2. **Tender Bid Part-II:** -Price part is to be uploaded on website www.etender.up.nic.in with respective tender. It will be entertained/opened online only if Part-I is found in order.
3. Only such firms should participate who are having sufficient experience of the work or are authorized representative of such firms and can produce satisfactory evidence that they have

necessary resources and organization to undertake the work tendered for the satisfaction of the tendering authority.

4. In case of any inconsistency of the provision of Form A/B, the provision under specification condition will supersede /prevail.
5. Bidders are requested to submit the *price schedule appendix duly filled in item by item as required* and should strictly follow the instructions & notes supplementary there to facilitate the tendering authority to prepare the comparative statement. *Failure to do so may prevent the Bidder from being considered.*
6. Bidders should quote the earliest completion of the work & per month delivery program.
7. Any portion of terms & conditions as laid down in the condition of the Contact Form-A/B enclosed along with the nature of work etc. which is not clear to the Bidders should be got clarified before submission of the tender. Bidders are requested to adhere to all clauses of the contract form to facilitate finalization of the contract. In case they are unable to do so, they should specifically state any particular clause of the conditions which may not be acceptable to them and should suggest alternatives for consideration.
8. The tendering authority does not pledge to accept the lowest or any tender and reserves the right of accepting the whole or any portion of any tender as he may think fit without assigning any reason for non-acceptance or selection.
9. Superintending Engineer, Electricity Transmission Circle, Shahjahanpur may revise or amend the specification and drawing prior to the date notified for opening of the tender. Such revision and amendment, if any, will be communicated to all Bidders as amendment or addenda to this invitation of the tender.
10. Any action on the part of the Bidder to revise the prices/prices and/or to change the structure of price/prices at his own instance after opening of tenders may result in rejection of tender and also debaring him from submission of the tenders to the corporation at least for one year.
11. Any approach etc. officially or otherwise on the part of the Bidder or his representative shall render his tender liable to be rejected. Change or deviation in Tender documents by Bidder will be liable to be rejected.
12. Tender of those Bidders, who have not deposited Tender Fee, EMD through aforesaid means as per tender specification or have not uploaded legible and true information shall not be opened/accepted and shall be rejected out rightly.
13. The cost of Tender Specification will not be refunded under any circumstances.
14. The tendering authority reserves the right to increase or decrease by 10% of the Bid quantity or to split the order between two or more parties.
15. In case of ambiguity or self-contradiction in terms/conditions mentioned in the Tender, interpretation as advantageous to the Corporation shall be taken without any reference to the Bidder.
16. In case Bidder offers any deviation from these specifications, the same should be clearly submitted with Tender Bid Part-I. However, the tendering authority reserve the right, whether accept the deviation or not.
17. Any overwriting/cutting/erasing etc. in the tender should be duly signed and stamped.
18. In no case, payment will be made by the letter of credit.
19. The offers of Bidders quoting less than the specified validity may not be acceptable at all.
20. (a) In no case, corporation will be held responsible to arrange the T&P or any other things.
20. (b) The Bidder/firm will be responsible for any loss/injury to their workers, due care should be taken with high voltage system in yard/and or at line site and against possibility of snake, insect etc. in switchyard area/line site area.
21. Successful Bidder will have to enter into an agreement after receiving the information of accepting their tender. Bidder will ensure the submission of name and registration No. (With Labour Department) of their personals/labour/technician engaged in construction work to supervising engineer.
22. In case part quantity supplied, earnest money deposit shall be reduced proportionally at the time of release.
23. Earnest money submitted in the shape of Bank Guarantee should be of scheduled bank duly pledged *in favour of Executive Engineer, Electricity transmission Division, Shahjahanpur.* Proof of the same should be uploaded duly with countersigned scanned copy of confirmation mail of issuing bank with the tender bid Part-I. Tenders without earnest money will not be

- considered. Original copy of Bank Guarantee is to be deposited by the Bidder before opening of part II, failing which Part II will not be opened and tender is liable to be rejected.
24. The earnest money deposited by the tender will be refunded after finalization of tender, in the event of his tender being rejected/not accepted. In the event of tender as accepted, the earnest money shall be retained by the Tendering Authority and adjusted against the security Deposit Specified under clause (3) of the condition of the contract form A/B shall be released only after satisfactory completion of supplies/work.
 25. In case L1 and L2 bidder quoted overall equal value of tender, the preference of tender of those Bidder shall be considered who have sufficient experience of such type of work and have necessary resources and organization to undertake the work to the satisfaction of Tendering Authority.
 26. All the Bidders must submit list of major orders/work (such type of supplies) supplied by them during last year.
 27. All the Bidders must submit past performance report of any of the similar work done/material supplied by them. Unsatisfactory past performance of bidder will liable to be bid rejection.
 28. Any other information which may be considered necessary by the Bidder but not covered in the specification be submitted.
