## Instructions to Bidders (ITB)

### *A. General*

#### 1. Scope of Bid

1.1 The Employer as defined in the Appendix to ITB invites bids for the construction of Works as described in these documents and referred to as “the works”. The name and identification number of the works is provided in the Appendix to ITB. The bidders may submit bids for any or all of the works detailed in the table given in the Notice Inviting Tender. Bid for each work should be submitted separately.

1.2 The successful Bidder will be expected to complete the Works by the Intended Completion Date specified in Contract.

1.3 Throughout these documents, the terms “bid” and “tender” and their derivatives (bidder/ tenderer, bid/ tender, bidding/ tendering, etc.) are synonymous.

#### 2. Eligible Bidders

2.1 Invitation for bids is open to all category of registered contractors (bidders) with Rural Engineering Department (UP), Except Contractor registered in class E, who is eligible for works only up to Rs. 5.0 Lakh.

2.2 Bidders shall not be declared ineligible for corrupt and fraudulent practices or declared as Debar or Blacklisted by the Central Government, the State Government or any public undertaking, autonomous body, authority by whatever name called under the Central or the State Government

2.3 Any bidder who is punished by any Honourable court for criminal activity is not allowed to participate in the bidding process or involved in the organised crime or gangster activities or Mafia or Gunda or Anti-Social activities are strictly prohibited to participate in the bidding process. If it is established at any time that any bidder has criminal record, his bid shall be automatically cancelled.

2.4 The bidder has to be produced character Certificate (T-4), Solvency Certificate (T-5) issued by the competent authority in true copies of original with bid document and originals is to be produced and verified before acceptance of bid, Self-Declaration Affidavit (T-6) on Rs.100.00 Non-Judicial Stamp paper (on the prescribed proforma which is attached with the bid document) etc.

2.5 Any Bidder who is an Advocate and Registered with any Bar Council shall not be allowed to participate in the bidding. If it is established that the Contractor is registered with any bar council, his bid shall be automatically cancelled.

#### 3. Certificates and Affidavits

3.1 (a) Each bidder must produce:

- (i) An affidavit that the information furnished with the bid documents is correct in all respects; exactly in the format attached with bid document.
- (ii) Authorized address of the bidder: email-id, mobile no, fax no., and contact address of residence and office written on his letter pad.
- (iii) Each bidder is required to furnish an affidavit that Bid is valid for 90 days and Bidder has neither criminal record nor registered in any bar council on non-judicial stamp paper of Rs. 10/-.

(b) **Bidder is required to submit the following affidavit and document at the time of signing the agreement.** Each bidder is required to furnish an affidavit on a single non-judicial stamp paper of Rs. 100/- The bidder must not have in his employment.

- (i) The near relations (defined as first blood relations, and their spouses, of the bidder or the bidder’s spouses) of persons listed in the Appendix to ITB.

- (ii) Any person without Government permission, who retired as gazetted officer within the last two years from any Central or State Government Departments listed in the Appendix to ITB.
- (iii) He will own/arrange the machinery and equipment, as per requirement of work.
- (iv) He will not sublet the work to another contractor.
- (v) Self-attested copy of PAN of Firm or contractor.
- (vi) Self-attested copy of GST registration certificate
- (vii) Self-attested copy of Labour registration certificate.

3.1 (c) **Bidder is required to submit the following document before issue the letter of acceptance.**

If any Bidder is bidding more than one package/lot invited in the Notice Inviting Tender and the Bidder has declared **L-1** in Financial Bid in more than one package/lot, in such case the Bidder must demonstrate having experience and resources sufficient to meet the aggregate of the qualifying criteria for the individual contracts that is why in such case concerning Bidder has to submit his bid capacity calculation sheets along with Civil Engineering works Turn Over Certificate and complete audit report (3CB, 3CD) of any one year of last five years issued by Chartered Accountant with the following information in tabular form along with relevant certificate before the issue of Letter of acceptance failing which the Bidder will be awarded only one package/lot as decided by Tender accepting authority for which no any claim shall be entertained latter on.

Information on Bid Capacity (works for which bids have been submitted and works which are yet to be completed) as on the date of this bid.

**Each bidder is also required to submit the scanned copy on-line /in tender box (up to 10 lakh only) the self-attested statement on the following format A , B and C with each bid.**

(A) Existing commitments and on-going construction work:

Description of Work	Place & State	Contract No & Date	Name & Address of Employer	Value of Contract (Rs. in lakhs)	Stipulated period of completion	Value of * works remaining to be completed. (Rs. Lakhs)	Anticipated Date of completion
1	2	3	4	5	6	7	8

\* Enclose certificate(s) from Engineer(s)-in-charge for value of work remaining to be completed.

(B) Works for which bids already submitted other than this Notice Inviting Tender but not finalized:

Description of Work	Place & State	Name & Address of Employer*	Estimated Value of* Works (Rs. Lakhs)	Stipulated period of completion	Date when decision is expected	Remarks, if any
1	2	3	4	5	6	7

**(C) Bids already submitted and accepted but agreement not signed.**

Description of Work	Place & State	Name & Address of Employer	Value of Contract (Rs. In lakhs)	Letter of Acceptance issued (Yes or No)	Date of issue of Letter of Acceptance
(1)	(2)	(3)	(4)	(5)	(6)

**Bid Capacity Calculation**

Bidders who meet the minimum qualification criteria will be qualified only if their available bid capacity for construction work is equal to or more than the total bid value (Bidder Tendered Value). The available bid capacity will be calculated as under:

$$\text{Assessed Available Bid capacity} = (A * N * M - B)$$

Where

A = Maximum value of Turn Over in any one year during the last five years as certified by Chartered Accountant (updated to the price level of the last year at the rate of 8 per cent a year) taking into account the completed as well as works in progress in which there should be at least 50% Civil Engineering works.

N = Number of years prescribed for completion of the works for which bids are invited (period up to 6 months to be taken as half-year and more than 6 months as one year).

M = M is taken **2.5**

B = Value, at the current price level, of existing commitments and on-going works to be completed during the period of completion of the works for which bids are invited.

*Note: The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Engineer in charge, not below the rank of an Executive Engineer or equivalent.*

**Important:** - If any bidder is bidding more than one package/Lot in the Notice Inviting Tender the bidder must inform in writing to the Tender Inviting Authority at the time or before the opening of technical bid about one of the following two options failing which the Tender Inviting Authority will act as follow

**Financial bids** of all qualifying bidders may be opened, and bids arranged in order with that package/Lots where the difference between potential **L-1** and potential **L-2** is the greatest followed by the one in which it is next greatest and so on. **L-1** will be awarded packages/Lots till his bid capacity is exhausted. The process will be repeated for the remaining packages based on difference between earlier potential **L-2** (now potential **L-1**) and earlier potential **L-3** (now potential **L-2**) values etc.

**Qualification criteria** will be applied to the individual contracts with combined evaluation methodology. If **L1** bidder is not qualifying due to lack of bid capacity in remaining bids, then **L2** may be considered if the variation between **L1** and **L2** is within a reasonable **5 %** and bid amount is acceptable by the authority otherwise tender will be re-invited.

3.2 Bids from joint venture are not allowed.

3.3 The bid may be rejected if the bidder has:

- (i) Made misleading or false representations in the forms, statements, affidavits and attachments submitted and/or
- (ii) Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.
- (iii) Participated in the previous bidding for the same work and had quoted unreasonably high or low bid prices and could not furnish rational justification for it to the Employer.

#### 4 **One Bid per Bidder**

Each Bidder shall submit only one Bid for one work. A Bidder who submits more than one Bid will cause the proposals with the Bidder's participation to be disqualified.

#### 5. **Cost of Bidding**

5.1 The Bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will, in no case, be responsible or liable for those costs.

#### 1. **Site Visit**

6.1 The Bidder, at his own cost, responsibility, and risk, is encouraged to visit, examine and familiarise himself with the Site of Works and its surroundings including source of earth, water, road aggregates etc. and obtain all information that may be necessary for preparing the Bid and entering into a contract for construction of the Works. He may contact the person whose contact details are given in the Appendix to ITB.

6.2 Contact Person as per Appendix to ITB.

### ***B. Bidding Documents***

3. Instructions to Bidders
4. Conditions of Contract General and Special
5. Contract data
6. Specifications & Drawings
7. Bill of Quantities
8. Form of Bid for e procurement / Form of Bid for Manual Tender
9. Form of Acceptance,
10. Form of Agreement.
11. Notice to Proceed with the Work,

7.2.1 The bid document is available online on the website: <https://etender.up.nic.in>.. The bid document can be downloaded free of cost; however, the bidder is required to deposit towards the cost of bid document (*non-refundable*) as per column 6 of NIT in the account of UP e-tender online Account- through e-tender portal by

**Internet Banking only. All concerned please note that the bidding process will not move onward if the Bid Document's Cost (Tender Fee) is not paid through e-tender portal.**

7.2.2 **In case of manual tender:** - One set of the bidding documents will be issued to the bidder against the payment from the office places mentioned in NIT. Bid document can also be downloaded from departmental web site <https://www.upred.gov.in> free of cost but cost of bid document is to be paid at the time of bidding in the form of DD in favour of Concerned Employer as mentioned in NIT.

7.3 The bidder is expected to carefully examine all instructions, conditions of contract, contract data, forms, terms and specifications, bill of quantities, forms and drawings in the Bid Document. Failure to comply with the requirements of Bid Documents shall be at the bidder's own risk. Pursuant to clause 29 thereof, bids, which are not substantially responsive to the requirements of the Bid Documents, shall be rejected.

## **8. Clarification of Bidding Documents**

8.1 The electronic bidding system provides for online clarification. A prospective Bidder requiring any clarification of the bidding documents may notify online the Authority inviting the bid. The Authority inviting bid will respond to any request (s) for clarification received earlier than 10 days prior to the deadline for submission of bids. Description of clarification sought and the response of the Authority inviting the bid will be uploaded for information for the public or other bidders without identifying the source of request for clarification.

8.2 A pre-bid meeting is to be held, the prospective bidder or his authorised representative is advised to attend it. Its date, time and address are given in the Appendix to ITB.

