--	--	--	--	--	--	--

The Bid document may be downloaded from "<https://etender.up.nic.in>" w.e.f. 20.05.2026 by 15:00Hrs.

1. **Pre-bid meeting date, time & venue: - 27.05.2026 at 15:00Hrs. at the office of the Superintending Engineer, Construction Circle, UP Jal Nigam(Urban), Prayagraj.**
2. The Bid should be valid for 120 days from the last date of submission of bids.
3. If the date of opening of the technical bid happens to be a holiday, the bid shall be opened on the next working day at the same time, **for which no separate communication shall be sent.**
4. Bidders with a criminal record will not be allowed to participate in the bidding process.
5. A person registered with any State Bar Council will not be eligible to participate in the Bid.
6. As per Government norms, GST at the applicable rate will be paid extra.
7. **Joint Venture:-**
  - The Joint Venture is allowed with a maximum of two members, of which the lead member has to be an Indian firm/company. Foreign companies can be part of a joint venture.
  - The lead Member of the JV/Consortium must have a minimum 51% of the stakeholding. A member of a joint venture, other than the lead member, should have at least 30% Stake Holding.
  - The lead member should have a turnover of at least 51% of the total turnover required.
  - The lead member should have a Solvency of at least 51% of the total solvency required.
  - Project costing ≤ 10 Cr.-JV/Consortium shall have the required technical experience collectively.
  - Project Costing > 10 Cr. up to 25 Cr.- Lead member of JV/ Consortium should have at least 30% technical experience of the required technical experience.

- Project Costing> 25Cr.- Both members of JV/Consortium should have at least 30% technical experience of the required technical experience.
- A member of JV/Consortium shall not participate either in individual capacity or as a member of another JV/Consortium in the same tender.
- Tender form shall only be submitted in the name of the JV/Consortium. Tender fees may be submitted by the lead partner/ JV.
- A single Performance Guarantee shall be submitted by the JV/Consortium in the name of the JV/Consortium.
- Tender for more than five projects of Amrut 2.0/SBM 2.0/Twarit Arthik Vikas Yojna will not be allotted to any firm as JV partner at any time. If a firm is allotted 5 tenders as JV partner, then that firm will not be able to participate in any tender as JV until one of the works of the allotted 5 tenders is finished and a completion certificate has been issued by the concerned office. The above condition will not apply for individual participation in the tender.
- All members of the JV/Consortium of Bidders shall be liable jointly and severally for the execution of the project.

For further details and methodology, Clauses 2.20.2 and 3.6 of Instructions to the Bidder (ITB) must be referred.

#### 8. Eligibility

##### (a) Experience

Contractors who inter-alia fulfil the following requirements shall be eligible to apply. The firm should have successfully completed and commissioned similar works mentioned below during last Ten years as on date of publication of NIT, satisfying the following:-

- (i) Three completed, tested and commissioned works, each costing not less than the amount equal to 30% of the estimated cost put to tender (i.e. Rs. 120.50 lacs).

OR

- (ii) Two completed, tested and commissioned works each costing not less than the amount equal to 40% of the estimated cost put to tender (i.e. Rs. 160.67 lacs).

OR

- (iii) One completed, tested and commissioned work costing not less than the amount equal to 60% of the estimated cost put to tender (i.e., Rs. 241.00 lacs).

**Similar work shall mean completed, tested and commissioned works of the Sewage Treatment Plant and its associated infrastructure works.**

##### Note:-

- i. The bidder should have experience of work contract, including testing and commissioning successfully in the last 10 years as on the date of publication on NIT.
- ii. In Case of turn-key projects, experience of works/components put to tender, namely STP, Sewage Pumping Station, Sewer network for sewerage project, will also be considered accordingly.
- iii. The experience in foreign countries of a subsidiary or parent company will also be considered for qualification. In case the company is not registered in India, the experience has to be certified by the respective Embassy office/Apostille (in case of members of the Hague-Apostille Convention).
- iv. The works like SCADA/Automation/I.T. Solutions and construction of electric sub-station can be outsourced/sub-contracted to other firms after approval of the Engineer-in-charge, but the main contractor will be responsible for the quality of work and its timely completion.
- v. Sub-Contracting/ Subletting experience shall be considered valid only if the experience Certificate is directly issued to the sub-contractor by the department, and the work experience provides all relevant information and is supported by relevant documents like 26AS, a proof of payment received from the client.

**In addition to the above financial criteria, below mentioned physical criteria will also be evaluated.**

Three completed and commissioned works of STP of any proven technology on a turnkey basis,  
having a minimum (300 KLD) capacity each.

OR

Two completed and commissioned works of STP of any proven technology on a turnkey basis,  
having a minimum (400 KLD) capacity each.

OR

One completed and commissioned work of STP of any proven technology on a turnkey basis,  
having a minimum (600 KLD) capacity.

