Contractor

M/s Atal Realleach, Nashik

The points raised by the contractors & clarification given by the department is as below --

| Sr.No | Contractor | Contractor raised Points | Clarification of Department |
|-------|----------------------------|---|-----------------------------|
| 1 | M/s Atal Realleach, Nashik | <p>With due respect, we would like to request your kind consideration regarding the tender condition stating that the plant is required to be installed within a radius of 30 KM from the work site</p> <p>We humbly request that this condition may kindly be removed or relaxed, as it restricts P,articipation and creates practical difficulties for contractors who possess adequate resources and capability but whose plants are located beyond the specified distance. Removal of this condition will encourage healthy competition and allow more qualified agencies to participate in the tender process</p> <p>Instead of the above condition, we request you to kindly accept a Fixed Deposit Receipt (FDR) of Rs.5,00,000/- as security and assurance for proper execution of the work.</p> <p>Further, we also request permission to use an Ajax Flori Mixer on a hire basis for execution of the work.The hired machinery will fully comply with the technical requirements and ensure proper quality and timely completion of the project</p> | NIT Prevails |

| | | | |
|--|--|--|--|
| | | <p>We therefore request your good office to kindly consider our application favorably and permit:</p> <ol style="list-style-type: none">1. Removal/relaxation of the condition requiring plant installation within 30 KM.2. Acceptance of Rs. 5,00,000/- FDR in place of the above condition.3. Acceptance of Ajax Flori Mixer on a hire basis for the work. <p>We shall remain grateful for your kind support and consideration</p> | |