8.3 The purpose of the meeting is to clarify issues and to answer questions on any matter that may be raised at that stage.

8.4 Minutes of the meeting, including the text of the questions raised (without identifying the source of the enquiry) and the responses given will be uploaded for information of the public or other bidders. Any modifications of the bidding documents listed in Clause 7.1 of ITB, which may become necessary as a result of the pre-bid meeting shall be made by the Employer exclusively through the issue of an Addendum pursuant to Clause 9 of ITB and not through the minutes of the pre-bid meeting.

8.5 Non-attendance at the pre-bid meeting will not be a cause for disqualification of a bidder.

## **9. Amendment of Bidding Documents**

9.1.1 **In case of e-tendering:** - Before the deadline for submission of bids, the Employer may modify the bidding documents by issuing online corrigendum, but a reasonable time must be given to prospective bidder in which to take a corrigendum into account in preparing their bids. The corrigendum will appear on the web page of the website: <https://etender.up.nic.in>. Under the "Latest Corrigendum" and e-mail notification is also automatically sent to those bidders who have moved his tender to their "My tenders" area.

9.1.2 **In case of manual tender:** - Before the deadline for submission of bids, the Employer may modify the bidding documents by issuing addenda, but a reasonable time must be given to prospective bidder in which to take an addendum into account in preparing their bids.

9.2.1 **In case of e-tendering:** - Any addendum thus issued shall be part of the bidding documents and shall be deemed to have been communicated to all the bidders who have moved this tender to their "My Tenders" area. In case any addendum/ Corrigendum, the system will automatically send e-mail to all bidders who have downloaded the bidding document.

9.2.2. **In case of manual tender:** - Any addendum thus issued shall be part of the bidding documents and shall be communicated in writing by registered post or by e-mail to all purchasers of the bidding documents. Prospective bidders shall acknowledge receipt of each addendum by e-mail to the Employer.

9.3 To give prospective bidders reasonable time in which to take an addendum into account in preparing their bids, the Employer shall extend, as necessary, the deadline for submission of bids, in accordance with Clause 22 of ITB.

- 14.1 The Contract shall be for the whole Works, as described in contract, based on the priced Bill of Quantities submitted by the Bidder.
- 14.2 The Bidder shall adopt the Percentage Rate Method indicated in NIT.  
In Percentage Rate Method requires the bidder to quote *on line* a percentage above / below/ at par of the schedule of rates specified in Bill of Quantity.
- 14.3 While quoting rates, the GST component shall not be added in rates, while all other duties, taxes, royalties and other levies payable by the contractor under the contract, or for any other cause, shall be included in the rates, prices and total bid price submitted by the bidder. GST will be paid extra as applicable as per latest Government order.
- 14.4 The rates and prices quoted by the Bidder shall be fixed for the duration of the Contract and shall not be subject to adjustment.

#### 15. Currencies of Bid

The unit rates and the prices shall be quoted by the bidder entirely in Indian Rupees.

#### 16. Bid Validity

- 16.1 Bids shall remain valid for a period of ninety days after the deadline date for bid submission specified in Bid document. A bid valid for a shorter period shall be rejected by the Employer as non-responsive.
- 16.2 In exceptional circumstances, prior to expiry of the original time limit, the Employer may request that the bidders may extend the period of validity for a specified additional period. The request and the bidders' responses shall be made in writing or by e-mail/Fax. A bidder may refuse the request; refusal will not cause the forfeiting of his Earnest Money.

#### 17. Earnest Money-Bid security

- 17.1 The Bidder shall furnish, as part of the Bid, Earnest Money, in the amount specified in Bid Document.
- 17.2.1 **In case of e-tendering:** - Bid security will be deposited in the account of **UP e-tender online Account- through e-tender portal by Internet Banking only. All concerned please note that the bidding process will not move onward if the Bid Security (EMD) is not paid through e-tender portal by Internet Banking.** No other form of bid security will be accepted.
- 17.2.2 **In case of Manual Tender:** -The Bid security/Earnest Money shall be in the form of **Fixed Deposit Receipt** of a **scheduled commercial bank** issued in favour of the name given in the Appendix to ITB. The Fixed Deposit Receipt

shall be valid for six months or more after the last date of receipt of bids. Other forms of Earnest Money shall not be acceptable to the Employer.

- 17.3 Any bid not accompanied by an acceptable form of Earnest Money, unless exempted on terms given in the bid document shall be rejected by the Employer as non-responsive.
- 17.4 The Earnest Money/Bid security of non-responsive Bidder will be returned after uploading of technical appraisal result on tender website portal <https://etender.up.nic.in> finalization of technical appraisal in case of manual tender.
- 17.5 The Earnest Money of unsuccessful bidders will be returned within 30 days of the end of the Bid validity period.
- 17.6 The Earnest Money of the successful Bidder will be discharged when the Bidder has signed the Agreement and furnished the required Performance Security.
- 17.7 The Earnest Money may be forfeited:
- a) if the Bidder withdraws the Bid after bid opening during the period of Bid validity.
  - b) in the case of a successful Bidder, if the Bidder fails within the specified time limit to
    - i. Sign the Agreement; and/or
    - ii. Furnish the required Performance Security.

18. **Alternative Proposals by Bidders**

Any alternative proposal in the specifications or Drawings or Design other than bid document submitted by the Bidder shall not be accepted.

## **D. Submission of Bids**

19. **Bidding through E-Tendering System:**

- 19.1 The bidding under this contract is electronic bid submission through website <https://etender.up.nic.in> Detailed guidelines for viewing bids and submission of online bids are given on the website. The Invitation for Bids is published on this website. Any citizen or prospective bidder can log-on to this website and view the Invitation for Bids and can view the details of works for which bids are invited. The prospective bidder can submit bids online; however, the bidder is required to have enrolment/registration on the website and should have valid Digital Signature Certificate (DSC) in the form of smart card/e- token. The DSC can be obtained from any authorised certifying agencies. The bidder should register in the web site <https://etender.up.nic.in> using the relevant option available. Then the Digital Signature registration has to be done with the e-token, after logging into the site. After this, the bidder can login the site through the secured login by entering the password of the e-token and the user id/ password chosen during registration.

After getting the bid schedules, the Bidder should go through them carefully and then submit the documents as asked.

- 19.2 The completed bid comprising of documents indicated in ITB clause 11, should be uploaded on the website given above through e-tendering along with scanned copies of requisite certificates as are mentioned in different sections in the bidding document and scanned copies of the Bid Document.

20. **Electronic Submission of Bids:**

The bidder shall submit online two separate files. Part I, marked as Part I: Technical Qualification Part and Part II; marked as Part II: Financial Part. The above files will have markings as given in the Bid Data Sheet.

The contents of the Technical Qualification and Technical Financial bid shall be as specified in clause 11 of the ITB. All the documents are required to be signed digitally by the bidder. After electronic bid submission on line, the system generates a unique bid identification number which is time stamped. This shall be treated as acknowledgement of bid submission.

## **21. Bidding through Manual Tendering System:**

### **21.1 Format and Signing of Bid**

- 21.1.1 The Bidder shall submit one set of the bid comprising of the documents as described in bid document.
- 21.1.2 The Bid shall be typed or written in indelible ink and shall be signed by a person or persons duly authorized to sign on behalf of the Bidder. All pages of the Bid shall be signed by the authorised person or persons signing the Bid.
- 21.1.3 The Bid shall contain no overwriting, alterations, or additions, except those to comply with instructions issued by the Employer, or as necessary to correct errors made by the Bidder, in which case such corrections shall be made by scoring out the cancelled portion, writing the correction and initialling and dating it by the person or persons signing the Bid.

### **21.2. Sealing and Marking of Bids**

- 21.2.1 The Bidder shall place his Technical Bid in **Envelope No 1** and Mark it as Technical Bid.
- 21.2.2 The Bidder shall place his Financial Bid in **Envelope No 2** and Mark it as Financial Bid.
- 21.2.3 The Bidder will place the above two envelopes in a big Envelope and Submit it with clearly written his name as well as name of work for which the bid is submitted failing which the envelope will not be opened.

## **22. Deadline for Submission of Bids**

- 22.1.1 **In case of e-Tendering:** - Complete Bids in two parts as per clause 19 above must be submitted by the Bidder online not later than the date and time indicated in the Appendix to ITB.  
Any corrigendum for extension in deadline for submission of bid shall be uploaded by the Employer on website within time, if any corrigendum for extension in deadline for submission of bid not up loaded on web site within time will not be accepted in any case.
- 22.1.2 **In case of manual tendering:** - Complete Bids in two parts as per clause 21.2 above must be received by the Employer at the address specified in the bid document not later than the date and time indicated in the bid documents. In the event of the specified date for the submission of bids being declared a holiday for the Employer, the Bids will be received up to the specified time on the next working day.
- 22.2 The Employer may extend the deadline for submission of bids by issuing an amendment in accordance with Clause 9.3 of ITB. In such case all rights and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

## **23. Modification/ Withdrawal/Late Bids**

- 23.1.1 **In case of e-tendering:** - The electronic bidding system would not allow any late submission of bids after due date and time as per server time.
- 23.1.2 **In case of Manual Tendering:** - Any Bid received by the Employer after the deadline prescribed in bid document will be returned unopened to the Bidder.
- 23.2.1 **In case of e-tendering:** - Bidders may modify their bids by uploading their request for modification before the deadline for submission of bids. For this, the bidder need not make any additional payment towards the cost of

tender document. For bid modification and consequential re-submission, the bidder is not required to withdraw his bid submitted earlier. The last modified bid submitted by the bidder within the bid submission time shall be considered as the bid. For this purpose, modification/withdrawal by other means will not be accepted. In online system of bid submission, the modification and consequential re-submission of bids is allowed any number of times. The bidders may withdraw his bid by uploading their request before the deadline for submission of bids; however, if the bid is withdrawn, the re-submission of the bid is not allowed.

