

Bidders' Help Manual for availing Preferential Benefits in E-Tendering Portal

TeCL has "Preferential Bidding Module" in E-Tendering portal (<https://etenders.gov.in/eprocure/app>) which will allow bidders to claim preferential benefit as per his preferential category while participating in a tender in the system itself. **Bidders who do not claim preferential benefit at the designated section of the portal while participating in the tender, will not be considered for any preferential benefit in that tender.**

There are two preferential categories in the portal:

- ☐ Purchase Preference to MSEs against PPP 2012
- ☐ Public Procurement Preference to Make in India (PPP-MII order 2017)

Tender Inviting Authority reserves the right to allow one or more or none of the above preference categories in his tender as per Tender Terms and Conditions.

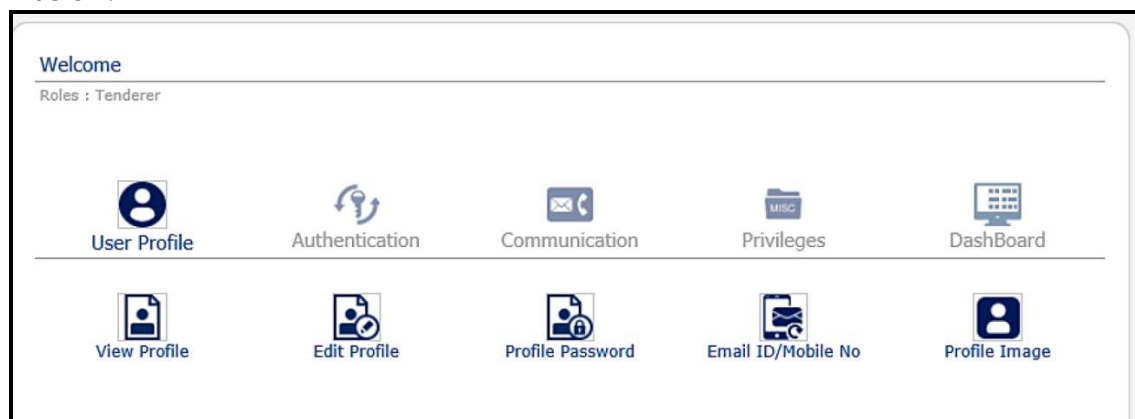

1. Profile Updation:

In the tenders where "Preferential Bidding" is allowed, Bidders will be able to claim preferential benefit only if they have declared themselves as preferential bidder in their profile.