**Note:** - Experience of WWTP will also be considered for STP work.

The certificate(s) should be certified by an officer not below the rank of Executive Engineer/Project Manager or equivalent. All the performance certificates submitted should be clear and exhaustive enough to establish similarity with the work under the bid. Ambiguous Performance Certificates will not be considered for evaluation

- (b) **Turn Over:** Should have an average audited annual financial turnover during the immediate last 3 (three) consecutive financial years on construction works, equal to at least 30% of the cost of work put to tender. Any year in which no turnover is shown will also be considered for working out the average.
- (c) The bidder must have a positive net worth in the immediate last financial year. The net worth of all the partners in a JV should individually be positive. At the time of submission of bid, the contractor has to upload a certificate from the statutory auditor of the firm mentioning year-wise audited financial turnover on the construction works of the last 5 years. Further details, if required, may be requested from the contractor after the opening of technical bids.
- (d) The value of turnover and experience on construction works / Value of experience shall be brought to the current costing level by enhancing the actual values @ 7% per year calculated from the date of completion to the date of publication of NIT. A typical index is given below.

Year	Escalation/Enhancement factor
Year 1	1.00
Year2	1.07
Year3	1.14
Year4	1.21
Year5	1.28

(e) **Solvency:** -A Solvency Certificate of a minimum 40% of the tender value will be required to be submitted. The bidder must maintain their solvency till the completion of the project.

- Solvency Certificate issued by any Scheduled Commercial Bank shall be accepted, which will be valid for a period of one year from the date of issue unless otherwise mentioned.

**Or**

- Solvency Certificate issued by the District Magistrate will also be accepted, which will have a validity of one year from the date of issue unless otherwise mentioned.

9. NIT and other information/corrigenda/addenda, and instructions for bidders posted on the website shall form part of the bid document.
10. The quantities given in the Bill of Quantities are estimated and provisional and are given to provide a common basis for bidding. These are liable to change up to any extent for which no claim except as provided under contract shall be admitted.
11. The bid document, consisting of Technical(eligibility) bid & financial bids, including specifications, the bills of quantities of various types of items to be executed, and the set of terms and conditions of the contract to be complied with and other necessary documents, is available on "<https://e-tender.up.nic.in>".
12. The technical bid shall be opened first on the due date and time as mentioned above. The time and date of opening of the financial bid of contractors, qualifying the technical bid, shall be communicated to them on a later date through the portal.
13. If the Bidder feels that the technical credentials of his own or other Bidders have been wrongly

evaluated/verified, he may raise **objections within 2 (two) days** from the date of uploading the result. No requests/objections shall be entertained beyond the above limit; else, it may be treated as an obstruction in the tender process and shall be dealt with accordingly.

14. U.P. Jal Nigam (Urban) reserves the right to reject any prospective application or to cancel the entire bid process without assigning any reason whatsoever.
15. The E-tender document fee is non-refundable. It shall be deposited in the account of Executive Engineer, Construction Division, UP Jal Nigam (Urban), Fatehpur in Punjab National Bank, Branch- Main Branch, Civil Line, Fatehpur, A/c No.: 0170000100303108, IFSC Code: PUNB0017000.
16. Earnest Money Deposit (EMD)/Bid Security:
  - a. EMD will be 2% for works up to Rs 5.00Cr. and 1% or Rs 10.00 Lacs whichever is higher for works above 5.00 Cr.
  - b. EMD shall be paid through RTGS or in the form of RTGS/FDR/Bank Guarantee issued by any scheduled commercial Bank.
  - c. This Bank Guarantee must be in the prescribed format given in **Annexure-6** of the tender document, and it should be valid for 65 days beyond the validity period of the tender.
  - d. In case of JV, earnest money may be submitted by the lead partner/JV.
  - e. The RTGS component of earnest money shall be deposited in the account of Executive Engineer, Construction Division, UP Jal Nigam (Urban), Fatehpur in Punjab National Bank, Branch- Main Branch, Civil Line, Fatehpur, A/c No.: 0170000100303108, IFSC Code: PUNB0017000.
  - f. The bidder shall deposit tender fees and earnest money **separately** in the account mentioned as above. Further, he shall upload digitally signed copies of original receipts of the bank showing clearly the above details and/or the Bank Guarantee.
  - g. In case EMD is submitted in the form of FDR/Bank Guarantee, the bidder should ensure that such an **original FDR/Bank Guarantee is mandatorily deposited in the office of the Executive Engineer, Construction Division, UP Jal Nigam (Urban), Fatehpur on the day of the scheduled date (during office hours) of opening of Technical Bid**, either in person or by Speed Post. The liability for timely submission shall lie with the Bidder; U.P. Jal Nigam (Urban) shall not be responsible for delay on account of any reason whatsoever.
  - h. Subject to the limit as described in the foregoing para, EMD may also be submitted in the form of CDR/FDR/BG, issued by a scheduled commercial bank and duly pledged in the favour of **Executive Engineer, Construction Division, UP Jal Nigam (Urban), Fatehpur. It is made clear that Tender Fee and Earnest Money deposited in any other form besides as mentioned above, sub-para shall render the bid non-responsive.**
  - i. In case of JV, the EMD should be in the name/ from the account of JV or lead partner as specified in the JV agreement.
17. All the Bank Guarantees submitted towards EMD/Performance Security/Additional Performance Security should be verifiable and encashable from a branch situated in a city where the office of the Divisional Officer is located.
18. All the documents as specified in the technical bid/eligibility bid documents should be uploaded within the period of bid submission. U.P. Jal Nigam (Urban) will not be liable for incomplete/inaccurate / non-submission of bid for any reason whatsoever, including technical reasons. It is made clear that separate submission of originals of any documents (**except Bank Guarantee**) other than scanning and uploading them is not required, unless called for, after opening of financial bid.
19. The bid submission shall become invalid if:
  - (i) The bidder is found ineligible.
  - (ii) The bidder does not upload all the documents as stipulated in the bid document.
  - (iii) If any discrepancy is noticed between uploaded documents and originals/hard copies submitted later.
  - (iv) If subsequent to the due date of submission of the bid and/or after its submission, the bidder