- 23.2.2 **In case of Manual Tendering:** - Bidders may modify or withdraw his bid by requesting in written to the employer before the deadline of submission of bids.
- 23.3 No bid shall be modified or withdrawn after the deadline of submission of bids.
- 23.4 Withdrawal or modification of a bid between the deadline for submission of bids and the expiration of the original period of bid validity specified in clause 16.1 above or as extended pursuant to Clause 16.2 may result in the forfeiture of the Bid Security (EMD) pursuant to Clause 17.
- 23.5 Bid validity will not be affected in any case by the modification.

### ***E. Bid Opening and Evaluation***

#### **24. Bid Opening in e-tendering process**

- 24.1 The Employer inviting the bids, or its authorised representative will open the bids online and this could be viewed by the bidders also online. In the event of the specified date for the Opening of bids being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.
- 24.2 The file containing the Part-I of the bid will be opened first.
- 24.3 In all cases, the amount of Bid Security, cost of bid documents, and the validity of the bid shall be scrutinized first. Thereafter, the bidders' names and such other details as the Employer may consider appropriate, will be notified as Part-I bid opening summary by the Authority inviting bids at the online opening. A separate electronic summary of the opening is generated and kept on-line.
- 24.4 Part II of bids of only those bidders will be opened online, who have qualified in Part I of the bid. The bidders' names, the Bid prices, the total amount of each bid, and such other details as the Employer may consider appropriate will be notified online by the Employer at the time of bid opening.
- 24.5 The Employer will also prepare minutes of the Bid opening, including the information disclosed in accordance with Clause 21.3 of ITB and upload the same for viewing online.

#### **25. Bid Opening in Manual Tendering process**

- 25.1 The Employer will open the bids received (except those received late) in the presence of the bidders/bidders' representatives who choose to attend at the time, date and place specified in the bid document. In the event of the specified date for the submission of bids being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.
- 25.2 In all cases, the employer will open 1<sup>st</sup> Envelope-1, in which the amount of Earnest Money, forms and validity shall be announced 1<sup>st</sup>. Thereafter, the bidders' names and such other details as the Employer may consider appropriate, will be announced by the Employer at the opening.

**26. Process to be Confidential**

Information relating to the examination, clarification, evaluation, and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders or to any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any attempt by a Bidder to influence the Employer's processing of bids or award decisions may result in the rejection of his Bid.

**27. Clarification of Bids and Contacting the Employer**

- 27.1 No Bidder shall contact the Employer on any matter relating to its bid from the time of the bid opening to the time the contract is awarded.
- 27.2 Any attempt by the bidder to influence the Employer's bid evaluation, bid comparison or contract award decision may result in the rejection of his bid.

**28. Correction of Errors in case of Manual Tendering**

- 28.1 Bids determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:
- a) Where there is a discrepancy between the rates in figures and in words, the rate in words will govern; and
  - b) Where there is a discrepancy between the unit rate and the line-item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.
- 28.2 The amount stated in the Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount, the Bid will be rejected, and the Earnest money shall be forfeited.

**29. Evaluation and Comparison of Bids**

- 29.1 The Employer will evaluate and compare the bids submitted properly as per clause 19 to 23.
- 29.2 In evaluating the bids, the Employer will determine for each Bid the evaluated Bid price by adjusting the Bid price by making correction, if any, for errors.
- 29.3 If the Bid of the successful Bidder is seriously unbalanced in relation to the Engineer's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. After evaluation of the price analyses, the Employer may require that the amount of the performance security set forth in bid document be increased at the expense of the successful Bidder to a level sufficient to protect the Employer interest against financial loss in the event of default of the successful Bidder under the Contract. The amount of the increased performance security shall be at the sole discretion of the Employer, which shall be final, binding and conclusive on the bidder. Seriously, unbalanced bid may be rejected if the Bidder fails to produce detailed price analysis.

**30. Price Preference**

There will be no price preference to any bidder.

***F. Award of Contract***

### 31. Award Criteria

Subject to Clause 29 of ITB, The Employer will award the Contract to the Bidder, who has offered the lowest evaluated Bid price, provided the bidder satisfies the conditions as per clause 3 and to be substantially responsive to the bidding documents along with the clause 29.3 of ITB.

### 32. Employer's Right to accept any Bid and to reject any or all Bids

Notwithstanding the above Clause 31, the Employer reserves the right to accept or reject any Bid, and to cancel the bidding process and reject all bids, at any time prior to the award of Contract, without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the Employer's action.

### 33. Notification of Award and Signing of Agreement.

33.1 Bidder is required to submit the following affidavit and document at the time of signing the agreement.

- (i) An affidavit on a single non-judicial stamp paper of Rs. 100/-. The bidder must not have in his employment or his relative posted in the division responsible for execution of work.:
  - (a) The near relations (defined as first blood relations, and their spouses, of the bidder or the bidder's spouse) of persons listed in the Appendix to ITB.
  - (b) Any person without Government permission, who retired as gazetted officer within the last two years from any Central or State Government Departments listed in the Appendix to ITB.
  - (c) He will own/arrange the machinery and equipment, as per requirement of work.
  - (d) He will not sub-let the work to another contractor.
- (ii). Self-attested copy of PAN of Firm or contractor or company.
- (iii) Self-attested copy of GST registration certificate of Firm or contractor or company.
- (iv) Self-attested copy of Labour registration certificate of Firm or contractor or company.
- (v) Original affidavit on Format RED-T-6 on a single non-judicial stamp paper of Rs. 100/-
- (vi) Original affidavit that Bid is valid for 90 days and Bidder has neither criminal record nor registered in any bar council on non-judicial stamp paper of Rs. 10/-.

33.2 The bidder whose Bid has been accepted will be notified of the award by the Employer prior to expiration of the Bid validity period by emails, sms, facsimile or any means of communication confirmed by registered letter. This letter (hereinafter and in the **Part I General Conditions of Contract called the "Letter of Acceptance"**) will state the sum that the Employer will pay to the Contractor in consideration of the execution, completion by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price").

33.3 The notification of award will constitute the formation of the Contract.

33.4 The Agreement will incorporate all agreements between the Employer and the successful Bidder. It will be signed. by the Employer and the successful Bidder after the performance security is furnished.

### 34. Performance Security

34.1 Within 10 (ten) days after receipt of the Letter of Acceptance, the successful Bidder shall deliver to the Employer a Performance Security of ~~{(5%) five percent or as per latest GO}~~ of the Contract Price, valid for the period of **one year** plus the time for completion of works and additional security for unbalanced Bids in accordance with Clauses 29.3 of ITB and Clause 39 Part I General Conditions of Contract and sign the contract.

34.2 The performance security shall be only in the form of fixed deposit Receipts from a Scheduled Commercial Bank in favour of **Concerned Executive Engineer of RED Division.**

- 34.3 Failure of the successful Bidder to comply with the requirements of Clause **34.1**. Shall constitute sufficient grounds for cancellation of the award and forfeiture of the Earnest Money. He will also be debarred from participating in bids under the concerned division or he may be blacklisted.

### **35. Corrupt or Fraudulent Practices**

- 35.1 It is required that each Bidder/Contractor (including their respective officers, employees) adhere to the highest ethical standards, and report to the Government / Department all suspected acts of fraud or corruption or coercion or collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.
- 35.2 The Bidder(s)/Contractor(s) commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
- (a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any employee of the Employer involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.
  - (b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
  - (c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/CRPC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Employer as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
- 35.3 The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- 35.4 The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in Fraudulent Practice, which means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the Government interests and, this includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid process at artificial non-competitive levels and to deprive the Employer of the benefits of free and open competition.
- 35.5 The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action, or influencing a decision through intimidation, threat, or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/ her reputation or property to influence their participation in the tendering process).
- 35.6 Without prejudice to any rights that may be available to the Employer under law or the Contract or its established policies and laid down procedures, the Employer shall have the following rights in case of breach under Clauses 35.1 to 35.5 above by the Bidder(s)/Contractor(s) and the Bidder/ Contractor accepts and undertakes to respect and uphold the Employer absolute right:
- (a) If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Clauses 35.1 to 35.5 above or in any other form, such as to put his reliability or credibility in question, the Employer after giving proper opportunity to the Bidder(s)/Contractor(s) shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes.

- (b) Forfeiture of Bid Security/Performance Security: If the Employer has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated the Contract or has accrued the right to terminate the Contract, the Employer apart from exercising any legal rights that may have accrued to the Employer, may in its considered opinion forfeit the entire amount of Bid Security and Performance Security of the Bidder/Contractor as the case may.
- 35.7 Please be noted that in case of any documents attached with your bids is found forged or incorrect in any manner, whatsoever, then a legal action like FIR, Blacklisting shall be done against the bidder.

### Appendix to ITB or Bid data sheet.

## **Procedure for Submission/Withdrawal/Modification of e-Bids by the Bidders**

**All bidders please follow the following procedures at the time of uploading of their e-bids online on e-tender portal.**

1. For Participating in e-Tender through the online system, it is necessary for the interested Bidders/Firms/Companies to be registered users of the e-Tender portal <https://etender.up.nic.in>. For this the interested

Bidders/Firms/Companies have to register themselves by depositing a fee of Rs.6000/- (Rupees Six Thousand only) in the office of U.P. Electronics Corporation Limited (UPLC),10- Ashok Marg, Lucknow 226001 for getting a valid User ID and password and the required training/assistance etc. On e-Tender portal <https://etender.up.nic.in>. The interested Bidders/Firms/Companies may contact to U.P. Electronics Corporation Limited for Registration. The Bidders/Firms/Companies must up load proof of registration/receipt of registration issued by UPLC failing which their bid shall not be considered for evaluation.

