Procuring Entity may, in such cases, seek written clarifications from the Bidder, including detailed price analyses of its Bid price in relation to scope, schedule, resource mobilization, allocation of risks and responsibilities, and any other requirements of the bid document. If, after evaluating the price analyses, the procuring entity determines that the Bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Procuring Entity may reject the Bid/ Proposal. However, it would not be advisable to fix a normative percentage below the estimated cost, which would automatically be considered as an abnormally low bid.

9. The SC/ST bidder who is willing to take the benefit of 10% grace, shall have to furnish the affidavit, accordingly to avail the 10% grace over his bid price/quoted rates. Otherwise, he will not be eligible to claim the benefit of 10% grace.