makes any further communication/ representation with regard to the bid (whether technical or financial) than otherwise called for by the undersigned as a clarification.

- (v) If a bidder does not quote any percentage above/below/par on the total amount of the tender or any section/sub-head in percentage rate tender. Further, the tender will not be considered as the lowest bid.
- (vi) Conditional tenders or Tenders without the e-tender document fee & earnest money or invalid earnest moneys shall be summarily rejected.

20. **Additional Security/Performance Security:**

Performance Guarantee 10% of the contract cost will have to be submitted at the time of signing the contract in the form of FDR/ Bank Guarantee from any scheduled commercial Bank. Alternatively, on request of the contractor/firm, 5% of the performance Guarantee will be accepted at the time of signing the contract, and rest 5% may be deducted from the initial running bill in a single deduction or at the rate of minimum 10% of the gross bill amount of the running bill. However, in any case, the whole amount of the balance performance guarantee shall be deducted within one year.

Works for which the cost of the tender received is more than 10% below the estimated cost of works, in such a situation, the performance security for the first 10% below shall be 10% thereafter, additional performance security @ 0.50% for each 1% further below than 10% shall be deposited by the firm in order to safeguard against the contractor leaving the works.

21. In tending Bidders are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their bids as to the nature of the ground and sub-soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstance which may influence or affect their bid. A bidder shall be deemed to have full knowledge of the site, whether he inspects it or not, and no extra charge consequent to any misunderstanding or otherwise shall be allowed. The bidder shall be responsible for arranging and maintaining at his own cost all materials, tools & plans, water, electricity access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a bid by a bidder implies that he has read this notice and all other contract documents and has made himself aware of the instructions, scope and specifications of the work to be done and local conditions and other factor shaving a bearing on the execution of the work.
- Note:** -Bidders will have to quote their rate inclusive of labour cess but without GST, which shall be paid after submission of appropriate document/proof on an actual basis.
22. Canvassing, whether directly or indirectly, in connection with bids, is strictly prohibited, and the bids submitted by the bidders who resort to canvassing will be liable for rejection & will be debarred from future tender in UP Jal Nigam (Urban).
23. The available bid Capacity of the bidder at the expected time of bidding shall be more than the total estimated cost of the work for which the tender is invited.

The available Bid Capacity shall be assessed using the following formula: -

**Assessed Available Bid Capacity**

$$= \frac{2 \times A \times N - B}{2}$$

**Where**

A=Maximum turnover during the last five financial years (corrected to the current level of value)

N = Stipulated period of execution of the work for which the tender is invited in years.

B=value of existing commitments to be completed during the execution period of the bid.

The turnover shall be corrected to the current level of value by multiplying with the updation factor

given elsewhere in the NIT/ bid Document.

**Note:-** The minimum bid capacity of each JV member must be in the ratio of their stakeholding in the JV, and the sum of the bid capacity of the JV must be more than or equal to the required bid capacity.

24. The bidder shall not be permitted to bid for works under the supervisory control of the Superintending Engineer and Project Manager concerned, who is responsible for the execution of work, in which his near relative is posted. He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any officer in the U P Jal Nigam (Urban). Any breach of this condition by the contractor would render him, if empanelled with U. P. Jal Nigam (Urban), liable to be removed from the approved list of contractors of U. P. Jal Nigam (Urban) and make him liable for black listing.
25. No Engineer or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering U.P. Jal Nigam (Urban) of the STATE GOVERNMENT/ State U.P. Jal Nigam (Urban) Undertaking is allowed to work as a contractor for a period of two years after he retires from Government service, without the prior permission of the Government of U.P. in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found at any time to be such a person who had not obtained the permission of the Government of U.P. as aforesaid before submission of the bid or engagement in the contractor's service.