## 2. Procedure for Submission of e-Bids.

**Submission of Bids shall be in accordance with the instructions mentioned below: -**

- a. For participating in e-Bid through the e-tendering system, It is necessary for the bidders to be the registered user of the e-Procurement website <https://etender.up.nic.in>.The bidders must obtain a User Login Id and Password by registering themselves with U.P. Electronics Corporation Limited, Lucknow or any other certifying authorities approved by Controller of Certificate Authorities Government of India as the e-Procurement website <https://etender.up.nic.in>. is presently accepting DSCs issued by these authorities only if they have not done so previously for registration.
- b. In addition to the normal registration the bidder must register with his/her Digital Signature Certificate (DSC) in the e-tendering system and subsequently he/she will be allowed to carry out his/her e-Bid submission activities. Registering the Digital Signature Certificate (DSC) is a one-time activity. Before proceeding to register his/her DSC the bidder should first log on to the e-tendering system using the User Login option on the home page with the Login Id and Password with which he/she has registered as per clause-(a) above. **From 01-01-2021 onwards only Class-III Digital Signature Certificate (DSC)** will be used as per direction from Controller of Certifying Authority, Government of India.
- c. For successful registration of DSC on e-Procurement website <https://etender.up.nic.in>.the bidder must ensure that he/she should possess Class-2/Class-3 DSC is issued by any certifying authorities approved by Controller of Certificate Authorities, Government of India as the e-Procurement website <https://etender.up.nic.in>. is presently accepting DSCs issued by these authorities only. The bidder can obtain User Login Id and perform DSC registration exercise as described in clauses (a) and (b) above even before e-Bid submission date starts. The U.P. Electronics Corporation/Department shall not be held responsible if the bidder tries to submit his/her e-Bid at the last moment before end date of submission but could not submit due to DSC registration problem.
- d. **The Bidder shall be required to use own Digital Signature while uploading its Bid. The Bidder shall be required to upload the Bid using its Digital Signature only. Failure to comply or usage of Digital signature of other firm shall be liable for rejection of the Bid.**
- e. The bidder can search for active tender through “Search Active tenders” link, select a tender in which he/she is interested in and them move it to ‘My Tender’ folder using the options available in the e-Bid Submission menu. After selecting and viewing the tender, for whom the bidder intends to e-Bid from ‘My Tender’ folder the bidder can place his/her e-Bid by clicking **“Pay on-line”** option available at the end of the view tender details form. **Before this, the bidder should download the e-tender document and Price Schedule/Bill of Quantity (BOQ) and study carefully. The bidder should keep all the document ready as per the requirements of e-tender document in the PDF format except the Price schedule/Bill of Quantity (BOQ). Which should be in the XLS format (Excel sheet).**
- f. After clicking the **‘Pay online’** option, the bidder will be redirected to the Terms and Conditions page, The bidder should read the Terms & Conditions before proceeding to fill in the details, the bidder should click **“Encrypt & Upload”** option given in the on line payment details form so that **“Bid Document Preparation and Submission”** window appears to upload the documents as per Technical (Qualification details, e-Bid form and Technical Specification details) and financial (e-Bid form and price Schedule/BOQ) schedules/packets given in the tender details.

*It is to be noted that without payment of Tender fee (Bid document cost) and EMD (Bid security) Bids of the Bidder will not be submitted. For on-line payment of tender Fee and EMD the Bidder must follow the following steps.*

- (i) *After reading terms and Condition click the submit button, SBI bank site will be opened.*
- (ii) *Select SBI Bank and click submit button.*

- (iii) *A window will be opened in which the Bidder can select the Bank where his internet account exists either SBI or other than SBI Bank.*
  - (iv) *If the Bidder are selecting SBI Bank a window will be opened where reference number, payable amount is shown. After clicking confirm button required amount will be paid directly from the Bidder account to UP tender portal. A confirmation slip of payment will be generated.*
  - (v) *If the bidder is selecting other than SBI Bank the Bidder can select his internet account holding Bank from drop down list.*
  - (vi) *After selecting the Bidder choice bank pay the required amount by fulfilling the formalities. After fulfilling formalities required amount will be paid directly from your account to UP tender portal. A confirmation slip of payment will be generated.*
  - (vii) *The Bidder can also select payment through NEFT/RTGS but it requires minimum 24 hour time to complete the payment formalities. In this system a chalan will be generated which will be submitted to SBI Bank or your serving bank for payment. After payment from concerning bank. SBI will update the payment to tender portal. It takes minimum 24 hour to update the payment. After payment to tender your tender will be uploaded. It should be noted in case of selecting NEFT/RTGS payment the bidder cannot back to another bank.*
- g. Next the bidder should upload the Technical e-Bid document for, Qualification details, e-Bid Form as per Technical Specification details and Price Schedule/BOQ of e-tender document. Before uploading, the bidder has to select the relevant Digital Signature Certification. He may be prompted to enter the Digital Signature Certificate password, if necessary. For uploading, the bidder should click “Browse” button against each document label in Technical and Financial scheduled/packets and then upload the relevant PDF/XLS files already prepared and stored in the bidder’s computer. The required document for each document label of Technical (Qualification details, e-bid form and Technical Specification details) and financial (e-Bid form and Price Schedule/BOQ) schedules/packets can be clubbed together to make single different files for each label.
- h. The bidder should click “Encrypt” next for successfully encrypting and uploading of required document. During the above Process, the e-Bid documents are digitally signed using the DSC of the bidder and then the documents are encrypt/locked electronically with the DSC’s of the bid openers to ensure that the e-Bid document are protected, stored and opened by concerned bid openers only.
- i. After successful submission of e-Bid document, a page giving the summary of e-Bid submission will be displayed confirming end of e-Bid submission process. The bidder can take a printout of the bid summary using the “Print” option available in the window as an acknowledgement for future reference.
- j. Once the e-Bid submission date and time is over, the bidders cannot submit their e-Bid. The bidder shall only be held responsible for any delay and whatsoever reason in submission of e-Bid.
- k. Bidders are advised to submit their e-Bid in Two-Bid system with Technical and Financial bids separately on e-Tender portal.
- l. Please note that prices should not be quoted in the Technical e-Bid if quoted bidder bids may be liable for rejection. The Prices should be quoted in the financial e-Bid only.

3. **Procedure for Withdrawal and Resubmission of e-Bids: -**

**Withdrawal: -**

At any point of time, a Bidder can withdraw his/her e-Bid submitted online before the e-Bid submission end date and time. For withdrawing, the Bidder should first log in using his/her Login Id and Password and subsequently by his/her Digital Signature Certificate on the e-procurement portal <https://e-Tender.up.nic.in>. The bidder should then select “My Bids” option in the Bid Submission menu. The page listing all the Bids submitted by the Bidder will be displayed. Click “View” to see the details of the Bid to be withdrawn. After selecting the “Bid Withdrawal” option the Bidder has to click “Yes” to the message “Do you want to withdraw this Bid” displayed in the Bid Information window for the selected Bid. The Bidder also has to enter the Bid withdrawing reasons and upload the letter giving the reason for Withdrawing before clicking the “Submit” button. The Bidder has to confirm again by pressing “Ok” button before finally withdrawing his/her selected Bid. Once the Bidder has withdrawn his/her Bid he/she cannot re-submit this Bid again.

**Resubmission: -**

The Bidder can resubmit his/her e-Bid as and when required till the Bid submission end date and time. The new one bid will replace the e-Bid submitted earlier. The payment made by the Bidder earlier will be used for revised e-Bids and the new Bid submission summary generated after the successful submission of the revised e-Bidder will be considered for evaluation purpose for resubmission, the Bidder should first log in using his/her Login Id and Password and subsequently by his/her Digital Signature Certificate on the e-Tender procurement portal <https://e-Tender.up.nic.in>. The Bidder should then select “**My Bids**” option in the Bid submission menu. The page listing all the Bids submitted by the Bidder will be displayed. Click” **View**” to see the details of the Bid to be resubmitted. After selecting the “**Bid Resubmission**” option, click “**Encrypt & upload**” to upload the revised e-Bids document by following the methodology provided in clause 2 (submission of e-Bids) above.

The Bidders can submit their revised Bids as many times as possible by uploading their e-Bids document within the scheduled date & time for submission of e-Bids. No e-Bid can be resubmitted subsequently after the deadline for submission of e-Bid.

### Section 3

## Conditions of Contract

### Part – I General Conditions of Contract

These conditions are subject to the variations and additions set out in Part II Special Conditions of Contract

#### Notes on Conditions of Contract

The Conditions of Contract, read in conjunction with Part II Special Conditions of Contract and the Contract Data and other documents listed therein, should be a complete document expressing fairly the rights and obligations of both parties.

The form of Conditions of Contract that follows has been developed for smaller admeasurements contracts for construction on the basis of international practice and the practice of the Government of India, Ministry of Road Transport and Highways, and considerable experience in different States in India in the drafting and management of contracts, bearing in mind a trend in the construction industry towards simpler, more straightforward language.

### Section 3

## General Conditions of Contract for Construction works up to value of Rs. 40.00 Lakh A. General

#### 1. Definitions

- 1.1 Terms, which are defined in the Contract Data, are not also defined in the Conditions of Contract but keep their defined meanings. Capital initials are used to identify defined terms.

**Bill of Quantities** means the priced and completed Bill of Quantities forming part of the Bid.

**The Completion Date** is the date of completion of the Works as certified by the Engineer, in the bid document.

**The Contract** is the Contract between the Employer (Executive Engineer / Assistant Engineer) and the Contractor to execute and complete Works.

**The Contractor** is a person or corporate body whose Bid to carry out the Works has been accepted by the Employer.

**The Contractor's Bid** is the completed bidding document submitted by the Contractor to the Employer.

**The Contract Price** is the price stated in the Letter of Acceptance and thereafter as adjusted in accordance with the provisions of the Contract.

**Days** are calendar days; months are calendar months.

**A Defect** is any part of the Works not completed in accordance with the Contract or ordered by the Engineer.

**The Defects Liability Certificate** is the certificate issued by Engineer, after the Defect Liability Period has ended and upon correction of Defects by the Contractor.

**The Defects Liability Period is one year calculated from the Actual Completion Date.**

**Drawings** include calculations and other information provided or approved by the Engineer for the execution of the Contract.

**The Employer** (Executive Engineer/Assistant Engineer as the case may be) is the party as defined in the Contract Data, who employs the Contractor to carry out the Works, including routine maintenance, The Employer may delegate any or all functions to a person or body nominated by him for specified functions.

**The Engineer** (Assistant Engineer) is the person named in the Contract Data (or any other competent person appointed by the Employer and notified to the Contractor, to act in replacement of the Engineer) who is responsible for supervising the execution of the Works and administering the Contract.

