Pre-bid Queries Resolution Sheet Uploading Date: 15-05-2026

S.No.	Item code	Item name	Specification in the Floated Tender	Recommendation from bidder with Justification	Amendment / Resolution
1	120599	Surgical Spirit (500 ml), Bottle	<p>b) The manufacturer should have submitted valid WHO-GMP (WHO- Good Manufacturing Practice) as per revised Schedule- 'M' of the manufacturing unit and Certificate of Pharmaceutical Product (CoPP) Product wise issued by the Drug Licensing Authority/Drugs Control Department (As per WHO GMP Certification Scheme). Bidder/Importer must submit a valid (at the time of bid submission date) product wise Certificate of Pharmaceutical Product (COPP)/Product wise WHO-GMP issued by Regulatory Authority of State/ CDSCO, for each item offered . (As per WHO GMP Certification Scheme). OR Bidders having valid USFDA/MHRA certificate for the Pharmaceutical Products are eligible to participate provided, such certificate has been issued for the plant where said pharmaceuticals are being produced and is valid as on due date of submission of bids.</p>	<p>We request you to kindly consider the following concern regarding Surgical Spirit I.P. 500 ml: WHO-GMP certification is generally applicable for latest molecules, products intended for internal use, and export-oriented pharmaceutical preparations. However, Surgical Spirit I.P. is an external/disinfectant preparation and not intended for internal consumption. Additionally very few WHO-GMP certified manufacturers produce this item, which may unnecessarily restrict competition and increase procurement cost.</p> <p>In previous tenders T-283 item code No. 120599 Surgical Spirit IP(500 ml),Bottle (This item Exempted for WHO GMP and CoPP , only GMP certification was required for such products. Further, several state procurement agencies such as Rajasthan, Gujarat, Odisha, Kerala, TNMSC and Maharashtra (Haffkine) also accept GMP certification for disinfectant, antiseptic, and external application products. Therefore, we humbly request your good office to exempt Surgical Spirit I.P. 500 ml from the WHO-GMP requirement and allow participation with valid GMP certification for this product. Kindly consider and issue the necessary amendment.</p>	Clarity to bidder Exemption of CoPP Provided only for item code 120599
