### **30. Public Procurement Policy for Micro and Small Enterprises (MSEs)**

- i) From time to time, the Government of India (Procuring Entity) lays down procurement policies to help inclusive national economic growth by providing long-term support to micro, small and medium enterprises and disadvantaged sections of society. The Procurement Policy for Micro and Small Enterprises, 2012 [amended 2018 and 2021] has been notified by the Government in exercise of the powers conferred in Section 11 of the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006. Details of the policy along with the amendments issued in 2018 and 2021 are available on the MSME website (<http://dcmsme.gov.in/pppm.htm.aspx>).
  - ii) Micro and Small Enterprises (MSEs) registered under Udyam Registration are eligible to avail the benefits under the policy.
  - iii) The Policy is applicable to all the Central Government Ministries/ Departments/ CPSUs. However, the policy is not applicable to State Government Ministries/ Departments/PSUs.
- 1) To reduce transaction cost of doing business, MSEs will be facilitated by providing them tender documents free of cost, exempting MSEs from payment of earnest money deposit, adopting e-procurement to bring transparency in tendering process. However, exemption from paying Performance Bank Guarantee is not covered under the policy. MSEs may also be given relaxation in prior turnover and prior experience criteria during the tender process, subject to meeting of quality and technical specifications. However, there may be circumstances (like procurement of items related to public safety, health, critical security operations and equipment, etc.) where procuring entity may prefer the vendor to have prior experience rather than giving orders to new entities.
  - 2) Chapter V of the MSMED Act, 2006 also has provision for ensuring timely payments to the MSE suppliers. The period agreed upon for payment must not exceed forty-five days after the supplies. For delays in payment, the buyer shall be liable to pay compound interest to the supplier on the delayed amount at three times of the bank rate notified by the Reserve Bank. For arbitration and conciliation regarding recovery of such payments and interests, Micro and Small Enterprises Facilitation Council has been setup in states.
  - 3) In tender, participating Micro and Small Enterprises (MSE) quoting price within price band of L1+15 (fifteen) per cent shall also be allowed to supply a portion of requirement by bringing down their price to L1 price in a situation where L1 price is from someone other than a MSE and such MSE shall be allowed to supply up to 25 (twenty-five) per cent of total tendered value. The 25 (twenty-five) per cent quantity is to be distributed proportionately among these bidders in case there are more than one MSEs within such price band.
  - 4) Within this 25% (Twenty Five Percent) quantity, a purchase preference of four (4) per cents reserved for MSEs owned by Scheduled Caste (SC) / Scheduled Tribe (ST) entrepreneurs and three (3) percent is reserved for MSEs owned by women entrepreneurs (if they participate in the tender process and match the L1 price). However, in event of failure of such MSEs to participate in tender process or meet tender requirements and L1 price four percent sub-target for procurement earmarked for MSEs owned by SC/ST entrepreneurs and three (3) percent earmarked to women entrepreneurs will be met from other MSEs. MSEs would be treated as owned by SC/ST entrepreneurs:

- a) In case of proprietary MSE, proprietor(s) shall be SC/ST;
  - b) In case of partnership MSE, the SC/ST partners shall be holding at least 51% (fiftyone percent) shares in the unit;
  - c) In case of Private Limited Companies, at least 51% (fifty-one percent) share shall be held by SC/ST promoters.
- iv. If sub contract is given to MSEs, it will be considered as procurement from MSEs.
- v. In case of tender item cannot be split or divided, etc. the MSE quoting a price within the band L1+15% may be awarded for full / complete supply of total tendered value to MSE, considering the spirit of the Policy for enhancing Govt. Procurement from MSEs.
- vi. To develop MSE vendors so as to achieve their targets for MSEs procurement, Central Government Ministries / Departments / PSUs shall take necessary steps to develop appropriate vendors by organizing Vendor Development Programmes (VDPs) or Buyer-Seller Meets focused on developing MSEs for procurement through the Government e-Marketplace (GeM) portal. In order to develop vendors belonging to MSEs for Public Procurement Policy, the Ministry of MSME is regularly organizing State Level VDPs and National Level VDPs under the Procurement and Marketing Support Scheme. For enhancing participation of MSEs owned by SCs / STs / Women in Government procurement, Central Government Ministries/ Departments/ CPSUs have to take the following steps:
- a) Special Vendor Development Programmes / Buyer Seller Meets would be conducted by Departments / CPSUs for SC / STs and Women.
  - b) Outreach programmes will be conducted by National Small Industries Corporation (NSIC) to cover more and more MSEs from SC/STs under its schemes of consortium formation and
  - c) NSIC would open a special window for SCs/ STs under its Single Point Registration Scheme (SPRS).
  - d) A National SC/ST hub scheme was launched in October, 2016, for providing handholding support to SC/ST entrepreneur which is being coordinated /implemented by the NSIC under this Ministry.
- vii. Where any Aggregator has been appointed by the Ministry of MSME, themselves quote on behalf of some MSE units, such offers will be considered as offers from MSE units and all such facilities would be extended to these also.
- viii. This Policy is meant for procurement of only goods produced and services rendered by MSEs. Traders / distributors / sole agent / Works Contract are excluded from the purview of the policy.

3. As per Rule 160(i) (a) of GFR, 2005 there is already a provision that the bidding documents should contain criteria for eligible and qualification to be met by the bidders such as minimum level of experience, past performance, technical capability, manufacturing facilities and financial position etc. In view of above, it is further clarified that all Central Ministries/Departments may relax condition of prior turnover and prior experience in public procurement to all Startups (whether MSEs or otherwise) subject to meeting of quality and technical specifications in accordance with the relevant provisions of GFR, 2005.