**Equipment** is the Contractor's machinery and vehicles brought temporarily to the Site to construct the Works.

**The Initial Contract Price** is the Contract Price listed in the Employer's Letter of Acceptance.

**The Intended Completion Date** is the date on which it is intended that the Contractor shall complete the Works. The Intended Completion Date is specified in the Contract Data. The Intended Completion Date may be revised only by the competent authority by issuing an extension of hindrance time.

**Materials** are all supplies, including consumables, used by the Contractor for incorporation in the Works.

**Plant** is any integral part of the Works that shall have a mechanical, electrical, electronic, chemical, or biological function.

**The Site** is the area defined as such in the Contract.

**Site Investigation Reports** are those that were included in the bidding documents and are reports about the surface and subsurface conditions at the Site.

**Specification** means the Specification of the Works included in the Contract and any modification or addition made or approved by the Engineer.

**The Start Date** is given in the Contract. It is the date when the Contractor shall commence execution of the Works. It does not necessarily coincide with any of the Site Possession Dates.

**Temporary Works** are works designed, constructed, installed, and removed by the Contractor that are needed for construction or installation of the Works.

**A Variation** is an instruction given by the Engineer, which varies the quantity of Works.

**The Works**, as defined in the Contract Data, are what the Contract requires the Contractor to construct, install, maintain, and turn over to the Employer. Routine maintenance is defined separately.

## 2. Interpretation

- 2.1 In interpreting these Conditions of Contract, singular also means plural, male also means female or neuter, and the other way around. Headings have no significance. Words have their normal meaning under the language of the Contract unless specifically defined. The Competent authority will provide instructions clarifying queries about these Conditions of Contract.
- 2.2 If sectional completion is specified in the Contract, references in the Conditions of Contract to the Works, the Completion Date, and the Intended Completion Date apply to any Section of the Works (other than references to the Completion Date and Intended Completion Date for the whole of the Works).
- 2.3 The documents forming the Contract shall be interpreted in the following order of priority:
- (1) Agreement,
  - (2) Notice to Proceed with the Work,
  - (3) Letter of Acceptance,
  - (4) Contractor's Bid Section-5 / Section-5 (Part I and part II)
  - (5) Contract Data,
  - (6) Special Conditions of Contract Part II,
  - (7) General Conditions of Contract Part I,
  - (8) Specifications,
  - (9) Drawings,
  - (10) Bill of Quantities as uploaded on website with the bid document for the said NIT, No any change in up loaded BOQ will be allowed.
  - (11) NIT
  - (12) T-4
  - (13) T-5
  - (14) T-6 in original.
  - (15) Name of the Contractor Nominee as per clause 50.2 (if any) and
  - (16) Any other document listed in the Contract Data.

## 3. Language and Law

The language of the Contract and the law governing the Contract are stated in the Contract Data.

#### 4. Engineer's Decisions

- 4.1 Except where otherwise specifically stated, the Engineer will decide contractual matters between the Employer and the Contractor in the role representing the Employer. However, if the Engineer is required under the rules and regulations and orders of the Employer to obtain approval of some other authorities for specific actions, he will so obtain the approval.
- 4.2 Except as expressly stated in the Contract, the Engineer shall not have any authority to relieve the Contractor of any of his obligations under the contract.

#### 5. Delegation

The Engineer, with the approval of the Employer, may delegate any of his duties and responsibilities to other departmental officer, after notifying the Contractor, and may cancel any delegation after notifying the Contractor.

#### 6. Communications

- 6.1 All Certificate, notices or instructions to be given to the contractor by Employer / Engineer shall be sent on the address (Postal address/E-mail address) or contact details given by the contractor in **Section 5- Form of Bid**. The address and contact details for communication with the Employer/ Engineer shall be as per the details given Contract Data to GCC. Communications between parties that are referred to in the conditions shall be in writing. The Notice sent by Facsimile (fax) or other electronic means (e-mails, sms, whatsapp, Twitter etc.) shall be effective on confirmation of the transmission.
- 6.2 Any change in communication address by the contractor during the concurrence of the contract must be intimated by the Contractor through registered letter and e- mail to the employer as well as the Engineer failing which the communication address given by the contractor in **Section-5 Form of Bid** will be valid address for any communication which will be binding to the contractor.

#### 7. Personnel

- 7.1 The Contractor shall employ for the construction work the technical personnel named in the Contract Data or other technical persons approved by the Engineer. The Engineer will approve any proposed replacement of technical personnel only if their relevant qualifications and abilities are substantially equal to or better than those of the personnel stated in the Contract Data.
- 7.2 The Engineer asks the Contractor to remove a person who is a member of the Contractor's staff or work force, stating the reasons, the Contractor shall ensure that the person leaves the Site immediately and has no further connection with the Works in the Contract.
- 7.3 The Contractor shall not employ any retired Gazetted officer who has worked in the Engineering Department or any other department of the State or Central Government and has either not completed two years after the date of retirement or has not obtained State or Central Government's permission to employment with the Contractor.
- 7.4 The Contractor shall not employ any retired employee of the RED department who retired within two years without the prior permission from department.
- 7.5 Any type of misbehave either by Contractor or by his personnel will be treated as same done by the Contractor.
- Neither Contractor nor his personnel will do any activity at the Work site or vicinity of the Work due to which law and order & Social harmony problem arise.
- 7.6 Neither Contractor nor his personnel will involve in any unsocial activity.

## **8. Employer's and Contractor's Risks**

The Employer carries the risks which this Contract states are Employer's risks, and the Contractor carries the risks that this Contract states are Contractor's risks.

## **9. Employer's Risks**

The Employer is responsible for the accepted risks which are (a) in so far as they directly affect the execution of the Works in the Employer's country, the risks of war, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot commotion or disorder (unless restricted to the Contractor's employees), natural calamities and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive, or (b) a cause due solely to the design of the Works, other than the Contractor's design.

## **10. Contractor's Risks**

All risks of loss of or damage to physical property and of personal injury and death which arise during and in consequence of the performance of the Contract are the responsibility of the contractor.

## **11. Site Investigation Reports**

The Contractor, in preparing the Bid, must rely on his own Site visit before submitting the bid.

## **12. Queries about the Contract Data**

The Engineer will clarify queries on the Contract Data.

## **13. Contractor to Construct the Works**

- 13.1 The Contractor shall construct, the Works in accordance with the Specifications and Drawings.
- 13.2 The contractor shall construct the works with intermediate technology, i.e., by manual means with medium input of machinery required to ensure the quality of works as per specifications. The contractor shall deploy the equipment and machinery as given in Contract.

## **14. The Works to Be Completed by the Intended Completion Date**

The Contractor may commence execution of the Works on the Start Date and shall carry out the Works in accordance with the Programme submitted by the Contractor, as updated with the approval of the Engineer, and complete them by the Intended Completion Date.

## **15. Approval by the Engineer**

- 15.1 The Contractor shall submit Specifications and Drawings showing the proposed Temporary Works to the Engineer, who is to approve them.
- 15.2 The Contractor shall be responsible for design of Temporary Works.
- 15.3 The Engineer's approval shall not alter the Contractor's responsibility for design of the Temporary Works.
- 15.4 The Contractor shall obtain approval of third parties to the design of the Temporary Works, where required.
- 15.5 All Drawings prepared by the Contractor for the execution of the temporary or permanent Works, are subject to prior approval by the Engineer before their use.

**16. Safety**

- 16.1 The Contractor shall be responsible for the safety of all activities on the Site.
- 16.2 The Contractor shall be responsible for safety of all persons employed by him on Works, directly, and shall report accidents to any of them, however, and wherever occurring on Works, to the Engineer or the Engineer's Representative, and shall make every arrangement to render all possible assistance and to provide prompt and proper medical attention. The compensation for affected Workers or their relatives shall be paid by the Contractor in such cases expeditiously in accordance with the Workmen's Compensation Act and other labour Laws and regulations.

**17. Discoveries**

Anything of historical or other interest or of significant value unexpectedly discovered on the Site shall be the property of the Employer. The Contractor shall notify the Engineer of such discoveries and carry out the Engineer's instructions for dealing with them.

**18. Possession of the Site**

The Employer shall handover complete or part possession of the site to the Contractor 7 days in advance of construction programme. At the start of the work, the employer shall handover the possession of at-least 75% of the site.

**19. Access to the Site**

The Contractor shall allow access to the Site and to any place where work in connection with the Contract is being carried out, or is intended to be carried out to the engineer and any person/persons/agency authorized by:

- a. The Engineer
- b. The Employer
- c. Government of Uttar Pradesh.

**20. Instructions**

The Contractor shall carry out all instructions of the Engineer, which comply with the applicable laws where the Site is located.

**21. Dispute Redressal System**

- 21.1 If any dispute or difference of any kind what-so-ever shall arises in connection with or arising out of this Contract or the execution of Works or maintenance of the Works there under, whether before its commencement or during the progress of Works or after the termination, abandonment or breach of the Contract, it shall, in the first instance, be referred for settlement to the competent authority, described along with their powers in the Contract Data, above the rank of the Engineer, The competent authority shall, within a period of thirty days after being requested in writing by the Contractor to do so, convey his decision to the Contractor. Such decision in respect of every matter so referred shall, subject to review as hereinafter provided, be final and binding upon the Contractor. In case the Works is already in progress, the Contractor shall proceed with the execution of the Works, including maintenance thereof, pending receipt of the decision of the competent authority as aforesaid, with all due diligence.
- 21.2 Either party will have the right of appeal, against the decision of the competent authority,

**22. Procedure for Disputes resolution**

- 22.1 The Competent Authority mentioned in clause 21.1 shall give a decision in writing within 30 days of receipt of a notification of a dispute.

