate quoted by each qualified Bidder that has submitted substantially responsive Financial Bid.
- ix. In the course of tabulation, the Bid Inviting Authority shall check for arithmetical errors in each Financial Bid being evaluated. If any arithmetical errors are found, then they shall be rectified as follows:
 - a. If there is a discrepancy between words and figures in any or all of the premiums quoted, then the amount in words shall prevail.
 - b. The Bid Inviting Authority shall calculate the Weighted Average Premium Rate on the basis of rates quoted by the qualified bidders for each cluster and the actual acreage/Sum Insured value during immediate past season. In case a new crop has been chosen for insurance, 25% of the total sown area should be taken for calculation of weighted average premium (WAP). The detailed format and method of calculating WAP is given in Annexure-J
 - c. **The Bid Inviting Authority shall rank the Qualified Bidders based on cluster wise Weighted Average Premium rate as L1, L2, L3 and so on. The L1 is the bidder with the lowest cluster wise quoted Weighted Average Premium rate.**
 - d. **The procedure of selection: "Each insurance company participating in the tender will get allocation of maximum of 3 clusters. After opening of financial bid of all the 7 clusters, In case any company is L1 in more than maximum limit of three clusters then that particular company will get allocation of three clusters which are having lowest weighted average premium rate among all the clusters and remaining clusters where that particular company is L1 will not get any further allocation of clusters and L2 company/companies will be asked for their consent on matching L1 premium rate to allocate cluster's. If L2 company do not agree to match L1 premium rates, then L3 company will be asked for their consent to match L1 premium rates and so on.**

In case any of the "Non L1 company" is not agreeing to match the L1 premium rate, then that cluster shall be allotted to the original company who has proposed lowest weighted premium rate (L1) making an exception to the principle of allocation of maximum of 3 clusters per IC. Initially, cluster allocation will be done on the basis of maximum three

clusters to each company. After that, the clusters which are pending for allocation will be allocated based on above mentioned process in the ascending order of cluster having lowest to highest weighted premium rate for the cluster"

- e. In a scenario where the premium quoted by the lowest bidder does not match the requirement of the Bid Inviting Authority, the Tender Committee shall have the right to call fresh tenders for short duration without disclosing the result of previous bids.
- f. The weighted average premium will be calculated for each cluster for crop year 2026-27, 2027-28 and 2028-29.
- g. Insurance company will be eligible for selection of more than one cluster after finalization of the bid. As per process mentioned in above para-d.
- h. If one and more company quoted same weighted premium rate then L-1 rate will be considered by negotiations as per policy.

Clarification on Bids:

- a) In evaluating the technical Bid, the Bid Inviting Authority may seek clarifications from the Bidders regarding the information in the Bid Application Letter by making a request to the Bidder. The request for clarification and the response shall be in writing. Such response(s) shall be provided by the Bidder to the Bid Inviting Authority within the time specified by the Bid Inviting Authority for this purpose.
- b) If a Bidder does not provide clarifications sought by the Bid Inviting Authority within the prescribed time, the Bid Inviting Authority may elect to reject its Bid. In the event that the Bid Inviting Authority elects not to reject the Bid, the Bid Inviting Authority may proceed to evaluate the Bid by construing the particulars requiring clarification to the best of its understanding, and the Bidder shall not be allowed to subsequently question such interpretation by the Bid Inviting Authority.
- c) The Bid Inviting Authority may not seek any clarifications from the Bidders regarding the information in the Financial Bids. No change in the Premium quoted by the Bidder or any material change to the substance of any Financial Bid shall be sought, offered or permitted.

31. Notification of Award and Execution of Contract

Notification of Award:

- a) Upon selecting the Successful Bidder, the Bid Inviting Authority shall send the proposal to the concerned Administrative Controller for its approval. After obtaining the approval, the Bid Inviting Authority shall issue 2 original copies of a notification of award (the NOA) to the Successful Bidder:
- b) Declaring it as the Successful Bidder;
- c) Accepting its Financial Bid
- d) Requesting it to execute the Insurance Contract and to fulfil the conditions precedent to execution

Within 3 days of receiving the NOA, the Bidder declared as the Successful Bidder shall:

- a) Sign and return 1 original copy of the NOA to the Bid Inviting Authority as acceptance of the terms of the Tender Document and Insurance Contract issued by the Bid Inviting Authority.
- b) If the Bidder that is issued the NOA does not comply with the above conditions; the Bid Inviting Authority may elect to grant such Bidder an extension of time for the completion of such condition(s) or to disqualify the Bidder selected as the Successful Bidder for participation in the re-bid and bids for next 3 Years.

If the Bid Inviting Authority elects to disqualify such Bidder, then the Bid Inviting Authority may:

- a) Ask the L2 bidder to agree to match the premium quoted by L1 bidder and so on.