- 22.2 Either party may refer a decision of the Competent Authority to Arbitration within 28 days of the Competent Authority's written decision. Arbitration shall be under the Arbitration and Conciliation Act 1996. If neither party refers the dispute to Arbitration within the above 28 days, the Competent Authority's decision will be final and binding.
- 22.3 Where the Initial Contract Price as mentioned in the Acceptance Letter is up to or below Rs. 40 Lacs shall be referred to a sole Arbitrator. The sole Arbitrator will be appointed by the agreement between the parties; failing such agreement within 15 days of the reference to arbitration, the appointing authority, namely the Director cum Chief Engineer R.E.D will appoint the arbitrator.
- 22.4 Arbitration proceedings shall be held at the place decided by the arbitrator,
- 22.5 Subject as aforesaid the provision of the Arbitration acts 1996 or any statutory modification or re-enactment thereof and the rules made there under and for the time being enforce shall apply to the arbitration proceeding under the clause. The sole arbitrator to be appointed by the **Director cum Chief Engineer UP RED** shall be of the status given below.
- I. For claims or amount in disputed of not over Rs. 200000/- in case of work order and in case of contract accepted by an Assistant Engineer / Engineer.  
As Executive Engineer RED Division -----U.P.
  - II. For claims or amount in disputed of over Rs. 200000/- but not over Rs. 4000000/-  
As Superintending Engineer of UP R.E.D. -----UP
  - III. For claims or amount in disputed aggregating to more than Rs. 4000000/-  
As Chief Engineer (-----) of UP R.E.D.

## B. TIME CONTROL

- 23. Programme**
- 23.1 Within the time stated in the Contract data, the Contractor shall submit to the Engineer for approval a Programme showing the general methods, arrangements, order, and timing for all the activities in the Works, along with monthly cash flow forecasts for the construction of works.
- 23.2 The Contractor shall submit the list of equipment and machinery being brought to site, the list of key personnel (if any) being deployed, the list of machinery along with the Programme. The Engineer shall cause these details to be verified at each appropriate stage of the programme.
- 23.3 An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining Works, including any changes to the sequence of the activities.
- 23.4 The Contractor shall submit to the Engineer for approval an updated Programme at intervals of no longer than the period stated in the Contract Data. If the Contractor does not submit an updated Programme within this period, the Engineer may withhold the amount stated in the Contract Data from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Programme has been submitted.
- 23.5 The Engineer's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer again at any time. A revised Programme shall show the effect of Variations and Compensation Events.

## 24. Extension of the Intended Completion Date

- 24.1 The competent authority as per state Government rules shall extend the Intended Completion Date if a Compensation Event occurs or a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining Works, which would cause the Contractor to incur additional cost.
- 24.2 The Contractor shall apply for time extension to the Engineer before the intended completion date stating the self-explanatory reason of hindrance.
- 24.3 The competent authority as per state Government rules shall decide whether and by how much time to extend the Intended Completion Date.
- 24.4 No any extension of Intended Completion Date will be allowed if the delay is caused to stop the work by Gundaism or by misbehaving or by fighting with the local habitant either by the Contractor or his employee or by any cause created by the Contractor or his employee.
- 24.5 Extension of Intended Completion Date due to medical ground will not be considered in general but it may be considered in exceptional case.

## 25 Delays Ordered and work progress by the Engineer

- 25.1 The Engineer may instruct the Contractor to delay the start or progress of any activity within the Works. Delay/delays totalling more than 30 days will require prior written approval of the Employer.
- 25.2 If any delay/delays in date of start ordered by the Engineer in writing the due date of completion shall be shifted accordingly by the Employer. Written order of delays by the Engineer must be intimated to the Employer.
- 25.3 (a) Milestones to be achieved during the contract period
- 1/8<sup>th</sup> of the value of entire contract works up to 1/4<sup>th</sup> of the period allowed for completion of construction.  
 3/8<sup>th</sup> of the value of entire contract works up to 1/2 of the period allowed for completion of construction.  
 3/4<sup>th</sup> of the value of entire contract works up to 3/4 of the period allowed for completion of construction.
- (b) Amount of liquidated damages for delay in completion of works. For whole work 1 Percent of the Initial Contract Price, rounded off to the nearest thousand, per week. This is minimum limit.
- (c) Maximum limit of liquidated damages for delay in completion of work. 10 Percent of the Initial Contract Price rounded off to the nearest thousand.

## *C. Quality Control*

### 26. Identifying Defects

- 26.1 The Engineer shall check the Contractor's work and notify the Contractor of any Defects that are found. Such checking shall not affect the Contractor's responsibilities. The Engineer may instruct the Contractor to search for any other Defect, and to uncover and test any work that the Engineer considers may have a Defect.
- 26.2 The Contractor will be fully responsible for the quality of work. If any work found unsatisfactory during the quality test, the contractor is bound to replace/ reconstruct/ rectify, whatever the case may be as directed by the Engineer.

### 27. Tests

- 27.1 For Carrying out mandatory tests as prescribed in the specification.

The contractor shall be solely responsible for:

- a. Carrying out the mandatory tests prescribed in the Specifications, and
  - b. For the correctness of the test results, whether preformed in his laboratory or elsewhere.
- 27.2 If the Engineer instructs the Contractor to carry out a test not specified in the PWD Specification/ Rural Roads Manual etc to check whether any work has a Defect and the test shows that it does, the Contractor shall pay for the test and any samples.

## 28 Correction of Defects noticed during the Defect Liability Periods

- 28.1 The notice given by the Departmental officer to the Contractor for any Defects before the end of the Defects Liability Period, **which begins at Completion of work and ends after one year**. The Defects Liability Period shall be extended for as long as Defects remain to be corrected.
- 28.2 Every time notice of Defect/Defects is given; the Contractor shall correct the notified Defect/Defects within the duration of time specified by the Engineer's notice.
- 28.3 Any instructions issued by the Departmental officer or TAC (Technical Audit Cell of Government) during concurrence of contract or during defect liability period shall be binding to the contractor.

## 29. **Uncorrected Defects**

- 29.1 If the Contractor does not rectify the defects after repeated instruction of Engineer it shall be treated as breach of contract and his contract shall be terminated followed by debar for future tendering or blacklisting.
- 29.2 If the Contractor has not corrected a Defect pertaining to the Defect Liability Period as per Conditions of Contract to the satisfaction of the Engineer, within the time specified in the Engineer's notice, The Engineer will assess the cost of correction plus 20% of bonded amount as additional cost for completing the defects and will get corrected by debit able agency like Work Order/ New Agreement as the case may be after informing to the original Contractor. The cost of correction shall be deducted from any dues of the Original Contractor.

## **D. Cost Control**

### 30. Bill of Quantities

- 30.1 The Bill of Quantities shall contain items for the construction, installation, testing, and commissioning, work to be done by the Contractor.
- 30.2 The Bill of Quantities is used to calculate the Contract Price. The Contractor is paid for the quantity of the work done at the rate in the Bill of Quantities for each item for the construction of roads.

### 31. **Variations and Extra items.**

- 31.1 The Competent Authority shall, as per State Govt. rules having regard to the scope of the Works and the sanctioned estimated cost, have power to order, in writing, Variations within the scope of the Works he considers necessary or advisable during the progress of the Works. Such Variations shall form part of the Contract and the Contractor shall carry them out and include them in updated Programmes produced by the Contractor. Oral orders of the Engineer

for Variations, unless followed by written confirmation, shall not be taken into account. The variation should not be beyond the sanctioned estimated cost.

31.2 Any Extra items and items to be deleted shall be treated as 100% variations. Prior approval of such items from Employer is mandatory.

### 32. **Payments for Variations**

32.1 If rates for variation items are specified in Bill of Quantity, the contractor shall carry out such work at the same rate. This shall apply for variation to any extent on either side.

32.2 If the rates for Variation are not specified in the Bill of Quantities, the Engineer shall derive the rate from similar items in the Bill of Quantities.

32.3 If the rates for Variation item cannot be determined in the manner specified as above, within 7 days of the issue of order of variation work, the contractor will inform the Engineer the rate which he proposes to claim, supported by analysis of the rates. The Engineer shall assess the quotation and determine the rate based on prevailing market rates within one month of the submission of the claim by the Contractor. As far as possible, the rate analysis shall be based on the standard data book and the current schedule of rates of the district. The decision of the Engineer on the rate so determined shall be final and binding on the Contractor. Overall percentage rate below/above of the contract shall also be applicable to these rates.

### 33. **Cash Flow Forecasts**

When the Programme is updated, the Contractor shall provide the Engineer with an updated cash flow forecast.

### 34. **Payment Certificates**

34.1.1 The payment to the contractor will be as follows for construction work:

- (a) The Contractor shall submit to the Engineer fortnightly/ monthly statements of the value of the work executed less the cumulative amount certified previously supported with detailed measurement of the items of work executed.
- (b) The Engineer shall check the Contractor's fortnightly/monthly statement within 7 days and certify the amount to be paid to the Contractor.
- (c) The value of work executed shall be determined, based on measurements by the Engineer or his subordinate.
- (d) The value of work executed shall comprise the value of the quantities of the completed items in the Bill of Quantities.
- (e) The value of work executed shall also include the valuation of Variations and Compensation Events.
- (f) The Engineer may exclude any item certified in a previous certificate or reduce the proportion of any item previously certified in any certificate in the light of later information.
- (g) The Payment of final bill shall be governed by the provisions of contract.

### 35. **Payments**

35.1 Payments shall be adjusted for deductions for advance payments security deposit, other recoveries in terms of the Contract and taxes at source, as applicable under the law. The Engineer shall pay the Contractor the amounts he had certified within 15 days of the date of each certificate.

- 35.2 The Employer may appoint another authority, as specified in the Contract Data (or any other competent person appointed by the Employer and notified to the Contractor) to make payment certified by the Engineer.

### 36. Compensation Events

- 36.1 The following shall be Compensation Events unless they are caused by the Contractor:

- a) The Engineer orders a delay or delays exceeding a total of 30 days.
- b) The effects on the Contractor of any of the Employer's Risks.

- 36.2 If a Compensation Event would prevent the Works being completed before the Intended Completion Date, the Intended Completion Date shall be extended. The Engineer shall decide whether and by how much the Intended Completion Date shall be extended.

### 37. Tax

The rates quoted by the contractor shall be deemed to be exclusive of the Goods and Services Tax (GST) but including labour cess, other levies, duties, royalties, cess, toll, taxes of local bodies and authorities that the contractor will have to pay for the performance of this contract. The employer will perform such duties in regard to the deduction of such taxes including GST at source, require deductions in this reference will be made as per applicable law. GST as per prevailing rate at the time of payment/bill submission shall be made applicable (presently @ 12%) and shall be paid on the whole work carried out as accepted by the engineer, while making the payment. Rate of GST may vary as per latest Government order.

### 38. Currencies

All payments will be made in Indian Rupees.

### 39. Security Deposit/ Retention and Release of Performance Security and Security Deposit/ Retention.

- 39.1 The Employer shall retain security deposit of **{(5%) five percent or as per latest GO}** of the Contract amount from each payment due to the Contractor until completion of the whole of the construction Work.
- 39.2 On satisfactory completion of the whole of the construction work total amount retained as Security Deposit will be re-paid to the contractor **within 6 months** of completion of work.
- 39.3 The additional performance security for unbalanced bids as detailed in Clause 41 of Conditions of Contract is repaid to the contractor when the construction work is complete.
- 39.4 *The performance security equal to the **{(5%) five percent or as per latest GO}** of the contract price as detailed in Clause 41 of Conditions of contract is repaid to the contractor when the period of defect liability is over, and the Engineer has certified that the work is satisfactory after defect liability period. If the defects notice during the defect liability period are not corrected by the contractor as per condition of this contract, the employer will be free to rectify the defect and the amount required plus 20% penalty of this amount recoverable for this purpose will be recovered from amount of performance security available with the employer and from any other amounts of the contractor available with the employer or from the revenue recovery.*
- 39.5 If the contractor so desires then the Security Deposit can be converted into any interest-bearing security of Schedule Commercial Bank duly pledged in favour of the Concerned Executive up to Defect Liability Period.

### 40. Liquidated Damages

- 40.1 The Contractor shall pay liquidated damages to the Employer at the rate per week or part thereof stated in the Contract Data for the period that the Completion Date is later than the Intended Completion Date. Liquidated damages at the same rate shall be withheld if the Contractor fails to achieve the milestones prescribed in the Contract Data. However, in case the Contractor achieves the next milestone the amount of the liquidated damages already withheld shall be restored to the Contractor by adjustment in the next payment certificate. The total amount of liquidated damages shall not exceed the amount defined in the Contract Data. The Employer may deduct liquidated damages from payments due to the Contractor. Payment of liquidated damages shall not affect the Contractor's other liabilities.
- 40.2 If the Intended Completion Date is extended after liquidated damages have been paid, the Engineer shall correct any overpayment of liquidated damages by the Contractor by adjusting the next payment certificate.

#### 41. Securities

The Performance Security equal to {(5%) five percent or as per latest GO} of the contract price and additional security for unbalanced bids shall be provided to the Employer no later than the date specified in the Letter of Acceptance and shall be issued in the form given in the Contract Data and by a scheduled commercial Bank. The Performance Security shall be valid until a date 45 days from the date of expiry of Defect Liability Period and the additional security for unbalanced bids shall be valid until a date 45 days from the date of issue of the certificate of completion.

#### 42. Cost of Repairs

- 42 Loss or damage to the Works or Materials to be incorporated in the Works between the Start Date and the end of the Defects Correction periods shall be remedied by the Contractor at his cost if the loss or damage arises from the Contractor's acts or omissions.

### ***E. Finishing the Contract***

#### 43. Completion of Construction

The contractor shall request the Engineer to issue a certificate of completion of the construction of the works, and the Engineer will do so upon deciding that the works is completed.

#### 44. Taking Over

The Employer shall take over the works within seven days of the Engineer issuing a certificate of completion of works.

#### 45. Final Account

- 45.1 The contractor shall submit the Engineer with a detailed account of the total amount that the Contractor considers payable for works under the contract within 30 days of issue of certificate of completion of construction of works. The Engineer shall issue a defect liability certificate and certify any payment that is due to correct the defects and complete. If the account is not correct or complete, the engineer shall issue within 42 days a schedule that states the scope of the corrections or additions that are necessary. If the account is still unsatisfactory after it has been resubmitted, the Engineer shall decide on the amount payable to the contractor and issue a payment certificate within 28 days of receiving the Contractor's revised account. The payment of final bill for construction of works will be made within 14 days thereafter.
- 45.2 In case the account is not received within 30 days of issue of Certificate of Completion as provided above, the Engineer shall proceed to finalize the account and issue a payment certificate within 28 days. The payment of final bill for construction of works will be made within 14 days thereafter.

#### 46. Operating and Maintenance Manuals

- 46.1 “As built” Drawings including L-section, X-section, Drawings of Culvert, or bridges, Sanitary, water supply and electrical details etc as the case shall be submitted by the Contractor with the submission of final bills.
- 46.2 If the Contractor does not submit the drawings and/or manuals by the dates stated in the Contract Data, or they do not receive the Engineer's approval, the Engineer shall withhold the amount stated in the Contract Data from payments due to the Contractor.

#### 47. Termination

- 47.1 The Employer may terminate the Contract if the Contractor causes a fundamental breach of the Contract.

47.2 **Fundamental breaches of Contract shall include, but shall not be limited to, the following:**

- a) The Contractor stops work for 28 days when no stoppage of work is shown on the current Programme and the stoppage has not been authorized by the Engineer.
  - b) The Contractor is declared as Bankrupt.
  - c) If Contractor fails to correct the defects indicated by the Engineer within a reasonable period of time determined by the Engineer.
  - d) The Contractor does not maintain a Security, which is required.
  - e) The Contractor has delayed the completion of the Works by the number of days for which the maximum amount of liquidated damages can be paid, as defined in clause 40; (it means the Contractor has delayed the works beyond the intended completion time even after imposing the liquidity damage);
  - f) If the Contractor, in the judgement of the Employer, has engaged in the corrupt or fraudulent practice in competing for or in executing the Contract. For the purpose of this clause, “corrupt practise” means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in Contract execution. “Fraudulent Practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Employer and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid process at artificial non-competitive levels and to deprive the Employer of the benefits of free and open competition.
  - g) If the Contractor has not completed at least thirty per cent of the value of construction Work required to be completed after half of the completion period has elapsed.
  - h) If the Contractor fails to deploy machinery and equipment or personnel as specified in the contract Data at the appropriate time.
  - i) if the Contractor engages child labour in violation of prevailing laws.
  - j) if the Contractor fails to ensure that there is no gender bias in engagement of labour and other employees and in payment of wages and he discriminate against female workers.
  - k) Non-Cooperation with the Co-Contractor
  - l) If the Contractor does not maintain the quality after repeated instruction of Engineer.
  - m) Any activity against the CRPC/IPC
  - n) Any unsocial activity.
  - o) Other justified reason as considered by the Engineer.
  - p) And any other fundamental breaches as specified in the Contract Data.
- 47.3 Notwithstanding the above, the Employer may terminate the Contract for convenience.
- 47.4 If the Contract is terminated, the Contractor shall stop work immediately, make the Site safe and secure, and leave the Site as soon as reasonably possible.

#### **48. Payment upon Termination**

48.1 (i) If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Engineer shall issue a certificate for the value of the work done, less liquidated damages, less advance payments received by the Contractor up to the date of the issue of the certificate and less the percentage to apply to the value of the work not completed, as indicated in the Contract Data. If the total amount due to the Employer exceeds any payment due to the Contractor, the difference shall be recovered from the Security Deposit, and Performance Security. If any amount is still left un-recovered it will be a debt payable to the Employer from any other State Government works including State Public Sector works executed by the Contractor. If any amount still remains unrecovered, it shall be recovered as arrears of land revenue.

(ii) If the Contract is terminated because of a fundamental breach of contract by the Contractor due to non-compliance of the requirements of clause 29 of GCC regarding defects liability period and routine maintenance (if any), the Engineer will assess the cost of having the defect corrected. If the total amount due to the Employer exceeds any payment due to the Contractor, the difference shall be recovered from the Security Deposit and Performance Security. If any amount is still left un-recovered, it will be recovered from any dues payable to the Contractor from any other State Government works including State Public Sector works executed by the Contractor. If any amount still remains unrecovered, it shall be recovered as arrears of land revenue.

48.2 If the Contract is terminated at the Employer's convenience, the Engineer shall issue a certificate for the value of the work done, less advance payments received by the Contractor up to the date of the certificate, less other recoveries due in terms of the Contract, and less taxes due to be deducted at source as per applicable law.

#### **49. Property**

49.1 All Materials on the Site, Plant, Equipment, Temporary Works, and Works shall be deemed to be the property of the Employer for use for completing balance construction work if the Contract is terminated because of the Contractor's default, till the Works is completed after which it will be transferred to the other Contractor and credit, if any, given for its use.

#### **50. Release from Performance**

50.1 If the Contract is frustrated by the outbreak of war or by any other event entirely outside the control of the Employer or the Contractor, the Engineer shall certify that the Contract has been frustrated. The Contractor shall make the Site safe and stop work as quickly as possible after receiving this certificate and shall be paid for all work carried out before receiving it and for any work carried out afterwards to which a commitment was made.

50.2 Death or permanent invalidity of the Contractor: The Contractor shall indicate his nominee for the Contract at the time of signing of Agreement. If a Contractor dies during the currency of the Contract or becomes permanently incapacitated, and his/her nominee are not willing to complete the Contract, the Contract shall be closed without levying any damages/compensation as provided for in clauses 44 and 53 of GCC.

However, if the nominee expresses his/her intention to complete the balance work and the competent authority is satisfied about the competence of the nominee, then the competent authority shall enter into a fresh agreement for the remaining work strictly on the same terms and conditions, under which the Contract was initially awarded.

### ***F. Other Conditions of Contract***

#### **51. Labour**

- 51.1 The Contractor shall, unless otherwise provided in the Contract, make his own arrangements for the engagement of all staff and labour, local or other, and for their safety, payment, housing, feeding and transport as per their mutual consent.
- 51.2 The Contractor shall, if required by the Engineer, deliver to the Engineer a return in detail, in such form and at such intervals as the Engineer may prescribe, showing the staff and the numbers of the several classes of labour from time to time employed by the Contractor on the Site and such other information as the Engineer may require.

## **52. Compliance with Labour Regulations**

- 52.1 During continuance of the Contract, the Contractor and his Sub-Contractors shall always abide by all existing labour enactments and rules made thereunder, regulations, notifications and bye laws of the State or Central Government or local authority and any other labour law (including rules), regulations, bye laws that may be passed or notification that may be issued under any labour law in future either by the State or the Central Government or the local authority. Salient features of some of the major labour laws that are applicable to construction industry are given in Appendix to Part I General Conditions of Contract. The Contractor shall keep the Employer indemnified in case any action is taken against the Employer by the competent authority on account of contravention of any of the provisions of any Act or rules made there under, regulations or notifications including amendments. If the Employer is caused to pay or reimburse, such amounts as may be necessary to cause or observe, or for non-observance of the provisions stipulated in the notifications/bye laws/Acts/Rules/regulations including amendments, if any, on the part of the Contractor, the Engineer/Employer shall have the right to deduct any money due to the Contractor including his amount of Performance Security. The Employer/Engineer shall also have the right to recover from the Contractor any sum required or estimated to be required for making good the loss or damage caused by the personnel of Contractor or Contractor himself.

The employees of the Contractor and the Sub-Contractor in no case shall be treated as the employees of the Employer at any point of time.

- 52.2 Full compliance of statutory requirements apart, the Contractor shall pay rates of wages and observe conditions of labour not less favourable than those established for the trade or the industry where the work is carried out. The Contractor shall make himself aware of all labour regulations and their impact on the cost and build up the same in the Contract Price. During the Contract Period, unless and otherwise provided in the Contract, no extra amount in this regard shall be payable to the Contractor, for whatsoever reason.
- 52.3 In the event of default being made in the payment of any money in respect of wages of any person employed by the Contractor or any of its sub-Contractors of any tier in and for carrying out of this Contract and if a claim therefore is filed in the office of the Labour Authorities and proof thereof is furnished to the satisfaction of the Labour Authorities, the Employer may, failing payment of the said money by the Contractor, make payment of such claim on behalf of the Contractor to the said Labour Authorities and any sums so paid shall be recoverable by the Employer from the Contractor.
- 52.4 It shall be the responsibility of the Contractor to pay EPF/ESI contributions as required under prevailing laws. The Contractor shall bear all such cost and it would be deemed to be included in the Contract Price.
- 52.5 The employment of child labour is prohibited in the Contract. The Contractor shall comply with the Child Labour (Prohibition and Regulation) Act, 1986.
- 52.6 The Contractor shall ensure that there is no gender bias in engagement of labour and other personnel and shall not make any discrimination against female employees. The Contractor shall comply with the Equal Remuneration Act, 1979 and Maternity Benefit Act, 1961.

- 52.7 The Contractor shall have a Labour Welfare Organization which shall be responsible for labour welfare and compliance with prevalent labour laws, statutes and guidelines. In this context, the Contractor is also required to familiarize himself with Labour Welfare Rules of the state concerned and comply with the provisions of the Building and other Construction Workers (Regulation and Employment & Conditions of Service), Act 1996 and the Cess Act, 1996.
- 52.8 The Contractor shall provide and maintain at his own expense, all necessary accommodation and welfare facilities as per prevailing labour and welfare laws for his (and his Sub-Contractor's) staff and labour.
- 52.9 The Contractor shall prepare and submit compliance reports of adherence to labour laws as and when directed by the Engineer.

### **53. Drawings and Photographs of the Works**

- 53.1 The Contractor shall do photography/video photography of the site firstly before the start of the work, secondly mid-way in the execution of different stages of work and lastly after the completion of the work. No separate payment will be made to the Contractor for this.
- 53.2 The Contractor shall not disclose details of Drawings furnished to him and works on which he is engaged without the prior approval of the Employer in writing. No photograph of the works or any part thereof or plant employed thereon, except those permitted under clause 58.1, shall be taken or permitted by the Contractor to be taken by any of his employees or any employees of his sub-Contractors without the prior approval of the Employer in writing. No photographs/ Video photography shall be published or otherwise circulated without the approval of the Employer in writing.

### **54. The Apprentices Act, 1961**

- 54.1 The Contractor shall duly comply with the provisions of the Apprentices Act, 1961 (III of 1961), the rules made there under and the orders that may be issued from time to time under the said Act and the said Rules and on his failure or neglect to do so, he shall be subject to all liabilities and penalties provided by the said Act and said Rules.

## **Appendix General Conditions of Contract**

### **SALIENT FEATURED OF SOME MAJOR LABOUR LAWS APPLICABLE TO ESTABLISHMENTS ENGAGED IN BUILDING AND OTHER CONSTRUCTION WORK.**

- a) **Workmen Compensation Act 1923:** -The Act provides for compensation in case of injury by accident arising out of and during the course of employment.
- b) **Payment of Gratuity Act 1972:** - Gratuity is payable to an employee under the Act on satisfaction of certain conditions on separation if an employee has completed the prescribed minimum years (say, five years) of service or more or on death the rate of prescribed minimum days' (say, 15 days) wages for every completed year of service. The Act is applicable to all establishments employing the prescribed minimum number (say, 10) or more employees.

- c) **Employees P.F. and Miscellaneous Provision Act 1952:** The Act Provides for monthly contributions by the Employer plus workers at the rate prescribed (say, 10% or 8.33%). The benefits payable under the Act are:
- i. Pension or family pension on retirement or death as the case may be.
  - ii. Deposit linked insurance on the death in harness of the worker.
  - iii. Payment of P.F. accumulation on retirement/death etc.
- d) **Maternity Benefit Act 1951:** - The Act provides for leave and some other benefits to women employees in case of confinement or miscarriage etc.
- e) **Contract Labour (Regulation & Abolition) Act 1970:** - The Act provides for certain welfare measures to be provided by the Contractor to contract labour and in case the Contractor fails to provide, the same are required to be provided, by the Principal Employer by Law. The principal Employer is required to take Certificate of Registration and the Contractor is required to take license from the designated Officer. The Act is applicable to the establishments or Contractor of Principal Employer if they employ prescribed minimum (say 20) or more contract labour.
- f) **Minimum Wages Act 1948:** - The Employer is to pay not less than the Minimum Wages fixed by appropriate Government as per provisions of the Act if the employment is a scheduled employment. Constructions of buildings, roads, runways are scheduled employment.
- g) **Payment of Wages Act 1936:** - It lays down as to by what date the wages are to be paid, when it will be paid and what deductions can be made from the wages of the workers.
- h) **Equal Remuneration Act 1979:** - The Act provides for payment of equal wages for work of equal nature to male and female workers and for not making discrimination against female employees in the matters of transfers, training and promotions etc.
- i) **Payment of Bonus Act 1965:** - The Act is applicable to all establishments employing prescribed minimum (say, 20) or more workmen. The Act provides for payments of annual bonus within the prescribed range of percentage of wages to employees drawing up to the prescribed amount of wages, calculated in the prescribed manner. The Act does not apply to certain establishments. The newly set-up establishments are exempted for five years in certain circumstances. States may have different number of employment size.
- j) **Industrial Disputes Act 1947:** - The Act lays down the machinery and procedure for resolution of industrial disputes, in what situations a strike or lock-out becomes illegal and what are the requirements for laying off or retrenching the employees or closing down the establishment.
- k) **Industrial Employment (Standing Orders) Act 1946:** - It is applicable to all establishments employing prescribed minimum (say, 100, or 50). The Act provides for laying down rules governing the conditions of employment by the Employer on matters provided in the Act and gets these certified by the designated Authority.
- l) **Trade Unions Act 1926:** - The Act lays down the procedure for registration of trade unions of workmen and Employers. The Trade Unions registered under the Act have been given certain immunities from civil and criminal liabilities.
- m) **Child Labour (Prohibition & Regulation) Act 1986:** - The Act prohibits employment of children below 14 years of age in certain occupations and processes and provides for regulations of employment of children in all other occupations and processes. Employment of child labour is prohibited in building and construction industry.

- n) **Inter-State Migrant Workmen's (Regulation of Employment & Conditions of Service) Act 1979:** - The Act is applicable to an establishment which employs prescribed minimum (say, five) or more inter-state migrant workmen through an intermediary (who has recruited workmen in one state for employment in the establishment situated in another state). The Inter-State migrant workmen, in an establishment to which this Act becomes applicable, are required to be provided certain facilities such as Housing, Medical-Aid, Travelling expenses from home up to the establishment and back etc.
- o) **The Building and Other Construction workers (Regulation of Employment and Conditions of Service) Act 1996 and the Cess Act of 1996:** - All the establishments who carry on any building or other construction work and employs the prescribed minimum (say, 10) or more workers are covered under this Act. All such establishments are required to pay cess at the rate not exceeding 2% of the cost of construction as may be modified by the Government. The Employer of the establishment is required to provide safety measures at the building or construction work and other welfare measures, such as canteens, first-aid facilities, ambulance, housing accommodations for workers near the workplace etc. The Employer to whom the Act applies has to obtain a registration certificate from the Registering Officer appointed by the Government.
- p) **Factories Act 1948:** - The Act lays down the procedure for approval of plans before setting up a factory, health and safety provisions, welfare provisions, working hours, annual earned leave and rendering information regarding accidents or dangerous occurrences to designated authorities. It is applicable to premises employing the prescribed minimum (say, 10) persons or more with aid of power or another prescribed minimum (say, 20) or more persons without the aid of power engaged in manufacturing process.
- q) **Arbitration and Conciliation Act, 1996:** - The Act lays down the procedure for appointment of Arbitrator, Arbitration and conciliation, Jurisdiction of Arbitral Tribunals, Recourse against Arbitral award appeals.

## **Section 3**

### **Conditions of Contract**

#### **Special Conditions of Contract**

These conditions vary and add to the Conditions of Contract set out in Part I General Conditions of Contract

- I. Contractor shall procure Bitumen from the Government approved refinery and shall produce the original C.R.C. issued by the refinery at the time of claiming the payment for bitumen along with the bill.
- II. May be specified as per requirement.

## Contract Data to General Conditions of Contract

Except where otherwise indicated, the Employer prior to issuance of the bidding documents should fill in all Contract Data. Schedules and reports to be provided by the Employer should be annexed.
